AN ACT to amend the criminal procedure law and the mental hygiene law, in relation to determining the capacity of a defendant to stand trial

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Subdivision 1 of section 730.10 of the criminal procedure law is amended to read as follows:

1. "Incapacitated person" means a defendant who as a result of mental disease or defect lacks capacity to understand the proceedings against ~~him~~ such defendant or to assist in his or her own defense.

§ 2. Subdivision 8 of section 730.10 of the criminal procedure law, as separately amended by chapters 615 and 629 of the laws of 1974, is amended to read as follows:

8. "Examination report" means a report made by a psychiatric examiner wherein he or she sets forth his or her opinion as to whether the defendant is or is not an incapacitated person, the nature and extent of his or her examination and, if he or she finds that the defendant is an incapacitated person, his or her diagnosis and prognosis and a detailed statement of the reasons for his or her opinion by making particular reference to those aspects of the proceedings wherein the defendant lacks capacity to understand or to assist in his or her own defense.

The report must also state the examiner's professional opinion as to whether or not there is at least a reasonable expectation that restoration services could have a substantial probability of restoring the defendant to competence within a reasonable period of time. The state administrator and the commissioner must jointly adopt the form of the examination report; and the state administrator shall prescribe the

1 number of copies thereof that must be submitted to the court by the
2 director.

3 § 3. Section 730.10 of the criminal procedure law is amended by adding
4 a new subdivision 10 to read as follows:

5 10. "Restoration services" means those services including but not
6 limited to medication support, classroom-based competency instruction,
7 mock trials, symptom management, and rehabilitative services provided to
8 an incapacitated person which are designed to improve his or her mental
9 state or developmental status to the extent that they can understand the
10 charges against them and participate in their own defense. Restoration
11 services are not intended to be mental health treatment aimed at recov-
12 ery from mental illness or services aimed at improving a developmentally
13 disabled person's ability to function on a day-to-day basis.

14 § 4. Section 730.20 of the criminal procedure law, subdivisions 1 and
15 5 as amended by chapter 693 of the laws of 1989, subdivision 7 as
16 amended by chapter 692 of the laws of 1972, is amended to read as
17 follows:

18 § 730.20 Fitness to proceed; generally.

19 1. [~~The appropriate director to whom a criminal court issues an order~~
20 ~~of examination must be determined in accordance with rules jointly~~
21 ~~adopted by the judicial conference and the commissioner.~~] Upon receipt
22 of an examination order, the director to whom the court has issued an
23 order must designate two qualified psychiatric examiners, of whom he or
24 she may be one, to examine the defendant to determine if [~~he~~] the
25 defendant is an incapacitated person. In conducting their examination,
26 the psychiatric examiners [~~may~~] shall employ [~~any~~] a method [~~which is~~
27 ~~accepted by the medical profession for the examination of persons~~
28 ~~alleged to be mentally ill or mentally defective~~] as set forth in stand-
29 ards set by the commissioner to determine if the defendant is an inca-
30 pacitated person. The court may authorize a psychiatrist or psychol-
31 ogist retained by the defendant to be present at such examination.

32 2. When the defendant is not in custody at the time a court issues an
33 order of examination, because [~~he~~] the defendant was theretofore
34 released on bail or on [~~his~~] the defendant's own recognizance, the court
35 [~~may~~] shall direct that the examination be conducted on an out-patient
36 basis, and at such time and place as the director shall designate and
37 the court shall order the defendant to appear for such examination. If,
38 however, the director informs the court that hospital confinement of the
39 defendant is necessary for an effective examination, or if the defendant
40 refuses to appear as ordered for the examination, the court may direct
41 that the defendant be confined in a hospital [~~designated by the direc-~~
42 ~~tor~~] operated or approved by the commissioner only until the examination
43 is completed. In no event shall the need for such examination be a basis
44 for incarcerating a defendant who has been released on bail or his or
45 her own recognizance.

