

STATE OF NEW YORK

IN ASSEMBLY

January 10, 2022

Introduced by M. of A. CUSICK -- read once and referred to the Committee on Ways and Means

AN ACT to amend the tax law, in relation to providing an exemption from the payments of the petroleum business tax on the operation of commercial tugboats, barges and other commercial towboats

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Legislative findings and declarations. The legislature
2 hereby finds that commercial tugboat, barge and other commercial towboat
3 operators are subject to the petroleum business tax when their vessels
4 are used in commercial tugboat, barge and other commercial towboat oper-
5 ations. The legislature further finds that such commercial tugboat,
6 barge and other commercial towboat operators endure an administrative
7 and unexpected financial burden as a result of such law that is not
8 warranted by the minimal amounts to be collected from the commercial
9 tugboat, barge and other commercial towboat operators under such law, as
10 determined by the state of New York.

11 The legislature, therefore, declares that it is in the best interest
12 of the commercial tugboat, barge and other commercial towboat industry
13 of the state of New York to exempt the commercial tugboat, barge and
14 other commercial towboat industry from this tax.

15 § 2. Paragraph 2 of subdivision (b) of section 301-a of the tax law,
16 as added by section 154 of part A of chapter 389 of the laws of 1997, is
17 amended to read as follows:

18 (2) Motor fuel brought into this state in the fuel tank connecting
19 with the engine of a vessel propelled by the use of such motor fuel
20 shall be deemed to constitute a taxable use of motor fuel for the
21 purposes of this subdivision to the extent that the fuel is consumed in
22 the operation of the vessel in this state. Provided, however, that this
23 paragraph shall not apply to (i) a recreational motor boat or (ii)
24 subsequent to August thirty-first, nineteen hundred ninety-four, a
25 commercial fishing vessel (as defined in subdivision (j) of section
26 three hundred of this article) if the motor fuel imported and consumed
27 in this state is used to operate such vessel while it is engaged in the

3 towboat operator if the motor fuel imported and consumed in this state
4 is used to operate vessels of such operators while such operator is

15 § 3. Subparagraph (B) of paragraph 1 of subdivision (c) of section

23 however, this paragraph shall not apply to (i) a recreational motor boat

25 section three hundred of this article) if the highway diesel motor fuel
26 imported into and consumed in this state is used to operate such commer-
27 cial fishing vessel while it is engaged in the harvesting of fish for
28 sale or (iii) subsequent to August thirty-first, two thousand twenty-
29 two, a commercial tugboat, barge or other commercial towboat operator if
30 the highway diesel motor fuel imported and consumed in this state is
31 used to operate vessels of such operator while such operator is engaged
32 in commercial tugboat, barge or other commercial towboat operations in
33 this state. Provided, further, that tax liability for gallonage that a
34 vessel consumes in this state shall be the tax liability with respect to
35 the positive difference between the gallonage consumed in this state
36 during the reporting period and the gallonage purchased in this state
37 (upon which the tax imposed by this section has been paid) during such
38 period. A credit or refund shall be available for any excess of tax
39 liability for gallonage purchased in this state during the period over
40 tax liability on gallonage so consumed in this state during such period,
41 which excess shall be presumed to have been used outside this state.

42 § 4. Section 301-b of the tax law is amended by adding a new subdivi-
43 sion (j) to read as follows:

44 (j) Exemption for commercial tugboat, barge, or other commercial
45 towboat operators. A use by a commercial tugboat, barge, or other
46 commercial towboat operator of non-highway diesel motor fuel or residual
47 petroleum product where such non-highway diesel motor fuel or residual
48 petroleum product was used and consumed by a commercial tugboat, barge,
49 or other commercial towboat operator in commercial tugboat, barge, or
50 other commercial towboat operations in the state.

51 § 5. This act shall take effect August 31, 2022.
