Such wage board shall be established consistent with the provisions of subdivision one of section six hundred fifty-five of this article, except the representatives of the employees shall be selected upon the nomination of the state American Federation of Labor/Congress of Industrial Organizations; and provided, further, that the representatives of the employers shall be selected upon the nomination of the New York State Business Council. Any wage order authorizing a lesser wage than the previously and statutorily mandated minimum wage for such employees shall be reviewed by the wage board to ascertain at what level such wage order is sufficient to provide adequate maintenance and to protect the health and livelihood of employees subject to such a wage order after a statutory increase in the mandated minimum wage. Notwithstanding section six hundred fifty-five of this article, counties may opt out of any wage order under this subdivision authorizing an increase in the cash wage for such employees that eliminates the credit for tips.
