AN ACT to amend the civil rights law, in relation to discrimination in the ownership of cooperative housing

## The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Legislative findings and declaration of intent. The legis-2 lature recognizes that cooperative ownership in multi-family dwellings is a popular form of home ownership in New York state. An ongoing concern for consumers dealing in the cooperative housing market is the potential for the unlawful rejection by a board of directors of a buyer. The legislature finds and determines that, not infrequently, a co-op 6 7 board rejects what appears to be a well-qualified customer. Often, the prospective purchaser has concerns that the rejection was in fact unlawful discrimination. Both federal and state laws protect our citizens from unfair housing practices, which include discrimination based upon 10 race, ethnicity, gender, age or family status. 11

For such reasons, it is the legislature's intent to require boards of 12 13 directors of cooperative housing to disclose to proposed purchasers, the 14 reasons for rejecting a sale.

- 15 § 2. Section 19-a of the civil rights law, as added by chapter 376 of 16 the laws of 1971, is amended to read as follows:
- 17 Prohibition against unreasonable withholding of consent. § 19-a. Whenever any corporation formed for the purpose of the cooperative 18 ownership of real estate within the state withholds consent to the sale 19 20 or proposed sale of certificates of stock or other evidence of ownership 21 of an interest in such corporation, such corporation shall provide the 22 prospective purchaser with a written statement of its reasons for with-
- 23 holding consent no later than five business days after its decision to

24 <u>withhold consent.</u>

EXPLANATION -- Matter in italics (underscored) is new; matter in brackets [-] is old law to be omitted.
