21 for reimbursement for a particular state  
22 fiscal year for which the social services

28 The office of children and family services,

30 budget, may reduce a district's block

6 er, if the office determines that any  
7 federal disallowance for services provided  
8 between January 1, 1999 and May 31, 1999  
9 results solely from the late enactment of  
10 the state legislation implementing the  
11 federal adoption and safe families act,  
12 the state shall be solely responsible for  
13 the full amount of the disallowance or  
14 sanction; provided, further, however, this  
15 provision shall be deemed to apply both  
16 prospectively and retroactively regardless  
17 of whether such sanctions or disallowances  
18 are for services provided or claims made  
19 prior to or after April 1, 2022.

20 Notwithstanding any other provision of law,  
21 any federal disallowance resulting from a  
22 federal title IV-E eligibility review or  
23 audit that uses extrapolated statistic  
24 techniques shall be passed along by the  
25 state to any and all social services  
26 districts that the office of children and  
27 family services has determined have not  
28 complied with the title IV-E eligibility  
29 requirements or have not taken the neces-

31 such requirements including, but not  
32 limited to, failing to: assess and fully  
33 document all the criteria and have readily  
34 available all the necessary documents to  
35 establish and continue title IV-E eligi-  
36 bility for all title IV-E eligible chil-  
37 dren within the required time frames;  
38 claim title IV-E funding only for cases

44 Notwithstanding any law to the contrary, the  
45 office of children and family services

47 any federal disallowance issued against  
48 the state as a result of a federal title  
49 IV-E secondary eligibility review regard-

bility or payment errors occurred, or the filing date of any federal claims for reimbursement; provided, however, that the state shall be responsible for the disallowed costs and expenditures related to the placement of children in a facility operated by the office of children and family services, which shall be determined in the same manner as the disallowed costs and expenditures for social services districts other than the city of New York. In order to reimburse the federal government for the full amount of any disallowance imposed on the state by the federal administration for children and families within the timeframes necessary to avoid any potential interest payments on such amount, the office of children and family services is authorized to immediately offset funds otherwise due to each district for a pro rata share of the total disallowed costs based on the percentage of applicable federal title IV-E claims made by that district for the relevant time period as compared to the total applicable statewide title IV-E claims. The amount of the offset against each district will be adjusted, if necessary, upon completion of the disallowance allocation process. The final allocation of the amount of any federal disallowance resulting from a title IV-E secondary eligibility review shall be allocated among the districts so that each district shall be responsible for the amount attributable to each of the district's children or cases that are determined by the federal review to be unallowable. Each district shall also be responsible for a portion of the federal extrapolated disallowance amount based on the relative error rate for the district. The city of New York's error rate will be based on the federal sample and federal statistics. For all social services districts other than the city of New York, the error rate will be based on a review conducted by the district of a sample of children and/or cases determined by the office of children and family services and a re-review of a sub-sample by the office of those children

1 and/or cases determined by the office. The  
2 office of children and family services  
3 will determine what is reasonable in  
4 establishing the size of the sample and  
5 sub-sample for each district. The office  
6 of children and family services shall  
7 notify each social services district of  
8 the sample of children and/or cases from  
9 the federal audit period that the social  
10 services district must review. Any child  
11 or case from the social services district  
12 that was included in the federal sample  
13 will automatically be included in the  
14 social services district's review sample  
15 and the determination made at the federal  
16 review regarding that child or case will  
17 govern for the purposes of the social  
18 services district's review. The social  
19 services district must complete and submit  
20 the results of its review to the office of  
21 children and family services within 60  
22 days of receipt of the sample. The error  
23 rate for the district will be based on the  
24 findings of the district's review and the  
25 office of children and family services'  
26 re-review. If a social services district  
27 does not complete its review within 60  
28 days of receiving the sample from the  
29 office of children and family services,  
30 the office of children and family services  
31 shall assign an error rate to the social  
32 services district based on the relative  
33 percentage of the district's applicable  
34 title IV-E claims for the relevant period  
35 as compared to applicable statewide title  
36 IV-E claims for that period and other  
37 circumstances that the office of children  
38 and family services may consider in order  
39 to allocate 100 percent of the federal  
40 disallowance. The office of children and  
41 family services shall apply each social  
42 services district's error rate to the  
43 total amount of the district's applicable  
44 title IV-E claims including associated  
45 administrative expenses. The resulting  
46 dollar amounts for all of the social  
47 services districts will be summed to  
48 derive the total amount of title IV-E  
49 claims deemed to be in error statewide. To  
50 establish a disallowance percentage for  
51 each social services district, the amount

