§ 216.05 Judicial diversion program; court procedures.

1. At any time after the local criminal court arraignment of an eligible defendant, but prior to the entry of a plea of guilty or the commencement of trial, the court at the request of the eligible defendant, ~~[may]~~ shall order ~~[an alcohol and substance use]~~ a clinical evaluation for all known functional impairments. Such evaluations shall take place without undue delay.

(a) The possibility of being evaluated shall not be contingent on a waiver of any other sections of this chapter except subdivision one of section 30.30 of this chapter.

(b) An eligible defendant may decline to ~~[participate in]~~ undergo such an evaluation at any time.

(c) The defendant shall provide a written authorization, in compliance with the requirements of any applicable state or federal laws, rules or regulations authorizing disclosure of the results of the assessment to the defendant's attorney, the prosecutor, the local probation department, the court, authorized court personnel and other individuals specified in such authorization for the sole purpose of determining whether the defendant should be offered judicial diversion for treatment for ~~[substance use, alcohol use and any co-occurring mental disorder or mental illness]~~ a functional impairment.

(d) No statement or other disclosure, written or otherwise, made by a defendant to a professional completing the clinical evaluation may be used by the prosecution to prove any crime or offense alleged in the pending case. All such statements shall be used only for the purposes of making recommendations as defined in subdivision two of this section and shall otherwise remain confidential.

2. Upon receipt of the completed ~~[alcohol and substance use]~~ clinical evaluation report, the court shall provide a copy of the report to the eligible defendant and the ~~[prosecutor]~~ defendant's counsel.

3. (a) Upon ~~[receipt]~~ review of the evaluation report ~~[either party]~~
the defendant may request a hearing on the issue of whether the ~~[eligible]~~
defendant is an eligible defendant and should be offered ~~[alcohol or substance use]~~
treatment pursuant to this article. At the time that the defendant requests a hearing, the defendant shall turn over a complete copy of the evaluation report to the prosecutor and the court.
At such a proceeding, which shall be held as soon as practicable so as
to facilitate early intervention in the event that the ~~[defendant]~~
participant is found to need ~~[alcohol or substance use]~~ treatment, the
court may consider oral and written arguments, ~~[may]~~ take testimony from
witnesses offered by either party, and ~~[may]~~ consider any relevant
evidence ~~[including, but not limited to, evidence that:~~

~~(i) the defendant had within the preceding ten years (excluding any time during which the offender was incarcerated for any reason between the time of the acts that led to the youthful offender adjudication and the time of commission of the present offense) been adjudicated a youthful offender for: (A) a violent felony offense as defined in section 70.02 of the penal law, or (B) any offense for which a merit time allowance is not available pursuant to subparagraph (ii) of paragraph (d) of subdivision one of section eight hundred three of the correction law, and~~

(b) Upon completion of such a proceeding, the court shall consider and make findings of fact with respect to whether:

(i) the defendant is an eligible defendant as defined in subdivision one of section 216.00 of this article;

(ii) ~~[the defendant has a history of alcohol or substance use,~~

~~(iii) such alcohol or substance use]~~ the defendant's functional impairment is likely a contributing factor to [the defendant's criminal behavior] their current or future involvement in the criminal legal system;

~~[(iv)] [(iii)]~~ the defendant's participation in judicial diversion could effectively address such ~~[use]~~ functional impairment; and

~~[(v) institutional confinement of the defendant is or may not be necessary for the protection of the public]~~ (iv) the defendant's access to treatment through this article would benefit the public and the defendant.

(c) Where there has been a finding in the clinical evaluation that the defendant has a mental disorder, as defined in the most recent edition of the diagnostic and statistical manual of mental disorders, or a clinical diagnosis of another serious functional impairment there shall be a presumption that the defendant is an eligible defendant.