46 3. When the defendant is in custody at the time a court issues an
47 order of examination, the examination must be conducted at the place
48 where the defendant is being held in custody. If, however, the director
49 determines that hospital confinement of the defendant is necessary for
50 an effective examination, the sheriff must deliver the defendant to a
51 hospital designated by the [~~director~~] commissioner and hold [~~him~~] the
52 defendant in custody therein, under sufficient guard, until the examina-
53 tion is completed.

54 4. Hospital confinement under subdivisions two and three shall be for
55 a period not exceeding [~~thirty~~] ten days, except that, upon application
56 of the director, the court may authorize confinement for an additional

1 period not exceeding [~~thirty~~] ten days if it is satisfied that a longer
2 period is necessary to complete the examination. [~~During the period of~~
3 ~~hospital confinement, the physician in charge of the hospital may admin-~~
4 ~~ister or cause to be administered to the defendant such emergency~~
5 ~~psychiatric, medical or other therapeutic treatment as in his judgment~~
6 ~~should be administered.~~]

7 5. Each psychiatric examiner, after [~~he has completed his~~] completing
8 the examination of the defendant, must promptly prepare and submit to
9 the director an examination report [~~and submit it to the director~~]
10 setting forth the examiner's opinion as to whether or not there is at
11 least a reasonable expectation that restoration services could have a
12 substantial probability of restoring the defendant to competence within
13 a reasonable period of time. If the psychiatric examiners are not unani-
14 mous in their opinion as to whether the defendant is or is not an inca-
15 pacitated person, the director must designate another qualified psychi-
16 atric examiner to examine the defendant to determine if [~~he~~] the
17 defendant is an incapacitated person and, if so, whether or not there is
18 at least a reasonable expectation that restoration services could have a
19 substantial probability of restoring the defendant to competence within
20 a reasonable period of time. Upon receipt of the examination reports,
21 the director must submit them to the court that issued the order of
22 examination. The court must furnish a copy of the reports to counsel
23 for the defendant and to the district attorney.

24 6. When a defendant is subjected to examination pursuant to an order
25 issued by a criminal court in accordance with this article, any state-
26 ment made by [~~him~~] such defendant for the purpose of the examination or
27 treatment shall be inadmissible in evidence against [~~him~~] such defendant
28 in any criminal action on any issue other than that of [~~his~~] such
29 defendant's mental condition[, ~~but such statement is admissible upon~~
30 ~~that issue whether or not it would otherwise be deemed a privileged~~
31 ~~communication~~].

32 7. A psychiatric examiner, who is not regularly employed by the county
33 or the state of New York, is entitled to his or her reasonable traveling
34 expenses[, ~~a~~] and to a reasonable fee [~~of fifty dollars~~] to be negoti-
35 ated with the examiner by the director or the county or, if no such fee
36 is agreed upon, to be set by the court for each examination of a defend-
37 ant and [~~a fee of fifty dollars~~] for each appearance at a court hearing
38 or trial [~~but not exceeding two hundred dollars in fees for examination~~
39 ~~and testimony in any one case~~]; except that if such psychiatric examiner
40 be an employee of the county or of the state of New York he or she shall
41 be entitled only to reasonable traveling expenses, unless such psychiat-
42 ric examiner makes the examination or appears at a court hearing or
43 trial outside his or her hours of state or county employment in a county
44 in which the director of community [~~mental health~~] services certifies to
45 the fiscal officer thereof that there is a shortage of qualified
46 [~~psychiatrists~~] examiners available to conduct examinations under [~~the~~
47 ~~criminal procedure law~~] this chapter in such county, in which event [~~he~~]
48 such examiner shall be entitled to [~~the foregoing~~] such fees and reason-
49 able traveling expenses as approved by the court. Such fees and travel-
50 ing expenses and the costs of sending a defendant to another place of
51 detention or to a hospital for examination[, ~~of his maintenance therein~~]
52 and the cost of returning [~~him~~] the defendant shall, when approved and
53 so ordered by the court, be a charge of the county in which the defend-
54 ant is being tried, and the cost of the maintenance of such defendant
55 therein shall be a cost to the state.

