2021-2022 Regular Sessions

IN ASSEMBLY

April 13, 2021

Introduced by M. of A. ENGLEBRIGHT, CAHILL -- Multi-Sponsored by -- M. of A. COLTON, CYMBROWITZ -- read once and referred to the Committee on Insurance

AN ACT to amend the insurance law, in relation to improving disclosure to automobile insurance consumers; and to amend the executive law, the insurance law and the state administrative procedure act, in relation to establishing an independent office of public insurance consumer advocate and establishing its powers and duties

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The insurance law is amended by adding a new article 6 to
2 read as follows:

ARTICLE 6

AUTOMOBILE INSURANCE CONSUMER INFORMATION

3 Section 601. Title; legislative declaration and purpose.

4 602. Automobile insurance consumer information and complaint
5 rankings.

6 603. Consumer rating factors.

7 604. Disclosure procedures.

8 605. Noninterference with obtaining coverage.

9 606. Public outreach.

10 § 601. Title; legislative declaration and purpose. This article shall
11 be known and may be cited as the "automobile insurance consumer informa-
12 tion act".

13 The legislature finds and declares that automobile insurance is
14 required by law for all residents who drive and that the cost of automo-
15 bile insurance represents a substantial expense for many consumers. The
16 legislature further finds that the premium costs for any given individ-
17 ual for identical insurance coverage from different licensed insurers
18 can vary widely and that wide variations also exist in the quality of
19 service provided by insurers as measured by the department's annual
20 service provided by insurers as measured by the department's annual
21 service provided by insurers as measured by the department's annual

1 complaint handling rankings. In addition, the legislature finds that few
2 consumers are aware of these wide cost and quality of service vari-
3 ations, that as a result consumers as a group may pay hundreds of
4 millions of dollars annually for overpriced policies and that individual
5 consumers may encounter unnecessary difficulty in having their automo-
6 bile insurance claims and complaints handled expeditiously. The legis-
7 lature further finds and declares that it intends for the superintendent
8 and the department to have broad authority under this article to estab-
9 lish mechanisms to fully inform consumers as to which policies are
10 available to them at the lowest possible cost and which insurers provide
11 the highest quality of service. The legislature intends with this arti-
12 cle to create certain disclosure requirements that will make such infor-
13 mation more readily available to all consumers. Increased availability
14 of information is intended to make the automobile insurance system more
15 competitive with respect to both cost of coverage and the quality of
16 service.

17 § 602. Automobile insurance consumer information and complaint rank-
18 ings. (a) The superintendent shall maintain a database containing
19 nonbusiness automobile insurance rate information and complaint rankings
20 for all companies licensed to do business in the state.

21 (b) Every person, upon making an inquiry to the department and provid-
22 ing the information specified in section six hundred three of this arti-
23 cle, shall be mailed within five business days, or, at the option of the
24 person, receive at the time of such inquiry:

25 (1) The names, addresses, telephone numbers and, if appropriate, web
26 site addresses of the five companies having the lowest premiums for the
27 requested package of coverage that would write insurance for such
28 person; the total cost for the package of coverage from each such insur-
29 er; and the most recent complaint ranking of each such insurer;

30 (2) The names, addresses, telephone numbers and, if appropriate, web
31 site addresses of the five companies having the best complaint rankings
32 that would write insurance for such person, and the total cost for the
33 package of coverage from each insurer listed;

34 (3) An explanation of how to obtain from such companies the names,
35 addresses, telephone numbers, and, if appropriate, web site addresses of
36 those agents, brokers or sales representatives of such companies that
37 are situated in a location reasonably convenient to the person; and

38 (4) Until such database is established, the department shall provide
39 persons making an inquiry the department's Annual Ranking of Automobile
40 Insurance Complaints and Consumers Guide to Auto Insurance. After the
41 database is established, if the person making an inquiry prefers, the
42 department may provide, in lieu of the information specified in para-
43 graphs one, two and three of this subsection, the department's Annual
44 Ranking of Automobile Insurance Complaints, and Consumer Guide to Auto
45 Insurance.

46 § 603. Consumer rating factors. In order to receive the list of lowest
47 cost insurers described in section six hundred two of this article, the
48 person shall provide the following information:

49 (a) The place in which the vehicle is garaged or stored, or other
50 information needed to determine geographical territory;

51 (b) The age, sex, marital status and other information needed to
52 determine the driver class of the principal and occasional operators;

53 (c) The make, model and year of the automobile;

54 (d) Information relating to qualification for discounts;

55 (e) Information relating to surcharges or credits based on driving
56 record or driving courses taken;

1 (f) Desired effective date of the policy;
2 (g) Desired coverages; and
3 (h) Such other information as the superintendent may by regulation
4 require.

