### CONCURRENT RESOLUTION OF THE SENATE AND ASSEMBLY

proposing an amendment to section 1 of article 15 of the constitution, in relation to the disposition of barge canal lands, barge canal terminals or barge canal terminal lands

1 Section 1. Resolved (if the Senate concur), That section 1 of article  
2 15 of the constitution be amended to read as follows:  
3 Section 1. The legislature shall not sell, abandon or otherwise  
4 dispose of the now existing or future improved barge canal, the divi-  
5 sions of which are the Erie canal, the Oswego canal, the Champlain  
6 canal, and the Cayuga and Seneca canals, or of the terminals constructed  
7 as part of the barge canal system; nor shall it sell, abandon or other-  
8 wise dispose of any portion of the canal system existing prior to the  
9 barge canal improvement which portion forms a part of, or functions as a  
10 part of, the present barge canal system; but such canals and terminals  
11 shall remain the property of the state and under its management and  
12 control forever. Legislative approval shall be obtained for any change  
13 in the state agency or agency subdivision which has management and  
14 control, including but not limited to management and control over its  
15 maintenance and oversight, of any portion of the barge canal. This  
16 prohibition shall not prevent the legislature, by appropriate laws, from  
17 authorizing the granting of revocable permits or leases for periods of  
18 time as authorized by the legislature for the occupancy or use of such  
19 lands or structures.  
20 § 2. Resolved (if the Senate concur), That the foregoing amendment be  
21 referred to the first regular legislative session convening after the  
22 next succeeding general election of members of the assembly, and, in  
23 conformity with section 1 of article 19 of the constitution, be  
24 published for 3 months previous to the time of such election.
