§ 875-b. Security. 1. Every dealer shall implement a security plan for securing firearms, rifles and shotguns, including firearms, rifles and shotguns in shipment. The plan must satisfy at least the following requirements:

The permitted business shall be equipped with a video recording device at each point of sale and entrance and exits to the premises, which shall be recorded from both the indoor and outdoor vantage point and shall maintain such recordings for a period of not less than two years.

(b) Underwriters Laboratories, Inc. uses the term "extent of protection" to refer to the amount of alarm protection installed to protect a particular area, room or container.