§ 5. Section 730.30 of the criminal procedure law, subdivision 3 as amended by chapter 629 of the laws of 1974, is amended to read as follows:

§ 730.30 Fitness to proceed; order of examination.

1. At any time after a defendant is arraigned upon an accusatory instrument other than a felony complaint and before the imposition of sentence, or at any time after a defendant is arraigned upon a felony complaint and before he or she is held for the action of the grand jury, or upon arraignment on an indictment by a grand jury, the court wherein the criminal action is pending ~~[must]~~ may issue an order of examination when it ~~[is of the opinion]~~ has a reasonable basis to believe that the defendant may be an incapacitated person.

2. When the examination reports submitted to the court show that each psychiatric examiner is of the opinion that the defendant is not an incapacitated person, the court may, on its own motion, conduct a hearing to determine the issue of capacity, and it must conduct a hearing upon motion therefor by the defendant or by the district attorney. If the court does not decide to hold a hearing on its own motion and no motion for a hearing is made, or if, following a hearing the court is satisfied that the defendant is not an incapacitated person, the criminal action against the defendant must proceed. ~~[If, following a hearing, the court is satisfied that the defendant is not an incapacitated person, the criminal action against him must proceed; if the court is not so satisfied, it must issue a further order of examination directing that the defendant be examined by different psychiatric examiners designated by the director.]~~

3. When the examination reports submitted to the court show that each psychiatric examiner is of the opinion that the defendant is an incapacitated person and that there is at least a reasonable expectation that restoration services could have a substantial probability of restoring the defendant to competence within a reasonable period of time, the court ~~[may, on its own motion,]~~ shall conduct a hearing to determine the issue of capacity ~~[and it must conduct such hearing upon motion therefor by the defendant or by the district attorney]~~.

4. When the examination reports submitted to the court show that the psychiatric examiners are not unanimous in their opinion as to whether the defendant is or is not an incapacitated person ~~[, or when the examination reports submitted to the superior court show that the psychiatric examiners are not unanimous in their opinion as to whether the defendant is or is not a dangerous incapacitated person]~~ and that there is at least a reasonable expectation that restoration services could have a substantial probability of restoring the defendant to competence within a reasonable period of time, the court must conduct a hearing to determine the issue of capacity ~~[or dangerousness]~~ and expectation of restoration within a reasonable time.

§ 6. Subdivision 1 of section 730.40 of the criminal procedure law, as amended by chapter 7 of the laws of 2013, is amended to read as follows:

1. When a local criminal court, following a hearing conducted pursuant to subdivision two, three or four of section 730.30 of this article, is satisfied that the defendant is not an incapacitated person, the criminal action against him or her must proceed. If ~~[it]~~ a local criminal court accusatory instrument other than a felony complaint has been filed against the defendant and the court is satisfied that the defendant is an incapacitated person, ~~[or if no motion for such a hearing is made, such court must issue a final or temporary order of observation committing him or her to the custody of the commissioner for care and treat-~~

~~ment in an appropriate institution for a period not to exceed ninety days from the date of the order, provided, however, that the commissioner may designate an appropriate hospital for placement of a defendant for whom a final order of observation has been issued, where such hospital is licensed by the office of mental health and has agreed to accept, upon referral by the commissioner, defendants subject to final orders of observation issued under this subdivision. When a local criminal court accusatory instrument other than a felony complaint has been filed against the defendant,~~ such court must issue a final order of observation. When a felony complaint has been filed against the defendant, such court must issue a temporary order of observation committing him or her to the custody of the commissioner for ~~[care and treatment]~~ restoration services in an appropriate institution or, ~~[upon the consent of the district attorney]~~ in the discretion of the court, committing him or her to the custody of the commissioner for care and treatment on an out-patient basis, for a period not to exceed ninety days from the date of such order~~[, except that, with the consent of the district attorney,]~~ or it may issue a final order of observation. Upon the issuance of a final order of observation, the district attorney shall immediately transmit to the commissioner, in a manner intended to protect the confidentiality of the information, a list of names and contact information of persons who may reasonably be expected to be the victim of any assault or any violent felony offense, as defined in the penal law, or any offense listed in section 530.11 of this chapter which would be carried out by the committed person; provided that the person who reasonably may be expected to be a victim does not need to be a member of the same family or household as the committed person.