5 § 604. Disclosure procedures. Every policy of nonbusiness automobile
6 insurance delivered, issued for delivery, renewed or issued for renewal
7 in this state shall include a notice prescribed by the superintendent in
8 regulation of the availability of the information and procedure for
9 obtaining such information described in sections six hundred two and six
10 hundred three of this article. Such notice shall include the depart-
11 ment's address, telephone number and web site address.

12 § 605. Noninterference with obtaining coverage. No applicant for auto-
13 mobile insurance shall be prevented or delayed in effecting or applying
14 for coverage by the requirements of section six hundred four of this
15 article. In those cases where, prior to or at the time an application is
16 taken, it is impractical to provide any disclosure documents prescribed
17 by section six hundred four of this article, such documents shall be
18 furnished as soon thereafter as practical and, in any event, no later
19 than at the time the policy is delivered. Where any such document is
20 not provided as required by section six hundred four of this article,
21 the applicant may, no later than thirty days following receipt of the
22 policy, and notwithstanding the provisions of section three thousand
23 four hundred twenty-eight of this chapter, return the policy for a pro
24 rata refund of premiums paid. A clear and conspicuous written notice
25 explaining this refund provision, in language promulgated by the super-
26 intendent, shall be delivered with the policy.

27 § 606. Public outreach. The department shall conduct public education
28 and outreach to inform consumers as to the availability of and how to
29 access the consumer information prescribed by this article. Notwith-
30 standing any inconsistent law to the contrary, no advertisement utiliz-
31 ing electronic means, (including but not limited to radio, television
32 and the internet) public service announcement or other broadcast
33 produced or distributed pursuant to this section shall feature the like-
34 ness, picture or voice of a statewide elected official or a family
35 member of such official.

36 § 2. If any provision of section one of this act or the application
37 thereof to any person or circumstances be adjudged invalid by any court
38 of competent jurisdiction, such judgment shall be confined in its opera-
39 tion to the provision or application or persons or circumstances direct-
40 ly involved in the controversy in which such judgment shall have been
41 rendered and shall not affect or impair the validity of the remainder of
42 this act or the application thereof to other persons or circumstances.

43 § 3. The executive law is amended by adding a new article 44-A to read
44 as follows:

45 ARTICLE 44-A

§ 4. Subsection (d) of section 2321 of the insurance law is amended to read as follows:

(d) Proceedings pursuant to subsections (b) and (c) [hereof] of this section may be instituted upon the initiative of the superintendent or upon written application to the superintendent by any aggrieved person or organization, other than a rate service organization, for a hearing, if the superintendent finds that the application is made in good faith and that the grounds otherwise justify holding such a hearing which shall be held within fifteen days of the request; provided, however, that the superintendent shall hold such a hearing within fifteen days of an application therefor from the public insurance consumer advocate established under article forty-four-A of the executive law. In the case of a denial of an application for a hearing filed by any aggrieved person or any other organization, the superintendent shall provide the reasons therefor in writing to the applicant within fifteen days of such denial.

§ 5. Subsection (c) of section 2305 of the insurance law is amended to read as follows:

4 the department for a reduction in rates of policies covering losses or
5 liabilities arising out of the ownership of a motor vehicle predominant-

7 insured under a policy of auto insurance, when such rates do not reflect
8 accurately the current data pertinent to the risk of loss in the munici-

10 actuarial criteria.

11 (b) Within fifteen days of receipt of such a petition, the department
12 shall hold a public hearing thereon, at which municipal representatives,

19 (c) For the purposes of this section, the term "municipality" shall
20 mean any county not wholly contained within a city and any city compris-

31 such books, records and files, which such advocate deems necessary and
32 appropriate to carry out the purposes of article forty-four-A of the
33 executive law, including, but not limited to filings and applications
34 which may be subject to a hearing pursuant to this section, and all
35 information furnished the superintendent in support of such filings and
36 applications.

37 (b) Notwithstanding any inconsistent law, rule or regulation to the
38 contrary, the superintendent shall notify the office of public insurance
39 consumer advocate of all rate-related filings made under article twen-
40 ty-three of this chapter with respect to nonbusiness automobile insur-
41 ance, filings for rate increases pursuant to sections three thousand two
42 hundred thirty-one and four thousand three hundred eight of this chapter
43 and applications for material change in benefits or delivery of benefits
44 under a contract, within five business days of having received such

7 benefits or delivery of benefits subject to a hearing under this section
8 shall become effective pending the close of such hearing, provided that
9 such request is made within thirty days of such advocate having received
10 notice of such proposed change, filing or application. Within fifteen

12 approves the proposed rule, regulation, filing or application, the
13 superintendent shall issue a written opinion based upon the hearing
14 record, explaining the reasons for approving or denying, in whole or in
15 part, the change sought.

29 the provisions of this paragraph, based upon that person's examination,
30 including a review of the appropriate records and of the actuarial

3 priate records and of the actuarial assumptions and methods used by the
4 corporation in establishing premium rates for contracts subject to this
5 section, unless the public insurance consumer advocate has requested a
6 public hearing on such rate filing or application pursuant to section
