AN ACT to amend the civil rights law, in relation to privacy of electronic fare and toll records

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Statement of legislative intent. The legislature finds and  
2 declares that public entities increasingly are establishing electronic  
3 toll and electronic fare payment systems, which have the potential for  
4 great convenience to the general public. E-Z Pass, for example, allows  
5 motorists to have toll charges automatically deducted from pre-established  
6 accounts. Programs such as these have proven popular with consumers.  
7 But some consumers, public officials and public entities have  
8 raised legitimate questions about the extent to which records of individual  
9 travel created by such electronic toll and fare programs should  
10 be disclosed, and under what circumstances. This bill establishes  
11 reasonable, uniform provisions for maintaining the confidentiality of  
12 such records, while at the same time authorizing disclosure in cases of  
13 legitimate law enforcement need.

14 § 2. The civil rights law is amended by adding a new section 50-g to  
15 read as follows:

16 § 50-g. Privacy of electronic toll and fare records. 1. Definitions.  
17 As used in this section:

19 by a public entity or by a contractor on behalf of a public entity  
20 concerning a motorist or motor vehicle regarding the use of any highway,  
21 bridge, tunnel or other thoroughfare, including but not limited to  
22 E-Z Pass records, which contain information such as (but not limited to)

5 prepared for or sent to the account holder.

6 b. "Electronic fare information" shall mean records created or main-  
7 tained by a public entity or by a contractor on behalf of a public enti-  
8 ty concerning an account holder, including but not limited to "Metro-

12 time of fare card or fare media use; identification of the location or

26 provisions of any other law, such information shall not be open to the  
27 public, nor subject to civil or criminal process or discovery, nor  
28 subject to disclosure under the freedom of information law, nor used by  
29 any court or administrative or adjudicatory body in any action or  
30 proceeding therein, and no public entity or employee, officer or agent  
31 thereof shall disclose such information, except that such information:

32 a. shall be available for inspection and copying and use by the  
33 account holder for so long as such information is maintained by such  
34 public entity, employee, officer or agent; and

35 b. (i) shall be furnished when described in a search warrant issued by  
36 a court authorized to issue such search warrant pursuant to article six  
37 hundred ninety of the criminal procedure law, or a federal court author-  
38 ized to issue such search warrant under federal law, where such search  
39 warrant states there is reasonable cause to believe such information  
40 constitutes evidence of, or tends to demonstrate that, a misdemeanor or  
41 felony offense was committed in this state or another state, or that a  
42 particular person participated in the commission of a misdemeanor or  
43 felony offense in this state or another state, provided, however, that  
44 if such offense was against the laws of another state, the court shall

52 al law, where the judge finds, and such subpoena states, there is  
53 reasonable cause to believe such information is relevant and material to  
54 the prosecution, or the defense, or the investigation by an authorized  
55 law enforcement official, of the alleged commission of a misdemeanor or  
56 felony in this state or another state, provided, however, that if such

1 offense was against the laws of another state, such judge or magistrate  
2 shall only issue such subpoena if the conduct comprising such offense  
3 would, if occurring in this state, constitute a misdemeanor or felony in  
4 this state; and

5 (iii) may, if lawfully obtained pursuant to this paragraph or para-  
6 graph a of this subdivision, and otherwise admissible, be used in a  
7 criminal action or proceeding; and

8 c. may be obtained and, if otherwise admissible, be used in a civil  
9 court or other civil administrative or adjudicatory body in any action  
10 or proceeding pending therein when such action or proceeding relates  
11 directly to the collection of toll or fare revenues and it is alleged:

12 (i) by the provider of such services that tolls or fares properly  
13 charged to the account holder remain unpaid; or

14 (ii) by the account holder that tolls or fares were improperly charged  
15 to such holder's account; and

16 d. may be used by such public entity or a contractor on behalf of a  
17 public entity for communications with the account holder, including

27 transportation authority and/or one of its subsidiary corporations, be  
28 provided by such metropolitan transportation authority and/or subsidiary  
29 corporation to such board of education of the city of New York.

30 3. Information. Nothing herein shall preclude the use of aggregate  
31 electronic toll or fare information which does not identify any individ-  
32 ual account holder in an action or proceeding involving such public  
33 entity, nor preclude the use, sale or distribution of information  
34 compiled from electronic toll or fare information, where such compiled  
35 information does not identify any individual account holder.

36 4. Notice. Every public entity that collects electronic toll or fare  
37 information shall provide regular and conspicuous notice, in writing, to  
38 applicants and account holders concerning the provisions of this  
39 section, which notice shall also describe the means by which account  
40 holders may obtain copies of their individual account records.

45 sand dollars.