§ 7. Section 730.50 of the criminal procedure law, subdivision 1 as amended by chapter 7 of the laws of 2013, subdivision 2 as amended by chapter 789 of the laws of 1985, subdivision 5 as amended by chapter 629 of the laws of 1974, is amended to read as follows:

§ 730.50 Fitness to proceed; indictment.

1. When a superior court, following a hearing conducted pursuant to subdivision two, three or four of section 730.30 of this article, is satisfied that the defendant is not an incapacitated person, the criminal action against him or her must proceed. If ~~[it is satisfied]~~ after a hearing, the court makes a finding that the defendant is an incapacitated person, ~~[or if no motion for such a hearing is made]~~ and that there is at least a reasonable expectation that restoration services could have a substantial probability of restoring the defendant to competence within a reasonable period of time, it must adjudicate him or her an incapacitated person~~[, and must issue a final order of observation or an order of commitment]~~. When the indictment does not charge a felony or when the defendant has been convicted of an offense other than a felony, such court (a) must issue a final order of observation ~~[committing the defendant to the custody of the commissioner for care and treatment in an appropriate institution for a period not to exceed ninety days from the date of such order, provided, however, that the commissioner may designate an appropriate hospital for placement of a defendant for whom a final order of observation has been issued, where such hospital is licensed by the office of mental health and has agreed to accept, upon referral by the commissioner, defendants subject to final orders of observation issued under this subdivision]~~, and (b) must dismiss the indictment filed in such court against the defendant, and such dismissal constitutes a bar to any further prosecution of the charge or charges contained in such indictment. Upon the issuance of a

1 final order of observation, the district attorney shall immediately
2 transmit to the commissioner, in a manner intended to protect the confi-
3 dentiality of the information, a list of names and contact information
4 of persons who may reasonably be expected to be the victim of any
5 assault or any violent felony offense, as defined in the penal law, or
6 any offense listed in section 530.11 of this chapter which would be
7 carried out by the committed person; provided that the person who
8 reasonably may be expected to be a victim does not need to be a member
9 of the same family or household as the committed person. When the
10 indictment charges a felony [~~or when the defendant has been convicted of~~
11 ~~a felony~~] and the court has determined that there is at least a reason-
12 able expectation that restoration services could have a substantial
13 probability of restoring the defendant to competence within a reasonable
14 period of time, it must issue an order of commitment committing the
15 defendant to the custody of the commissioner [~~for care and treatment~~] to
16 receive restoration services in an appropriate institution or[~~, upon the~~
17 ~~consent of the district attorney,~~] committing him or her to the custody
18 of the commissioner for care and treatment on an out-patient basis, for
19 a period not to exceed [~~one year~~] ninety days from the date of such
20 order. Upon the issuance of an order of commitment, the court must exon-
21 erate the defendant's bail if he or she was previously at liberty on
22 bail; provided, however, that exoneration of bail is not required when a
23 defendant is committed to the custody of the commissioner for care and
24 treatment on an out-patient basis. [~~When the defendant is in the custody~~
25 ~~of the commissioner pursuant to a final order of observation, the~~
26 ~~commissioner or his or her designee, which may include the director of~~
27 ~~an appropriate institution, immediately upon the discharge of the~~
28 ~~defendant, must certify to such court that he or she has complied with~~
29 ~~the notice provisions set forth in paragraph (a) of subdivision six of~~
30 ~~section 730.60 of this article~~] In the event that the court determines
31 there is not a reasonable expectation that restoration services could
32 have a substantial probability of restoring the defendant to competence
33 within a reasonable period of time the matter shall be referred to
34 supreme court for a hearing conducted in accordance with section 9.33
35 or 15.31 of the mental hygiene law.