1 of the district's title IV-E claims deemed  
2 to be in error will be divided by the  
3 amount of statewide title IV-E claims  
4 deemed to be in error. The resulting  
5 disallowance percentage for each district  
6 will be applied to the entire title IV-E  
7 extrapolated disallowance calculated by  
8 the federal review to determine the amount  
9 of the extrapolated disallowance for which  
10 the district is responsible. Each district  
11 will be credited for the amount already  
12 disallowed for any individual children or  
13 cases found to be in error during the  
14 federal review. The exclusive appeal  
15 rights for the review of the amount of the  
16 federal disallowance assigned to each  
17 social services district shall be pursuant  
18 to article 78 of the civil practice law  
19 and rules; provided, however, that in any  
20 such action all of the social services  
21 districts shall be joined as necessary  
22 parties and the venue of any such action  
23 shall be in Rensselaer county. Any social  
24 services district that fails to complete  
25 its sample review in the required time  
26 frames shall have no right to appeal and  
27 shall not be a necessary party to any  
28 action brought by another social services  
29 district.

vision of foster children placed in federally funded job corps programs; for care, maintenance, supervision, and tuition for adjudicated juvenile delinquents placed in residential programs operated by authorized agencies and in out-of-state residential programs; for the provision and administration of the kinship guardian assistance program including kinship guardianship assistance payments and payments for non-recurring guardianship expenses and eligible expenditures associated with local compliance with the federal Family First Prevention Services Act (P.L. 115-123); except that, reimbursement from the amount appropriated herein shall not be available for tuition expenditures for foster children, including persons in need of supervision and adjudicated juvenile delinquents, made by a social services district located within a city having a population of one million or more.

Notwithstanding any other provision of law, a portion of the funds are available to reimburse social services districts for the change in the maximum state aid rates established by the office of children and family services for the 2021-22 rate year pursuant to section 398-a of the social services law and sections 4003 and 4405 of the education law to reflect the continuation of the cost of living adjustments that became effective April 1, 2008 for payments made to foster parents and for salary and fringe benefit costs and other critical nonpersonal services costs for foster care programs as determined by the office. Social services districts must adjust the amount of payments made for care provided by congregate care and foster boarding home programs and to foster parents to reflect the cost of living adjustments in the manner specified by the office. Each authorized agency operating a congregate care or foster boarding home program in New York state for which the office sets a maximum state aid rate pursuant to section 398-a of the social services law or section 4003 or 4405 of the education law shall submit, at the time and in a manner to be determined by the office, a written certification, attesting that the funds received for the continuation of the cost of living adjustment to the maximum state aid rate that became effective April 1, 2008 for that program will be or were used solely in accordance with the requirements of the cost of living adjustment established by the office.

Notwithstanding any inconsistent provision of law except a chapter of the laws of 2021 authorizing a 1 percent cost of living adjustment increase, but including section 1 of part C of chapter 57 of the laws of 2006, as amended by section 1 of part I of chapter 60 of the laws of 2014, for the period commencing on April 1, 2021 and ending March 31, 2022 the director shall not apply any other cost of living adjustment for the purpose of establishing rates of payments, contracts or any other form of reimbursement.

Within the amounts appropriated herein, state reimbursement to each social services district for services identified herein that are otherwise reimbursable by the state from April 1, 2021 through March 31, 2022 shall be limited to a district allocation, hereinafter referred to as the district's block grant allocation. Notwithstanding any other provision of law, such block grant allocation shall be

