Introduced by M. of A. THIELE, HAWLEY, MIKULIN, STERN, McDONOUGH, BRABE-
NEC -- read once and referred to the Committee on Governmental Employ-
ees

AN ACT to amend the retirement and social security law, in relation to
annual earnings limitations for retired police officers employed as
school resource officers

The People of the State of New York, represented in Senate and Assem-
bly, do enact as follows:

1 Section 1. Section 212 of the retirement and social security law is
2 amended by adding a new subdivision 4 to read as follows:

3 4. Notwithstanding the provisions of subdivisions one and two of this
4 section, such annual earnings limitations for a retired police officer
5 employed by a school district in either the classified or unclassified
6 service as a school resource officer, school safety officer, school
7 security officer or any other substantially similar position or office
8 that is designed to provide safety and/or security on school grounds,
9 provided that such retired police officer is duly qualified, competent
10 and physically fit for performance of the duties of the position in
11 which he or she is to be employed as determined by the school district
12 and is properly certified where such certification is required, shall be
13 \$65,000 for the year two thousand twenty-one and thereafter.

14 § 2. This act shall take effect immediately.

FISCAL NOTE.-- Pursuant to Legislative Law, Section 50:

Insofar as this bill would affect the New York State and Local Police
and Fire Retirement System (PFRS), this bill would allow retired police
officers who are employed by a school district as a school resource
officer, school safety officer, school security officer or any other
substantially similar position or office that is designed to provide
safety and/or security on school grounds with an annual salary of
\$65,000 or less to continue to receive their full retirement benefit.
Currently, the salary limit is \$35,000.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[-] is old law to be omitted.

LBD04833-02-1

If this bill is enacted, we expect few retirees to be affected. There would be negligible additional annual costs. However, if large numbers of retirees are hired into such positions, there would be additional annual costs which would be shared by the state of New York and all of the participating employers in the PFRS.
