5 alleging child abuse or maltreatment and of immediately identifying  
6 prior reports of child abuse or maltreatment and capable of monitoring

2 name, the caller's contact information and any previous reports to the  
3 central registry involving the subject of such report or children named  
4 in such report, including any previous report containing allegations of  
5 child abuse and maltreatment alleged to have occurred in other counties  
6 and districts in New York state shall be immediately transmitted orally  
7 or electronically by the office of children and family services to the  
8 appropriate local child protective service for investigation. The  
9 inability of the person calling the register to identify the alleged  
10 perpetrator shall, in no circumstance, constitute the sole cause for the  
11 register to reject such allegation or fail to transmit such allegation  
12 for investigation. If the records indicate a previous report concerning  
13 a subject of the report, the child alleged to be abused or maltreated, a  
14 sibling, other children in the household, other persons named in the  
15 report or other pertinent information, the appropriate local child  
16 protective service shall be immediately notified of the fact. If the  
17 report involves either (i) an allegation of an abused child described in  
18 paragraph (i), (ii) or (iii) of subdivision (e) of section one thousand  
19 twelve of the family court act or sexual abuse of a child or the death  
20 of a child or (ii) suspected maltreatment which alleges any physical  
21 harm when the report is made by a person required to report pursuant to  
22 section four hundred thirteen of this title within six months of any  
23 other two reports that were indicated, or may still be pending, involv-  
24 ing the same child, sibling, or other children in the household or the  
25 subject of the report, the office of children and family services shall  
26 identify the report as such and note any prior reports when transmitting  
27 the report to the local child protective services for investigation.

28 § 2. Subdivision 2 of section 422 of the social services law is  
29 amended by adding a new paragraph (d) to read as follows:

30 (d) A caller making a report of suspected child abuse or maltreatment  
31 to the central registry shall be asked for their name and contact infor-  
32 mation. No report shall be transmitted to a local child protective  
33 service for investigation unless the caller's name and contact informa-  
34 tion is provided.

35 § 3. Subdivision 7 of section 422 of the social services law, as  
36 amended by chapter 434 of the laws of 1989, is amended to read as  
37 follows:

38 7. At any time, a subject of a report and other persons named in the  
39 report may receive, upon request, a copy of all information contained in  
40 the central register; provided, however, that the office of children and  
41 family services shall not release information identifying a person who  
42 made a report pursuant to section four hundred fourteen of this title  
43 except with that person's permission or pursuant to subdivision (b) of  
44 section one thousand thirty-eight of the family court act or pursuant to  
45 section four hundred twenty-four-a of this title; and that the commis-  
46 sioner is authorized to prohibit the release of data that would identify

48 quent investigation or the agency, institution, organization, program or  
49 other entity where such person is employed or with which he or she is  
50 associated, which he or she reasonably finds will be detrimental to the  
51 safety or interests of such person.

52 § 4. This act shall take effect immediately; provided, however, that  
53 section one of this act shall take effect on the one hundred eightieth  
54 day after it shall have become a law.