1 based, in part, on each district's claims for such costs, adjusted  
2 by the applicable cost allocation methodology and net of any retro-  
3 active payments for the 12 month period ending June 30, 2020 that  
4 are submitted on or before January 2, 2021 and, in part, on such  
5 other factors as determined by the office of children and family  
6 services and approved by the director of the budget. Any portion of  
7 a social services district's allocation from funds appropriated  
8 herein not claimed by such district during the state fiscal year may  
9 be used by such district for expenditures on preventive services  
10 provided pursuant to section 409-a of the social services law, inde-  
11 pendent living services and aftercare services provided pursuant to  
12 regulations of the department of family assistance, claimed by such  
13 district during the next state fiscal year up to the amount remain-  
14 ing from the district's foster care block grant allocation, provided  
15 however, that any claims for such services during the next state  
16 fiscal year in excess of such amount shall be subject to 62 percent  
17 state reimbursement exclusive of any federal funds made available  
18 for such purposes, in accordance with directives of the department  
19 of family assistance and subject to the approval of the director of  
20 the budget. Any claims submitted by a social services district for  
21 reimbursement for a particular state fiscal year for which the  
22 social services district does not receive state or federal  
23 reimbursement during that state fiscal year may not be claimed  
24 against that district's block grant apportionment for the next state  
25 fiscal year.

26 The office of children and family services, with the approval of the  
27 director of the budget, may reduce a district's block grant allo-  
28 cation by the state share decrease related to federal retroactive  
29 reimbursement for such foster care services identified herein. The  
30 office, with the approval of the director of the budget, may reduce  
31 a district's block grant allocation by the state share of disallow-  
32 ances or sanctions taken against the district pursuant to the social  
33 services law or federal law.

34 Notwithstanding any other provision of law, the state shall not be  
35 responsible for reimbursing a social services district and a  
36 district shall not seek state reimbursement for any portion of any  
37 state disallowance or sanction taken against the social services

41 social services district to comply with federal or state require-  
42 ments, including, but not limited to, failure to document eligibil-  
43 ity for federal or state funds in the case record; provided, howev-  
44 er, if the office determines that any federal disallowance for  
45 services provided between January 1, 1999 and May 31, 1999 results  
46 solely from the late enactment of the state legislation implementing  
47 the federal adoption and safe families act, the state shall be sole-  
48 ly responsible for the full amount of the disallowance or sanction;  
49 provided, further, however, this provision shall be deemed to apply

12 establish and continue title IV-E eligibility for all title IV-E  
13 eligible children within the required time frames; claim title IV-E  
14 funding only for cases that meet all of the title IV-E eligibility  
15 criteria; and fully implement the social services payment system on  
16 or before April 1, 2005 for all direct and voluntary agency foster  
17 care services.

18 Notwithstanding any law to the contrary, the office of children and  
19 family services shall impose on social services districts any feder-  
20 al disallowance issued against the state as a result of a federal  
21 title IV-E secondary eligibility review regardless of the date the  
22 children may have entered foster care, the date the eligibility or  
23 payment errors occurred, or the filing date of any federal claims  
24 for reimbursement; provided, however, that the state shall be  
25 responsible for the disallowed costs and expenditures related to the  
26 placement of children in a facility operated by the office of chil-  
27 dren and family services, which shall be determined in the same  
28 manner as the disallowed costs and expenditures for social services  
29 districts other than the city of New York. In order to reimburse the  
30 federal government for the full amount of any disallowance imposed  
31 on the state by the federal administration for children and families  
32 within the timeframes necessary to avoid any potential interest  
33 payments on such amount, the office of children and family services  
34 is authorized to immediately offset funds otherwise due to each  
35 district for a pro rata share of the total disallowed costs based on  
36 the percentage of applicable federal title IV-E claims made by that  
37 district for the relevant time period as compared to the total  
38 applicable statewide title IV-E claims. The amount of the offset  
39 against each district will be adjusted, if necessary, upon  
40 completion of the disallowance allocation process. The final allo-  
41 cation of the amount of any federal disallowance resulting from a  
42 title IV-E secondary eligibility review shall be allocated among the  
43 districts so that each district shall be responsible for the amount  
44 attributable to each of the district's children or cases that are  
45 determined by the federal review to be unallowable. Each district  
46 shall also be responsible for a portion of the federal extrapolated  
47 disallowance amount based on the relative error rate for the  
48 district. The city of New York's error rate will be based on the  
49 federal sample and federal statistics. For all social services  
50 districts other than the city of New York, the error rate will be  
51 based on a review conducted by the district of a sample of children

