| 1  | ance with UIPL 20-21, Change 1, Attachment 2. Upon approval, a categori- |
| 2  | cal waiver becomes a blanket waiver.                                     |
| 3  | (e) "Individual waiver" means a waiver made available to every claim-    |
| 4  | ant who has not been approved for a blanket waiver.                      |
| 5  | (f) "Final determination date" means the date thirty days after appeal   |
| 6  | rights have been exhausted or abandoned.                                 |
| 7  | 2. Waiver of certain repayments. The department shall review all UPB     |
| 8  | overpayments to determine eligibility for waivers at the time of the     |
| 9  | overpayment determination and shall review all previously issued UPB     |
| 10 | overpayment determinations retroactively to determine eligibility for    |
| 11 | waivers as described in paragraphs (a), (b) and (c) of this subdivision. |
| 12 | The department must complete its review of previously determined over-   |
| 13 | payments for waiver eligibility within one hundred twenty days of the    |
| 14 | effective date of this section. Prior to denial of a blanket waiver, as  |
| 15 | described in paragraphs (a) and (b) of this subdivision, the department  |
| 16 | must assess all UPB overpayments to determine if claimants are eligible  |
| 17 | for state unemployment insurance. The department shall assess and        |
| 18 | approve any subsequent waivers not previously authorized which the       |
| 19 | federal government authorizes states to implement. There shall be a      |
| 20 | presumption that claimants are eligible for UPB waivers absent clear and |
| 21 | convincing evidence to the contrary.                                     |
| 22 | (a) The department shall assess and approve blanket waivers. The         |
| 23 | department shall proactively identify individuals eligible for a blanket |
| 24 | waiver including those who have previously been denied waivers. Notice   |
| 25 | of a claimant's approval for a blanket waiver must be provided pursuant  |
| 26 | to subdivision three of this section within fourteen days of the depart- |
| 27 | ment's decision to approve the blanket waiver. To the extent that the    |
| 28 | department has collected benefits for which an overpayment was assessed  |
| 29 | which are eligible for a blanket waiver, the department must refund      |
| 30 | benefits to claimants within thirty days of waiver approval.             |
| 31 | (b) The department shall apply for approval of categorical waivers as    |
| 32 | listed in this subdivision within thirty days of the effective date of   |
| 33 | this section. Upon approval of a categorical waiver, such approved waiv- |
| 34 | er shall be considered to be a blanket waiver and the requirements for   |
| 35 | blanket waivers as listed in paragraph (a) of this subdivision shall     |
| 36 | apply. The department shall request approval for the following categor-  |
| 37 | <u>ical waivers:</u>   |
| 38 | (i) all overpayments assessed against educational workers pursuant to    |
| 39 | subdivisions ten and eleven of section five hundred ninety of this title |
| 40 | <u>during calendar year two thousand twenty;</u>                         |
| 41 | (ii) all overpayments assessed because of alleged ineligibility due to   |
| 42 | immigration status;  |
| 43 | (iii) all overpayments assessed against the claimant where they          |
| 44 | received correspondence, forms, or any other documentation in a language |
| 45 | that was not their own or in a manner that was inaccessible to the       |
| 46 | claimant; or due to other similar difficulties (e.g., education, litera- |
| 47 | cy, and/or language barriers) in understanding what information the      |
| 48 | state needed from the claimant to properly determine eligibility;        |
| 49 | (iv) all overpayments assessed because the claimant filed in the wrong   |
| 50 | state or there was an incorrectly adjudicated interstate claim; and      |
| 51 | (v) all overpayments assessed against claimants where receipt of UPB     |
| 52 | was without fault on the part of the claimant.                           |
| 53 | (c) If an individual is not approved for a blanket waiver, the depart-   |
| 54 | ment must assess each claimant's eligibility for a waiver individually   |
| 55 | at the time the overpayment is established. The department shall waive   |
|    |  |

56 such overpayment repayment if it is determined that the payment of such

| 1        | UPB was without fault on the part of such claimant and such repayment   |
|----------|---|
| 2        | would be contrary to equity and good conscience. There shall be a   |
| 3        | presumption that the claimant is without fault where the claimant   |
| 4        | provided incorrect information or failed to provide information and   |
| 5        | documentation in the following situations:  |
| б        | (i) the department provided conflicting, changing, or confusing infor-  |
| 7        | <u>mation or instructions;</u>  |
| 8        | (ii) the department took more than six months to implement a federal  |
| 9        | law regarding proof of eligibility from claimants;  |
| 10       | (iii) the claimant was unable to reach the department despite their   |
| 11       | best efforts to inquire or clarify information the individual needed to   |
| 12       | provide, due to language, education, literacy, disability or other simi-  |
| 13       | <u>lar barriers;</u>  |
| 14       | (iv) the claimant was unable to understand the department's notices or  |
| 15       | directives due to language, education, literacy disability or other   |
| 16       | <u>similar barriers;</u>  |
| 17       | (v) the claimant chose a reason for separation which is legally incor-  |
| 18       | <u>rect; or</u>   |
| 19       | (vi) the claimant had assistance in filing a claim, certifying, or  |
| 20       | otherwise responding to the department where the claimant's assistant   |
| 21       | did not confirm required information with the claimant or misunderstood   |
| 22       | such information provided by the claimant.  |
| 23       | (d) There shall be a presumption that the payment of UPB is without   |
| 24       | fault if the overpayment was due to department error or mistake or the  |
| 25       | employer provided incorrect or untimely information. Receipt of the   |
| 26       | Unemployment Insurance Claimant Handbook shall not create a presumption   |
| 27       | that the claimant was on notice of its contents and such receipt shall  |
| 28       | not be used against the claimant on points of fact or law.  |
| 29       | (e) For purposes of this section it shall be considered to be "contra-  |
| 30       | ry to equity and good conscience" where any one or a combination of the   |
| 31       | following apply:  |
| 32       | (i) recovery would cause financial hardship to the person from whom it  |
| 33       | is sought;  |
| 34       | (ii) the recipient of the overpayment can show, regardless of their   |
| 35       | financial situation, that repayment would cause them to relinquish a  |
| 36       | valuable right or change their position for the worse including but not   |
| 37       | limited to signing a lease, taking out a loan, or passing up state or   |
| 38       | federal assistance in reliance on receipt of UPB;   |
| 39       | (iii) where the individual or their household is in receipt of Social   |

| 18   | being assessed was issued more than thirty days after the first unem-  |
| 19   | ployment benefit payment;  |
| 20   | (xii) where the overpayment is based on unemployment claims that were  |
| 21   | opened during a period when the department failed to send notices within   |
| 22   | thirty days to employers of claimants having applied for benefits;   |
| 23   | (xiii) where there is any other reason for which recovery of the over-   |
