IN ASSEMBLY

January 12, 2022

Introduced by M. of A. JACOBSON -- read once and referred to the Committee on Corporations, Authorities and Commissions

AN ACT to amend the public service law, in relation to permitting the rendering of an estimated bill from a utility corporation or municipality under certain circumstances

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Subdivision 1 of section 39 of the public service law, as
2 amended by chapter 686 of the laws of 2002, is amended and a new subdi-
3 vision 1-a is added to read as follows:

4 1. A utility corporation or municipality may, in accordance with such
5 requirements as the commission may impose by regulation, render an esti-
6 mated bill for any billing period if: (a) the procedure used by such
7 utility or municipality for calculating estimated bills has been
8 approved by the commission, and the bill clearly indicates that it is
9 based on an estimated reading and (b) the utility owning the meter and
10 providing the meter reading data on which the estimated bill will be
11 based or the municipality has made reasonable effort to obtain an actual
12 meter reading or (c) circumstances beyond the control of the utility or
13 municipality made an actual reading of the meter extremely difficult or
14 (d) circumstances indicate a reported reading is likely to be erroneous,
15 or (e) an estimated reading is prescribed or authorized by the commis-
16 sion for a billing period between periods when actual meter readings are
17 scheduled or for seasonal or short term customers, or (f) the aforemen-
18 tioned commission approved estimation procedure can only be used for
19 three billing cycles in a calendar year.

20 1-a. The commission shall review all procedures used by utility corpo-
21 rations and municipalities in this state to calculate estimated bills,
22 and shall create and distribute to such utility corporations and munici-
23 palities a model procedure for the calculation of such estimated bills.
24 Upon receipt of such model procedure for the calculation of estimated
25 bills, a utility corporation or municipality shall use such model proce-
26 cedure for the calculation of all estimated bills estimated on and after
27 such receipt. On or before November first, two thousand twenty-two, the