4. (a) When an authorized court determines, pursuant to paragraph (b) of subdivision three of this section, that an eligible defendant should be offered ~~[alcohol or substance use]~~ treatment, or when the parties and the court agree to ~~[an eligible defendant's participation in alcohol or substance use]~~ treatment, an eligible defendant ~~[may]~~ shall be allowed to participate in the judicial diversion program offered by this article. ~~[Prior to the court's issuing an order granting judicial diversion, the eligible defendant shall be required to enter a plea of guilty to the charge or charges, provided, however, that no such guilty plea shall be required when]~~

~~(a) the people and the court consent to the entry of such an order without a plea of guilty; or~~
~~(b) based on a finding of exceptional circumstances, the court determines that a plea of guilty shall not be required. For purposes of this subdivision, exceptional circumstances exist when, regardless of the ultimate disposition of the case, the entry of a plea of guilty is likely to result in severe collateral consequences.]~~

(b) Eligible defendants shall not be required to submit a plea of guilty to participate in judicial diversion.

(c) Prior participation in treatment or court-mandated treatment shall not preclude future treatment participation.

(d) Eligible defendants shall not be precluded from diversion because of a lack of resources in the community.

(e) An eligible defendant shall not be precluded from diversion because of their gender identity.

(f) There shall be a presumption that participants shall be afforded the opportunity to remain at liberty while awaiting clinical evaluation or treatment placement.

5. The [~~defendant~~] participant shall agree on the record or in writing to abide by the [~~release~~] judicial diversion program conditions set by the court, which[~~,~~] shall include[+] participation in a specified period of [~~alcohol or substance use~~] treatment at a specified program or programs [~~identified by the court, which may include periods of detoxification,~~]. In setting the program conditions, the court shall consider the participant's assessment and treatment plan, as agreed upon by the participant and treatment provider, in addition to the clinical evaluation. The court shall not consider the nature of a participant's charges. Judicial diversion program conditions may include:

(a) limited or intensive outpatient treatment in which the participant, regardless of whether they have permanent housing or not, may reside in the community;

(b) limited periods of detoxification or inpatient rehabilitation for participants with substance use disorders, except that detoxification shall not be used as a sanction and detoxification shall only be required as preparation for a treatment admission or medication induction;

(c) residential [~~or outpatient~~] treatment[~~, or both~~]. If ordering residential treatment, placement shall be in the most integrated setting appropriate for the participant's needs to avoid discrimination on the basis of disability, in accordance with federal law, as determined after taking into account the views of the health care professional who conducted the mental health assessment or alcohol and substance use evaluation and any health care professionals responsible for providing such treatment or monitoring the defendant's progress in such treatment; [~~and may include: (i)~~]

(d) periodic court appearances, which may [~~include periodic urinalysis, (ii)~~] be an electronic appearance pursuant to section 182.20 of this part upon consent of the participant. The court shall consider the participant's service engagement and treatment needs when scheduling periodic court appearances and shall attempt to minimize treatment disruption;

(e) periodic drug screening as needed, when recommended by the treatment provider as part of a participant's treatment plan. Drug screening methods shall only include oral swabs, sweat patches, or non-observed urinalysis;

(f) other treatment as recommended by the treatment provider; and

(g) a requirement that the [~~defendant~~] participant refrain from engaging in criminal behaviors[~~, (iii) if the defendant needs treatment for opioid use, that he or she~~].

5-a. The court shall not require a participant to consent to share, or authorize the treatment provider to share, protected health information in accordance with the Health Insurance Portability and Accountability Act Privacy Rule (45 CFR Parts 160 and 164), with the court. Exceptions include:

(a) record of attendance and relevant barriers to attendance;

(b) treatment plan and any recommended changes to the plan during participation in judicial diversion; and

(c) drug toxicology results, when part of the treatment plan.

5-b. If the participant has a condition requiring prescription medication, or has another condition requiring prescription medication, they may participate in and receive medically prescribed drug treatments under the care of a health care professional licensed or certified under title eight of the education law, acting within his or her lawful scope of practice[~~, provided that no~~].