36 2. When a defendant is in the custody of the commissioner immediately
37 prior to the expiration of the period prescribed in a temporary order of
38 commitment and the superintendent of the institution wherein the defend-
39 ant is confined is of the opinion that the defendant continues to be an
40 incapacitated person, such superintendent must apply to the court that
41 issued such order for an order of retention for an additional period of
42 ninety days. The court must hold a hearing on this application to
43 determine if there is a substantial probability of recovery in the fore-
44 seeable future. If the court determines that there is such reasonable
45 expectation of restoration, it shall issue an order of retention for an
46 additional ninety days. If the court finds that the defendant is still
47 incapacitated and there is not a substantial probability of restoration
48 in the foreseeable future, it shall refer the matter to the civil
49 section of the supreme court in the county where the defendant's case is
50 pending, for a hearing pursuant to article nine or fifteen of the mental
51 hygiene law to determine if the defendant shall be hospitalized or
52 otherwise retained on an involuntary basis. [~~Such application must be~~
53 ~~made within sixty days prior to the expiration of such period on forms~~
54 ~~that have been jointly adopted by the judicial conference and the~~
55 ~~commissioner.~~] The superintendent must give written notice of the appli-
56 cation for such order to the defendant and to the mental hygiene legal

1 service. Upon receipt of such application, the court [~~may, on its own~~
2 ~~motion,~~] shall conduct a hearing [~~to determine the issue of capacity,~~
3 ~~and it must conduct such hearing if a demand therefor is made by the~~
4 ~~defendant or the mental hygiene legal service within ten days from the~~
5 ~~date that notice of the application was given them. If, at the conclu-~~
6 ~~sion of a hearing conducted pursuant to this subdivision, the court is~~
7 ~~satisfied that the defendant is no longer an incapacitated person, the~~
8 ~~criminal action against him must proceed. If it is satisfied that the~~
9 ~~defendant continues to be an incapacitated person, or if no demand for a~~
10 ~~hearing is made, the court must adjudicate him an incapacitated person~~
11 ~~and must issue an order of retention which shall authorize continued~~
12 ~~custody of the defendant by the commissioner for a period not to exceed~~
13 ~~one year]~~ pursuant to the provisions of article nine or fifteen of the
14 mental hygiene law and the court shall order that the defendant shall be
15 maintained in the custody of the commissioner but transferred to a
16 hospital or other appropriate institution to be involuntarily admitted
17 pursuant to article nine or fifteen of the mental hygiene law subject
18 to the retention provisions of section 9.33 or 15.31 of the mental
19 hygiene law except as specifically provided herein. Such order shall
20 not be deemed in any way to be the order of a criminal court.

21 3. [~~When~~] Before a defendant is [~~in~~] released from the custody of the
22 commissioner [~~immediately prior to the expiration of the period~~
23 ~~prescribed in the first order of retention, the procedure set forth in~~
24 ~~subdivision two shall govern the application for and the issuance of any~~
25 ~~subsequent order of retention, except that any subsequent orders of~~
26 ~~retention must be for periods not to exceed two years each; provided,~~
27 ~~however,~~] either pursuant to this section or pursuant to article nine or
28 fifteen of the mental hygiene law, the court shall hold a hearing to
29 determine whether or not the defendant continues to be an incapacitated
30 person. If, at the conclusion of a hearing conducted pursuant to this
31 subdivision, the court is satisfied that the defendant is no longer an
32 incapacitated person, the criminal action against him or her must
33 proceed except that the court shall have the discretion to dismiss the
34 case in the interests of justice. If, at the conclusion of a hearing
35 conducted pursuant to this subdivision, the court finds that the defend-
36 ant continues to be an incapacitated person then the court shall make an
37 order in accordance with section 9.33 or 15.31 of the mental hygiene
38 law. In any case that the aggregate of periods prescribed in the tempo-
39 rary order of commitment[~~, the first order of retention and all subse-~~
40 ~~quent orders of retention]~~ and any order of retention pursuant to this
41 article or article nine or fifteen of the mental hygiene law must not
42 exceed two-thirds of the authorized maximum term of imprisonment for the
43 highest class felony charged in the indictment [~~or for the highest class~~
44 ~~felony of which he was convicted)].~~

