2021-2022 Regular Sessions

IN ASSEMBLY

May 6, 2021

Introduced by M. of A. STECK -- read once and referred to the Committee on Health

AN ACT to amend the public health law, in relation to connecting individuals with appropriate service providers for substance use disorders

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Section 2803-u of the public health law, as added by
2 section 1 of part C of chapter 70 of the laws of 2016 and subdivision 1
3 as amended by section 1 of subpart B of part BB of chapter 57 of the
4 laws of 2019, is amended to read as follows:
5 § 2803-u. Hospital substance use disorder policies and procedures. 1.
6 The office of [~~alcoholism and substance abuse~~] addiction services and
7 supports, in consultation with the department, shall develop or utilize
8 existing educational materials to be provided to general hospitals to
9 disseminate to individuals with a documented substance use disorder or
10 who appear to have or be at risk for a substance use disorder during
11 discharge planning pursuant to section twenty-eight hundred three-i of
12 this article. Such materials shall include information regarding the
13 various types of harm reduction, treatment, and recovery services,
14 including but not limited to: overdose prevention and syringe exchange
15 services; inpatient, outpatient, and medication-assisted treatment; how
16 to recognize the need for treatment or other substance use disorder
17 services; information for individuals to determine what type and level
18 of care or treatment is most appropriate and what resources are avail-
19 able to them; and any other information the commissioner deems appropri-
20 ate. General hospitals shall include in their policies and procedures
21 treatment protocols, consistent with medical standards, to be utilized
22 by the emergency departments in general hospitals for the appropriate
23 use of medication-assisted treatment, including buprenorphine, prior to
24 discharge, or referral protocols for evaluation of medication-assisted

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[-] is old law to be omitted.

1 treatment when initiation in an emergency department of a general hospi-
2 tal is not feasible.

3 2. Every general hospital shall: (a) within existing or in addition to
4 current policies and procedures, develop, maintain and disseminate,
5 written policies and procedures, for the identification, and assessment
6 [~~and-referral~~] of individuals with a documented substance use disorder
7 or who appear to have or be at risk for a substance use disorder as
8 defined in section 1.03 of the mental hygiene law. Except as provided in
9 paragraph (c) of this subdivision, such policies and procedures shall
10 require every hospital to offer treatment, including medication assisted
11 treatment, to the individual within seventy-two hours, provided,
12 further, that every hospital shall immediately address symptoms of with-
13 drawal;

14 (b) establish and implement training, within existing or in addition
15 to current training programs, for all individuals licensed or certified
16 pursuant to title eight of the education law who provide direct patient
17 care regarding the policies and procedures established pursuant to this
18 section; and

19 (c) except where an individual has come into the hospital under
20 section 22.09 of the mental hygiene law, if the hospital does not
21 directly provide substance use disorder services, or the individual
22 refuses services, then [~~it~~] the hospital shall [~~refer~~] actually connect
23 such individuals in need of substance use disorder services to [~~and~~
24 ~~coordinate with substance use disorder services programs~~] an appropriate
25 service provider that [~~provide~~] provides behavioral health services, as
26 defined in section 1.03 of the mental hygiene law, or a hypodermic
27 syringe and needle exchange program authorized pursuant to section
28 80.135 of part 80 of title 10 of the New York state codes, rules and
29 regulations, that has the ability to provide services to the individual
30 within seventy-two hours.

31 3. Upon commencement of treatment, admission, or discharge of an indi-
32 vidual with a documented substance use disorder or who appears to have
33 or be at risk for a substance use disorder, including discharge from the
34 emergency department, such hospital shall inform the individual of the
35 availability of the substance use disorder treatment services that may
36 be available to them through a substance use disorder or harm reduction
37 services program and, if requested, connect the individual to the appro-
38 priate services. Such efforts to connect the individual shall be docu-
39 mented.

40 4. The commissioner, in consultation with the commissioner of the
41 office of [~~alcoholism and substance abuse~~] addiction services and
42 supports, shall make regulations as may be necessary and proper to carry
43 out the provisions of this section.

44 § 2. This act shall take effect on the first of January next succeed-
45 ing the date on which it shall have become a law.
