AN ACT to amend the public health law, in relation to requiring the New York state department of health to collect and report data concerning non-fatal overdoses

## The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Subdivisions 5 and 6 of section 3309 of the public health 2 law, subdivision 5 as amended by chapter 66 of the laws of 2016 and subdivision 6 as amended by section 1 of part B of chapter 70 of the laws of 2016, are amended to read as follows:

- 5. The commissioner shall publish findings on statewide opioid overdose data that reviews overdose death rates and other information to ascertain changes in the cause and rates of opioid overdoses, including fatal opioid overdoses. The report shall be submitted [annually] quar-9 terly, on or before October first, to the governor, the temporary presi-10 dent of the senate, the speaker of the assembly and the chairs of the senate and assembly health committees, and shall be made public on the 12 department's internet website. The report shall include, at a minimum, 13 the following information on a county basis:
- (a) information on opioid overdoses and opioid overdose deaths, 15 including age, gender, ethnicity, and geographic location;
- 16 (b) data on emergency room utilization for the treatment of opioid 17 overdose;
  - (c) data on utilization of pre-hospital services;

  - 7. (a) The department of health shall collect, and make publicly available on the department's website, the data collected across all emergency room syndromic surveillance systems relating to non-fatal overdoses, disaggregated by race, ethnicity, sex, age, primary language, socioeconomic status, disability status, and county. The department shall use such non-fatal overdose data to extrapolate projected fatal overdose numbers.
- 33 (b) The data made available under this section shall be updated on a 34 monthly basis.
- (c) In publishing data under this subdivision, the commissioner of 36 health shall take all necessary steps to protect the privacy of individuals whose information is included in such data, including, but not limited to:
- 39 (1) complying with privacy protections provided under the regulations 40 promulgated under the federal Health Insurance Portability and Account-41 ability Act of 1996; and
- 42 (2) protections from all inappropriate internal use by an entity that 43 collects, stores, or receives data, including use of such data in determinations of eligibility or continued eligibility in health plans, and 44 45 from inappropriate uses.
- 46 8. The commissioner shall provide the current information and data 47 specified in [subdivisions] subdivisions five and six of this section to each county every [three months] month. The department shall expand 48 real-time overdose surveillance using E911 data to include overdose 49 trends and expand information sharing to include high intensity drug 50 51 trafficking areas, emergency departments, first responders, law enforcement and criminal justice agencies, and other harm reduction, treatment 52 and human service partners with routine face-to-face contact with iden-54 tified individuals struggling with substance use. Such information and 55 data may be utilized by a county or any combination thereof as it works

to address the opioid epidemic.

A. 7375--A 3

1 § 2. This act shall take effect immediately; provided, however, that 2 the amendments to subdivision 6 of section 3309 of the public health law 3 made by section one of this act shall not affect the repeal of such 4 subdivision and shall be deemed to repeal therewith.