45 4. When a defendant is in the custody of the commissioner either at
46 the expiration of the authorized period prescribed in the last order of
47 retention or any order of retention issued pursuant to article nine or
48 fifteen of the mental hygiene law, the criminal action pending against
49 him or her in the superior court that issued such order shall terminate
50 for all purposes, and the commissioner must promptly certify to such
51 court and to the appropriate district attorney that the defendant was in
52 his or her custody on such expiration date. Upon receipt of such certif-
53 ication, the court must dismiss the indictment, and such dismissal
54 constitutes a bar to any further prosecution of the charge or charges
55 contained in such indictment.

~~[5. When, on the effective date of this subdivision, any defendant remains in the custody of the commissioner pursuant to an order issued under former code of criminal procedure section six hundred sixty two b, the superintendent or director of the institution where such defendant is confined shall, if he believes that the defendant continues to be an incapacitated person, apply forthwith to a court of record in the county where the institution is located for an order of retention. The procedures for obtaining any order pursuant to this subdivision shall be in accordance with the provisions of subdivisions two, three and four of this section, except that the period of retention pursuant to the first order obtained under this subdivision shall be for not more than one year and any subsequent orders of retention must be for periods not to exceed two years each; provided, however, that the aggregate of the time spent in the custody of the commissioner pursuant to any order issued in accordance with the provisions of former code of criminal procedure section six hundred sixty two b and the periods prescribed by the first order obtained under this subdivision and all subsequent orders of retention must not exceed two thirds of the authorized maximum term of imprisonment for the highest class felony charged in the indictment or the highest class felony of which he was convicted.]~~

§ 8. Section 730.60 of the criminal procedure law, subdivisions 1 and 3 as amended by chapter 231 of the laws of 2008, subdivision 2 as amended by chapter 57 of the laws of 1984, subdivisions 4 and 5 as renumbered by chapter 629 of the laws of 1974, subdivision 6 as added by chapter 549 of the laws of 1980, paragraphs (a) and (b) of subdivision 6 as amended by chapter 7 of the laws of 2013, is amended to read as follows:

§ 730.60 Fitness to proceed; procedure following custody by commissioner.

1. When a local criminal court issues a [~~final or~~] temporary order of observation or an order of commitment, it must forward such order and a copy of the examination reports and the accusatory instrument to the commissioner~~[, and, if available, a copy of the pre sentence report]~~. Upon receipt thereof, the commissioner must designate an appropriate institution operated by the department of mental hygiene in which the defendant is to be placed~~[, provided, however, that the commissioner may designate an appropriate hospital for placement of a defendant for whom a final order of observation has been issued, where such hospital is licensed by the office of mental health and has agreed to accept, upon referral by the commissioner, defendants subject to final orders of observation issued under this subdivision]~~. The sheriff ~~[must hold the defendant in custody pending such designation by the commissioner, and]~~ when notified of the designation, ~~[the sheriff]~~ must deliver the defendant to the superintendent of such institution. The superintendent must promptly inform the appropriate director of the mental hygiene legal service of the defendant's admission to such institution. If a defendant escapes from the custody of the commissioner, the escape shall interrupt the period prescribed in any order of observation, commitment or retention, and such interruption shall continue until the defendant is returned to the custody of the commissioner.

