15 the application of the head of the agency in which the member is
16 employed, or upon the application of a member or of a person acting in
17 his or her behalf, either in writing or, as allowed by the member's

21 such member is physically or mentally incapacitated for the performance
22 of city-service, as a natural and proximate result of such city-service,
23 and certifying the time, place and conditions of such city-service
24 performed by such member resulting in such alleged disability and that
25 such alleged disability was not the result of wilful negligence on the
26 part of such member and that such member should, therefore, be retired.
27 Such application shall be filed within two years from the happening of
28 such accident, except, however, that such requirement as to time of
29 filing shall not apply to any such application which (1) is filed by or
30 with respect to a member who is a member of the uniformed force of the
31 department of sanitation (as such force is defined in subdivision a of
32 section 13-154 of this chapter) and is based on an accident occurring

37 gation shows that any member, by whom or with respect to whom an appli-
38 cation is filed under this section, is physically or mentally
39 incapacitated for the performance of city-service as a natural and prox-
40 imate result of an accidental injury received in such city-service while
41 a member, and that such disability was not the result of wilful negli-
42 gence on the part of such member and that such member should be retired,
43 the medical board shall so certify to the board stating the time, place
44 and conditions of such city-service performed by such member resulting
45 in such disability. The board shall review such certification with
46 respect to any issues other than the existence or non-existence of phys-
47 ical or mental incapacitation and shall determine the member's eligibil-
48 ity with respect to any such issues. Upon such certification by the
49 medical board of the member's physical or mental incapacitation and a
50 determination by the board finding the member otherwise eligible, such
51 member shall be retired for accident disability effective the date the
52 application is filed or the date immediately following the last date the
53 member was on the payroll, whichever is later.

54 § 5. This act shall take effect immediately.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would authorize a retirement system to make available the option for a member, or eligible beneficiary in the case of a member's death, to electronically submit a statement through a secure online portal maintained by the member's retirement system indicating that the member participated in World Trade Center rescue, recovery or cleanup operations for a qualifying period.

Insofar as this bill affects the New York State and Local Retirement System (NYSLRS), certain technology upgrades would be necessary to expand current functionality of the online portal, generating additional administrative costs to implement the provisions of this legislation should NYSLRS make this electronic filing option available to members.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill (bill A6934) would amend subdivision h of Section 605 of the Retirement and Social Security Law to allow the New York State Teachers' Retirement System (NYSTRS) to make available the option for a member, or a member's beneficiary, to electronically submit a statement on a form provided by NYSTRS through a secure online portal maintained by NYSTRS indicating such member participated in the World Trade Center rescue, recovery or cleanup operations during a qualifying period. Currently, a member or beneficiary must file a paper form provided by NYSTRS to indicate their participation in the World Trade Center rescue, recovery or cleanup operations during a qualifying period.

The annual cost to the employers of members of the New York State Teachers' Retirement System is estimated to be negligible if this bill is enacted.

Member data is from the System's most recent actuarial valuation files, consisting of data provided by the employers to the Retirement System. Data distributions and statistics can be found in the System's Annual Report. System assets are as reported in the System's financial statements, and can also be found in the System's Annual Report. Actuarial assumptions and methods are provided in the System's Actuarial Valuation Report.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

SUMMARY OF BILL: This proposed legislation, as it relates to the New York City Retirement Systems and Pension Funds (NYCRS)¹, would, among other things, amend provisions of the Retirement and Social Security Law (RSSL) and the Administrative Code of the City of New York to permit certain NYCRS members to file a World Trade Center (WTC) Notice of Participation electronically². The electronic filing would provide an alternative mechanism to the current written and sworn Notice of Participation filing.

EFFECTIVE DATE: Upon enactment.

BACKGROUND: Currently, in order to be eligible for WTC benefits, members must file a written and sworn WTC Notice of Participation statement with their respective retirement system on a form provided by such system within the permitted time deadline.

The proposed legislation would allow a member to electronically submit a WTC Notice of Participation through a secure online portal maintained by the member's retirement system that has duly validated the member's identity.

IMPACT ON BENEFITS: If enacted, this proposed legislation, to the extent an electronic filing would not enable a Notice of Participation to be submitted timely when a written sworn statement would be untimely, would have no impact on benefits paid to members.

FINANCIAL IMPACT - ANNUAL EMPLOYER CONTRIBUTIONS: The Employer Contribution for a fiscal year includes the amount of administrative expenses paid during the second prior fiscal year adjusted with interest to the current date. If enacted, this proposed legislation would increase the amount of administrative expenses initially due to the cost of setting up electronic submission capabilities but could potentially have long term savings and therefore, the impact on annual Employer Contribution will depend on the actual change in administrative expenses. The actual increase or decrease in the Employer Contribution, is expected to be de minimis.

ACTUARIAL ASSUMPTIONS AND METHODS: The interest rate for adjusting the administrative expenses from the date paid out of NYCRS to the date the Employer Contribution is received is 7%.

RISK AND UNCERTAINTY: The costs presented in this Fiscal Note depend highly on the realization of the actuarial assumptions used, as well as certain demographic characteristics of NYCRS and other exogenous factors such as investment, contribution, and other risks. If actual experience deviates from actuarial assumptions, the actual costs could differ from those presented herein. Costs are also dependent on the actuarial methods used, and therefore different actuarial methods could produce different results. Quantifying these risks is beyond the scope of this Fiscal Note.

STATEMENT OF ACTUARIAL OPINION: I, Sherry S. Chan, am the Chief Actuary for, and independent of, the New York City Retirement Systems and Pension Funds. I am a Fellow of the Society of Actuaries, an Enrolled Actuary under the Employee Retirement Income and Security Act of 1974, a Member of the American Academy of Actuaries, and a Fellow of the Conference of Consulting Actuaries. I meet the Qualification Standards of the American Academy of Actuaries to render the actuarial opinion contained herein. To the best of my knowledge, the results contained herein have

been prepared in accordance with generally accepted actuarial principles and procedures and with the Actuarial Standards of Practice issued by the Actuarial Standards Board.

FISCAL NOTE IDENTIFICATION: This Fiscal Note 2021-20 dated April 22, 2021 was prepared by the Chief Actuary for the five New York City Retirement Systems and Pension Funds. This estimate is intended for use only during the 2021 Legislative Session.