(a) No court shall require the use of any specified type or brand of drug during the course of medically prescribed [~~drug~~] treatments.

(b) No court shall penalize or sanction a participant for periods of voluntary hospitalization, respite care, or other forms of supportive care.

5-c. Treatment providers shall collaborate with the participant and clinical court staff to create a discharge plan prior to completion of diversion to incorporate peer support, housing and employment support, and how to access other community-based health services. If a participant finishes their inpatient or outpatient treatment course, they shall be considered to have successfully completed their obligation to the court, regardless of their ability to secure permanent housing, employment, or other personal goals identified by the participant.

6. Upon [~~an eligible defendant's~~] a participant's agreement to abide by the conditions set by the court, the court shall issue a securing order providing for bail or release on the [~~defendant's~~] participant's own recognizance and conditioning any release upon the agreed upon conditions pursuant to article five hundred ten of this chapter. The period of [~~alcohol or substance use~~] treatment shall begin as specified by the court and as soon as practicable after the [~~defendant's~~] participant's release, taking into account the availability of treatment, so as to facilitate early intervention with respect to the [~~defendant's substance use or condition~~] participant's functional impairment and the effectiveness of the treatment program. In the event that a treatment program is not immediately available or becomes unavailable during the course of the [~~defendant's participation~~] participant's involvement in the judicial diversion program, the court may release the [~~defendant~~] participant pursuant to the securing order.

7. When participating in judicial diversion treatment pursuant to this article, any resident of this state who is covered under a private health insurance policy or contract issued for delivery in this state pursuant to article thirty-two, forty-three or forty-seven of the insurance law or article forty-four of the public health law, or who is covered by a self-funded plan which provides coverage for the diagnosis and treatment of [~~chemical abuse and chemical dependence~~] functional impairment however defined in such policy; shall first seek reimbursement for such treatment in accordance with the provisions of such policy or contract. The court in its discretion may order the participant to

1 obtain public insurance such as Medicaid or Medicare if they so qualify.
2 However, the participant shall not be required to pay for any part of
3 the cost of treatment required by the court that is not covered by
4 private or public health insurance.

5 8. (a) During the period of a [~~defendant's participation~~] partic-
6 ipant's involvement in the judicial diversion program, the treatment
7 court shall retain jurisdiction of the [~~defendant~~] participant,
8 provided, however, that the court [~~may~~] shall allow such [~~defendant~~]
9 participant to (i) reside in another jurisdiction, [~~or~~] and/or (ii)
10 participate in [~~alcohol and substance use~~] treatment and other programs
11 in the jurisdiction where the defendant resides or in any other juris-
12 diction, while participating in a judicial diversion program under
13 conditions set by the court and agreed to by the defendant pursuant to
14 subdivisions five and six of this section. The court may transfer the
15 participant's case to the judicial diversion court in the county in
16 which the participant resides pursuant to subdivision five of section
17 170.15 of this part, subdivision four of section 180.20 of this part, or
18 section 230.21 of this part to ensure continuity of treatment.

19 (b) The court may require the [~~defendant~~] participant to appear in
20 court or remotely at any time to enable the court to monitor the
21 [~~defendant's~~] progress in [~~alcohol or substance use~~] treatment. The
22 court shall provide notice, reasonable under the circumstances, to the
23 people, the treatment provider, the [~~defendant~~] participant and the
24 [~~defendant's~~] participant's counsel whenever it orders or otherwise
25 requires the appearance of the [~~defendant~~] participant in court. Failure
26 to appear as required without reasonable cause therefor shall constitute
27 a violation of the conditions of the court's agreement with the [~~defend-~~
28 ant] participant.