1 and/or cases determined by the office of children and family  
2 services and a re-review of a sub-sample by the office of those  
3 children and/or cases determined by the office. The office of chil-  
4 dren and family services will determine what is reasonable in estab-  
5 lishing the size of the sample and sub-sample for each district. The  
6 office of children and family services shall notify each social  
7 services district of the sample of children and/or cases from the  
8 federal audit period that the social services district must review.  
9 Any child or case from the social services district that was  
10 included in the federal sample will automatically be included in the  
11 social services district's review sample and the determination made  
12 at the federal review regarding that child or case will govern for  
13 the purposes of the social services district's review. The social  
14 services district must complete and submit the results of its review  
15 to the office of children and family services within 60 days of  
16 receipt of the sample. The error rate for the district will be based  
17 on the findings of the district's review and the office of children  
18 and family services' re-review. If a social services district does  
19 not complete its review within 60 days of receiving the sample from  
20 the office of children and family services, the office of children  
21 and family services shall assign an error rate to the social  
22 services district based on the relative percentage of the district's  
23 applicable title IV-E claims for the relevant period as compared to  
24 applicable statewide title IV-E claims for that period and other  
25 circumstances that the office of children and family services may  
26 consider in order to allocate 100 percent of the federal disallow-  
27 ance. The office of children and family services shall apply each  
28 social services district's error rate to the total amount of the  
29 district's applicable title IV-E claims including associated admin-  
30 istrative expenses. The resulting dollar amounts for all of the  
31 social services districts will be summed to derive the total amount  
32 of title IV-E claims deemed to be in error statewide. To establish a  
33 disallowance percentage for each social services district, the  
34 amount of the district's title IV-E claims deemed to be in error  
35 will be divided by the amount of statewide title IV-E claims deemed  
36 to be in error. The resulting disallowance percentage for each  
37 district will be applied to the entire title IV-E extrapolated  
38 disallowance calculated by the federal review to determine the  
39 amount of the extrapolated disallowance for which the district is  
40 responsible. Each district will be credited for the amount already  
41 disallowed for any individual children or cases found to be in error  
42 during the federal review. The exclusive appeal rights for the  
43 review of the amount of the federal disallowance assigned to each  
44 social services district shall be pursuant to article 78 of the  
45 civil practice law and rules; provided, however, that in any such  
46 action all of the social services districts shall be joined as  
47 necessary parties and the venue of any such action shall be in Rens-  
48 selaer county. Any social services district that fails to complete  
49 its sample review in the required time frames shall have no right to  
50 appeal and shall not be a necessary party to any action brought by  
51 another social services district.

1 the maximum state aid rates established by the office of children  
2 and family services for the 2020-21 rate year pursuant to section  
3 398-a of the social services law and sections 4003 and 4405 of the  
4 education law to reflect the continuation of the cost of living  
5 adjustments that became effective April 1, 2008 for payments made to  
6 foster parents and for salary and fringe benefit costs and other  
7 critical nonpersonal services costs for foster care programs as  
8 determined by the office. Social services districts must adjust the  
9 amount of payments made for care provided by congregate care and  
10 foster boarding home programs and to foster parents to reflect the  
11 cost of living adjustments in the manner specified by the office.  
12 Each authorized agency operating a congregate care or foster board-  
13 ing home program in New York state for which the office sets a maxi-  
14 mum state aid rate pursuant to section 398-a of the social services  
15 law or section 4003 or 4405 of the education law shall submit, at  
16 the time and in a manner to be determined by the office, a written  
17 certification, attesting that the funds received for the continua-  
18 tion of the cost of living adjustment to the maximum state aid rate  
19 that became effective April 1, 2008 for that program will be or were  
20 used solely in accordance with the requirements of the cost of  
21 living adjustment established by the office.

22 Notwithstanding any inconsistent provision of law, for the period  
23 commencing on April 1, 2020 and ending March 31, 2021 the commis-  
24 sioner shall not apply any cost of living adjustment for the purpose  
25 of establishing rates of payments, contracts or any other form of  
26 reimbursement.

