

STATE OF NEW YORK

6860--A

2021-2022 Regular Sessions

IN ASSEMBLY

April 13, 2021

Introduced by M. of A. ABBATE, GRIFFIN, STERN -- read once and referred to the Committee on Governmental Employees -- committee discharged, bill amended, ordered reprinted as amended and recommitted to said committee

AN ACT to amend the retirement and social security law, in relation to certain honorably discharged veterans

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

- 1 Section 1. Subdivision 9 of section 1000 of the retirement and social
2 security law, as amended by chapter 41 of the laws of 2016, is amended
3 to read as follows:
4 9. Anything to the contrary in subdivision three of this section
5 notwithstanding, to obtain such credit, a member who first joins a
6 public retirement system of the state on or after April first, two thou-
7 sand twelve shall pay such retirement system, for deposit in the fund
8 used to accumulate employer contributions, a sum equal to the product of
9 the number of years of military service being claimed and [~~six~~] **three**
10 percent of such member's compensation earned during the twelve months of
11 credited service immediately preceding the date that the member made
12 application for credit pursuant to this section.

13 § 2. This act shall take effect immediately.
FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would decrease the amount of payment required for Tier 6 members who are obtaining military service credit pursuant to Section 1000 of the Retirement and Social Security Law. Under current law, a Tier 6 member must pay a sum equal to the product of the number of years of military service being claimed and six percent of such member's compensation earned during the twelve months of credited service immediately preceding the date that the member made application for credit. This legislation would require such members to pay only three percent of compensation per year of service being claimed.

EXPLANATION--Matter in **italics** (underscored) is new; matter in brackets [-] is old law to be omitted.

Insofar as this proposal affects the New York State and Local Employees' Retirement System (NYSLERS), if this legislation is enacted during the 2022 legislative session, it is estimated that the past service cost will be 3% of an affected members' compensation for each year of additional service credit that is purchased. For the NYSLERS, this cost would be borne entirely by the State of New York.

Insofar as this proposal affects the New York State and Local Police and Fire Retirement System (NYSLPFRS), if this legislation is enacted during the 2022 legislative session, it is estimated that the past service cost will be 3% of an affected members' compensation for each year of additional service that is purchased. For the NYSLPFRS, this cost would be shared by the State of New York and the participating employers in the NYSLPFRS.

The exact number of current members as well as future members who could be affected by this legislation cannot be readily determined.