29 9. (a) If at any time during the [~~defendant's participation~~] partic-
30 ipant's engagement in the judicial diversion program, the court has
31 reasonable grounds to believe that the [~~defendant~~] participant has
32 violated a [~~release~~] program condition in an important respect or has
33 willfully failed to appear before the court as requested, the court
34 except as provided in subdivision two of section 510.50 of this chapter
35 regarding a failure to appear, shall direct the [~~defendant~~] participant
36 to appear [~~or issue a bench warrant to a police officer or an appropri-~~
37 ~~ate peace officer directing him or her to take the defendant into custo-~~
38 ~~dy and bring the defendant before the court without unnecessary delay,~~
39 ~~provided, however, that under no circumstances shall a defendant who~~
40 ~~requires treatment for opioid use be deemed to have violated a release~~
41 ~~condition on the basis of his or her participation in medically~~
42 ~~prescribed drug treatments under the care of a health care professional~~
43 ~~licensed or certified under title eight of the education law, acting~~
44 ~~within his or her lawful scope of practice]~~ for a hearing on the
45 violation pursuant to paragraph (b) of this subdivision with at least
46 forty-eight hours notice to the participant or the participant's coun-
47 sel, unless notice is waived by the participant. The court may not
48 modify the participant's securing order until such time as the hearing's
49 conclusion. The relevant provisions of section 530.60 of this chapter
50 relating to issuance of securing orders shall apply to such proceedings
51 under this subdivision. There is a presumption that a bench warrant
52 shall not be issued for participants in judicial diversion.

53 (b) In determining whether a [~~defendant~~] participant violated a condi-
54 tion of [~~his or her release under~~] the judicial diversion program or
55 willfully failed to appear in court, the court [~~may~~] shall conduct a
56 [~~summary~~] hearing consistent with due process [~~and sufficient~~] to satis-

fy the court that the [~~defendant~~] participant has, in fact, violated the condition or willfully failed to appear.

(i) The court shall provide reasonable notice to the participant and the participant's counsel, but in no circumstance less than forty-eight hours notice, unless notice is waived by the participant.

(ii) The people shall bear the burden of proving by clear and convincing evidence that the participant has violated a condition of the judicial diversion program in an important respect. The participant may cross-examine witnesses and may present relevant, admissible evidence on their own behalf. The court shall consider all factors relating to the participant's current mental health or cognitive status, their engagement with judicial diversion prior to this time, as well as any other factors that may have impacted their participation or alleged violation.

(iii) A bench warrant shall not be issued absent a finding by the court that the alleged violation or failure to appear was willful. In determining willfulness, the court shall consider: the nexus between the participant's violation or failure to appear and their functional impairment; whether an appropriate treatment plan is currently in place; the participant's history of making court appearances in the instant matter; and a history of positive engagement with treatment staff or the court.

(iv) Under no circumstances shall a participant who requires treatment for a functional impairment be deemed to have violated a program condition on the participation in medically prescribed drug treatments under the care of a health care professional licensed or certified under title eight of the education law, acting within his or her lawful scope of practice.

(v) If the court finds a reasonable explanation or mitigation for any alleged violation or alleged willful failure to appear, the securing order shall not be modified.

(vi) The court may seal portions of the proceeding related to collateral consequences at the request of the participant and participant's counsel.

(c) If the court determines by clear and convincing evidence that the [~~defendant~~] participant has violated a condition of his or her release under the judicial diversion program, the court may permit the participant to continue their treatment mandate as previously ordered; modify the [~~conditions thereof, reconsider the order of recognizance or bail pursuant to subdivision two of section 510.30 of this chapter,~~] treatment plan per the recommendation of the treatment provider; hold treatment in abeyance until the underlying matter that caused the violation is resolved; or terminate the [~~defendant's~~] participant's participation in the judicial diversion program[, ~~and when applicable proceed with the defendant's sentencing in accordance with the agreement. Notwithstanding any provision of law to the contrary, the court may impose any sentence authorized for the crime of conviction in accordance with the plea agreement, or any lesser sentence authorized to be imposed on a felony drug offender pursuant to paragraph (b) or (c) of subdivision two of section 70.70 of the penal law taking into account~~] if no other treatment option is available. The court shall consider:

