STATE OF NEW YORK

8764

IN ASSEMBLY

January 11, 2022

Introduced by M. of A. L. ROSENTHAL -- read once and referred to the Committee on Economic Development

AN ACT to amend a chapter of the laws of 2021 directing the urban development corporation to conduct a study regarding the assistance needed to encourage women and minorities to pursue technology careers in science, technology, engineering and mathematics (STEM), as proposed in legislative bills numbers S. 531-B and A. 530-B, in relation to the frequency of updates to the report on such study

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Section 2 of a chapter of the laws of 2021 directing the urban development corporation to conduct a study regarding the assistance needed to encourage women and minorities to pursue technology careers in science, technology, engineering and mathematics (STEM), as proposed in legislative bills numbers S. 531-B and A. 530-B, is amended to read as follows:

§ 2. The urban development corporation, in consultation with the department of education and the department of labor shall submit a report which shall include the findings and conclusions of such study, including recommendations, to the governor, the temporary president of the senate, and the speaker of the assembly no later than December 31, 2022. On or before December 31, 2023 and [~~annually~~] **every two years** thereafter, the urban development corporation shall update such report to include the data required by section one of this act for the preceding year.

§ 2. This act shall take effect on the same date and in the same manner as a chapter of the laws of 2021 directing the urban development corporation to conduct a study regarding the assistance needed to encourage women and minorities to pursue technology careers in science, technology, engineering and mathematics (STEM), as proposed in legislative bills numbers S. 531-B and A. 530-B, takes effect.

EXPLANATION--Matter in *italics* (underscored) is new; matter in brackets [-] is old law to be omitted.