2. Except as otherwise provided in subdivisions four and five of this section, when a defendant is in the custody of the commissioner pursuant to a temporary order of observation or an order of commitment or an order of retention, the criminal action pending against the defendant in the court that issued such order is suspended ~~[until]~~ pending further order of the court. If the superintendent of the institution in which

1 the defendant is confined determines that he or she is no longer an
2 incapacitated person[~~,- In that event~~], the court that issued such order
3 and the appropriate district attorney must be notified, in writing, by
4 the superintendent of his or her determination. The court must thereupon
5 proceed in accordance with the provisions of subdivision two of section
6 730.30 of this [~~chapter~~] article; provided, however, if the court is
7 satisfied that the defendant remains an incapacitated person, and upon
8 consent of all parties, the court may order the return of the defendant
9 to the institution in which he or she had been confined for such period
10 of time as was authorized by the prior order of commitment or order of
11 retention. Upon such return, the defendant shall have all rights and
12 privileges accorded by the provisions of this article.

13 3. When a defendant is in the custody of the commissioner pursuant to
14 an order issued in accordance with this article, the commissioner may
15 transfer him or her to any appropriate institution operated by the
16 department of mental hygiene, provided, however, that the commissioner
17 may designate an appropriate hospital for placement of a defendant for
18 whom a final order of observation has been issued, where such hospital
19 is licensed by the office of mental health and has agreed to accept,
20 upon referral by the commissioner, defendants subject to final orders of
21 observation issued under this section. The commissioner may discharge a
22 defendant in his or her custody under a final order of observation at
23 any time prior to the expiration date of such order, or otherwise treat
24 or transfer such defendant in the same manner as if he or she were a
25 patient not in confinement under a criminal court order.

26 4. When a defendant is in the custody of the commissioner pursuant to
27 an order of commitment or an order of retention, he or she may make any
28 motion authorized by this chapter which is susceptible of fair determi-
29 nation without his or her personal participation. If the court denies
30 any such motion it must be without prejudice to a renewal thereof after
31 the criminal action against the defendant has been ordered to proceed.
32 If the court enters an order dismissing the indictment and does not
33 direct that the charge or charges be resubmitted to a grand jury, the
34 court must direct that such order of dismissal be served upon the
35 commissioner.

36 5. When a defendant is in the custody of the commissioner pursuant to
37 an order of commitment or an order of retention, the superior court that
38 issued such order may, upon motion of the defendant, and with the
39 consent of the district attorney, dismiss the indictment when the court
40 is satisfied that (a) the defendant is a resident or citizen of another
41 state or country and that he or she will be removed thereto upon
42 dismissal of the indictment, or (b) the defendant has been continuously
43 confined in the custody of the commissioner, either pursuant to this
44 article or pursuant to article nine or fifteen of the mental hygiene
45 law, for a period of more than two years. Before granting a motion
46 under this subdivision, the court must be further satisfied that
47 dismissal of the indictment is consistent with the ends of justice and
48 that custody of the defendant by the commissioner pursuant to an order
49 of commitment or an order of retention is not necessary for the
50 protection of the public and that care and treatment can be effectively
51 administered to the defendant without the necessity of such order. If
52 the court enters an order of dismissal under this subdivision, it must
53 set forth in the record the reasons for such action, and must direct
54 that such order of dismissal be served upon the commissioner. The
55 dismissal of an indictment pursuant to this subdivision constitutes a

1 bar to any further prosecution of the charge or charges contained in
2 such indictment.

3 ~~[6. (a) Notwithstanding any other provision of law, no person commit-~~
4 ~~ted to the custody of the commissioner pursuant to this article, or~~
5 ~~continuously thereafter retained in such custody, shall be discharged,~~
6 ~~released on condition or placed in any less secure facility or on any~~
7 ~~less restrictive status, including, but not limited to vacations,~~
