LBD09229-02-1

This bill will deem Jaime Laczko, a forest ranger currently covered under an age 55 retirement plan, to have elected to participate in the 25 year retirement plan established by Section 383-c of the Retirement and Social Security Law.

If this bill is enacted during the 2021 legislative session and Jaime Laczko becomes covered under the provisions of Section 383-c, we anticipate that there will be an increase of approximately \$6,700 in the annual contributions of the State of New York for the fiscal year ending March 31, 2022. In future years, this cost will vary as the billing rates and salary of Jaime Laczko change.

In addition to the annual contributions discussed above, there will be an immediate past service cost of approximately \$41,100 which will be borne by the State of New York as a one-time payment. This estimate is based on the assumption that payment will be made on March 1, 2022.