27 Within the amounts appropriated herein, state reimbursement to each  
28 social services district for services identified herein that are  
29 otherwise reimbursable by the state from April 1, 2020 through March  
30 31, 2021 shall be limited to a district allocation, hereinafter  
31 referred to as the district's block grant allocation. Notwithstand-  
32 ing any other provision of law, such block grant allocation shall be  
33 based, in part, on each district's claims for such costs, adjusted  
34 by the applicable cost allocation methodology and net of any retro-  
35 active payments for the 12 month period ending June 30, 2019 that  
36 are submitted on or before January 2, 2020 and, in part, on such  
37 other factors as determined by the office of children and family  
38 services and approved by the director of the budget. Any portion of  
39 a social services district's allocation from funds appropriated  
40 herein not claimed by such district during the state fiscal year may  
41 be used by such district for expenditures on preventive services  
42 provided pursuant to section 409-a of the social services law, inde-  
43 pendent living services and aftercare services provided pursuant to  
44 regulations of the department of family assistance, claimed by such  
45 district during the next state fiscal year up to the amount remain-  
46 ing from the district's foster care block grant allocation, provided  
47 however, that any claims for such services during the next state  
48 fiscal year in excess of such amount shall be subject to 62 percent  
49 state reimbursement exclusive of any federal funds made available  
50 for such purposes, in accordance with directives of the department  
51 of family assistance and subject to the approval of the director of

1 the budget. Any claims submitted by a social services district for  
2 reimbursement for a particular state fiscal year for which the  
3 social services district does not receive state or federal  
4 reimbursement during that state fiscal year may not be claimed  
5 against that district's block grant apportionment for the next state  
6 fiscal year.

7 The office of children and family services, with the approval of the  
8 director of the budget, may reduce a district's block grant allo-  
9 cation by the state share decrease related to federal retroactive  
10 reimbursement for such foster care services identified herein. The  
11 office, with the approval of the director of the budget, may reduce  
12 a district's block grant allocation by the state share of disallow-  
13 ances or sanctions taken against the district pursuant to the social  
14 services law or federal law.

15 Notwithstanding any other provision of law, the state shall not be  
16 responsible for reimbursing a social services district and a  
17 district shall not seek state reimbursement for any portion of any  
18 state disallowance or sanction taken against the social services  
19 district, or any federal disallowance attributable to final federal  
20 agency decisions or to settlement made, on or after July 1, 1995,  
21 when such disallowance or sanction results from the failure of the  
22 social services district to comply with federal or state require-  
23 ments, including, but not limited to, failure to document eligibil-  
24 ity for federal or state funds in the case record; provided, howev-  
25 er, if the office determines that any federal disallowance for  
26 services provided between January 1, 1999 and May 31, 1999 results  
27 solely from the late enactment of the state legislation implementing  
28 the federal adoption and safe families act, the state shall be sole-  
29 ly responsible for the full amount of the disallowance or sanction;  
30 provided, further, however, this provision shall be deemed to apply  
31 both prospectively and retroactively regardless of whether such  
32 sanctions or disallowances are for services provided or claims made  
33 prior to or after April 1, 2020.

34 Notwithstanding any other provision of law, any federal disallowance  
35 resulting from a federal title IV-E eligibility review or audit that  
36 uses extrapolated statistic techniques shall be passed along by the  
37 state to any and all social services districts that the office of  
38 children and family services has determined have not complied with  
39 the title IV-E eligibility requirements or have not taken the neces-  
40 sary actions to ensure compliance with such requirements including,  
41 but not limited to, failing to: assess and fully document all the  
42 criteria and have readily available all the necessary documents to  
43 establish and continue title IV-E eligibility for all title IV-E  
44 eligible children within the required time frames; claim title IV-E  
45 funding only for cases that meet all of the title IV-E eligibility  
46 criteria; and fully implement the social services payment system on  
47 or before April 1, 2005 for all direct and voluntary agency foster  
48 care services.

49 Notwithstanding any law to the contrary, the office of children and  
50 family services shall impose on social services districts any feder-  
51 al disallowance issued against the state as a result of a federal