(i) the length of time the [~~defendant~~] participant spent in residential treatment and how best to continue treatment [~~while the defendant is serving that sentence. In determining what action to take for a violation of a release condition, the court shall consider~~];

(ii) all relevant circumstances, including the views of the prosecutor, the defense and the [~~alcohol or substance use~~] participant's inter-

est in continuing treatment [~~provider, and the extent to which persons who ultimately successfully complete a drug treatment regimen sometimes~~]
or the program; and

(iii) the role of relapse [~~by not abstaining from alcohol or substance use or by failing to comply fully with all requirements imposed by a treatment program~~] in recovery and treatment.

(d) The court shall [~~also consider using~~] use a system of graduated and appropriate responses [~~or sanctions~~] designed to address such inappropriate behaviors[, ~~protect public safety~~] and facilitate, where possible, successful completion of the [~~alcohol or substance use~~] treatment program.

~~[(d)]~~ (e) Nothing in this subdivision shall be construed [~~as preventing a court from terminating a defendant's participation in the judicial diversion program for violating a release condition when such a termination is necessary to preserve public safety. Nor shall anything in this subdivision be construed~~] as precluding the prosecution of a [~~defendant~~] participant for the commission of a different offense while participating in the judicial diversion program. Prior to such termination, the participant shall be entitled to a hearing at which clear and convincing evidence shall be offered to support that there exists a substantial risk to an identifiable person. In the absence of such a hearing and such a finding, there can be no termination.

~~[(e)]~~ (f) A [~~defendant~~] participant may at any time advise the court that [~~he or she wishes~~] they wish to terminate participation in the judicial diversion program, at which time the court shall [~~proceed with the case and, where applicable, shall impose sentence in accordance with the plea agreement. Notwithstanding any provision of law to the contrary, the court may impose any sentence authorized for the crime of conviction in accordance with the plea agreement, or any lesser sentence authorized to be imposed on a felony drug offender pursuant to paragraph (b) or (c) of subdivision two of section 70.70 of the penal law taking into account the length of time the defendant spent in residential treatment and how best to continue treatment while the defendant is serving that sentence~~] transfer the case back to the appropriate trial part.

10. Upon the court's determination that the [~~defendant~~] participant has successfully completed the required period of [~~alcohol or substance use~~] treatment and has otherwise satisfied the conditions required for successful completion of the judicial diversion program, the court shall [~~comply with the terms and conditions it set for final disposition when it accepted the defendant's agreement to participate in the judicial diversion program. Such disposition may include, but is not limited to: (a) requiring the defendant to undergo a period of interim probation supervision and, upon the defendant's successful completion of the interim probation supervision term, notwithstanding the provision of any other law, permitting the defendant to withdraw his or her guilty plea and dismissing the indictment; or (b) requiring the defendant to undergo a period of interim probation supervision and, upon successful completion of the interim probation supervision term, notwithstanding the provision of any other law, permitting the defendant to withdraw his or her guilty plea, enter a guilty plea to a misdemeanor offense and sentencing the defendant as promised in the plea agreement, which may include a period of probation supervision pursuant to section 65.00 of the penal law; or (c) allowing the defendant to withdraw his or her guilty plea and dismissing~~] dismiss the indictment or superior court information, felony complaint, misdemeanor complaint, information,

simplified information, or prosecutor's information and seal the case pursuant to section 160.50 of this chapter.

11. Nothing in this article shall be construed as restricting or prohibiting courts or district attorneys from using other lawful procedures or models for placing appropriate persons into [~~alcohol or substance use~~] treatment.

§ 7. The criminal procedure law is amended by adding a new section 216.10 to read as follows:

§ 216.10 Diversion part established.

(d) the crimes with which each participant was charged;

(e) whether the treatment obtained was for substance use, mental health, co-occurring or other;
