AN ACT to authorize the New York state energy research and development authority to prepare a report on the establishment of a New York renewable energy laboratory

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

- 1 Section 1. (a) The New York state energy research and development
2 authority shall prepare a report on the feasibility, costs and benefits
3 of establishing a renewable energy laboratory. The report, at a minimum,
4 will: (i) examine the most effective methods to develop partnerships
5 with businesses and educational institutions such as CUNY and SUNY
6 campuses to support the creation of a renewable energy laboratory to
7 encourage ongoing linkages between training, research, development,
8 demonstration and technology transfer resources; (ii) determine whether
9 such a laboratory would facilitate the development of renewable energy
10 and energy efficiency technologies and practices, advanced related
11 science and engineering, create jobs, promote economic development and
12 manufacturing, and transfer knowledge and innovations, including
13 advancements in renewable energy systems as defined in section 66-p of
14 the public service law, smart grids and battery storage; (iii) consider
15 how a renewable energy laboratory may achieve the goal of involving
16 minority students, scientists, engineers and minority and women owned
17 business enterprises in its programs.
18 (b) The authority shall submit the final report to the governor, the
19 temporary president of the senate and the speaker of the assembly within
20 one year of the effective date of this act.
21 § 2. This act shall take effect immediately.