1 title IV-E secondary eligibility review regardless of the date the  
2 children may have entered foster care, the date the eligibility or  
3 payment errors occurred, or the filing date of any federal claims  
4 for reimbursement; provided, however, that the state shall be  
5 responsible for the disallowed costs and expenditures related to the  
6 placement of children in a facility operated by the office of chil-  
7 dren and family services, which shall be determined in the same  
8 manner as the disallowed costs and expenditures for social services  
9 districts other than the city of New York. In order to reimburse the  
10 federal government for the full amount of any disallowance imposed  
11 on the state by the federal administration for children and families  
12 within the timeframes necessary to avoid any potential interest  
13 payments on such amount, the office of children and family services  
14 is authorized to immediately offset funds otherwise due to each  
15 district for a pro rata share of the total disallowed costs based on  
16 the percentage of applicable federal title IV-E claims made by that  
17 district for the relevant time period as compared to the total  
18 applicable statewide title IV-E claims. The amount of the offset  
19 against each district will be adjusted, if necessary, upon  
20 completion of the disallowance allocation process. The final allo-  
21 cation of the amount of any federal disallowance resulting from a  
22 title IV-E secondary eligibility review shall be allocated among the  
23 districts so that each district shall be responsible for the amount  
24 attributable to each of the district's children or cases that are  
25 determined by the federal review to be unallowable. Each district  
26 shall also be responsible for a portion of the federal extrapolated  
27 disallowance amount based on the relative error rate for the  
28 district. The city of New York's error rate will be based on the  
29 federal sample and federal statistics. For all social services  
30 districts other than the city of New York, the error rate will be  
31 based on a review conducted by the district of a sample of children  
32 and/or cases determined by the office of children and family  
33 services and a re-review of a sub-sample by the office of those  
34 children and/or cases determined by the office. The office of chil-  
35 dren and family services will determine what is reasonable in estab-  
36 lishing the size of the sample and sub-sample for each district.  
37 The office of children and family services shall notify each social  
38 services district of the sample of children and/or cases from the  
39 federal audit period that the social services district must review.  
40 Any child or case from the social services district that was  
41 included in the federal sample will automatically be included in the  
42 social services district's review sample and the determination made  
43 at the federal review regarding that child or case will govern for  
44 the purposes of the social services district's review. The social  
45 services district must complete and submit the results of its review  
46 to the office of children and family services within 60 days of  
47 receipt of the sample. The error rate for the district will be based  
48 on the findings of the district's review and the office of children  
49 and family services' re-review. If a social services district does  
50 not complete its review within 60 days of receiving the sample from  
51 the office of children and family services, the office of children

1 and family services shall assign an error rate to the social  
2 services district based on the relative percentage of the district's  
3 applicable title IV-E claims for the relevant period as compared to  
4 applicable statewide title IV-E claims for that period and other  
5 circumstances that the office of children and family services may  
6 consider in order to allocate 100 percent of the federal disallow-  
7 ance. The office of children and family services shall apply each  
8 social services district's error rate to the total amount of the  
9 district's applicable title IV-E claims including associated admin-  
10 istrative expenses. The resulting dollar amounts for all of the  
11 social services districts will be summed to derive the total amount  
12 of title IV-E claims deemed to be in error statewide. To establish a  
13 disallowance percentage for each social services district, the  
14 amount of the district's title IV-E claims deemed to be in error  
15 will be divided by the amount of statewide title IV-E claims deemed  
16 to be in error. The resulting disallowance percentage for each  
17 district will be applied to the entire title IV-E extrapolated  
18 disallowance calculated by the federal review to determine the  
19 amount of the extrapolated disallowance for which the district is  
20 responsible. Each district will be credited for the amount already  
21 disallowed for any individual children or cases found to be in error  
22 during the federal review. The exclusive appeal rights for the  
23 review of the amount of the federal disallowance assigned to each  
24 social services district shall be pursuant to article 78 of the  
25 civil practice law and rules; provided, however, that in any such  
26 action all of the social services districts shall be joined as  
27 necessary parties and the venue of any such action shall be in Rens-  
28 selaer county. Any social services district that fails to complete  
29 its sample review in the required time frames shall have no right to  
30 appeal and shall not be a necessary party to any action brought by  
31 another social services district.

32 The money hereby appropriated is to be available for payment of state  
33 aid heretofore accrued or hereafter to accrue to municipalities.  
34 Subject to the approval of the director of the budget, such funds  
35 shall be available to the office net of disallowances, refunds,  
36 reimbursements, and credits.

37 Notwithstanding any inconsistent provision of law, the amount herein  
38 appropriated may be transferred to any other appropriation within  
39 the office of children and family services and/or the office of  
40 temporary and disability assistance and/or suballocated to the

41 defined by the commissioner, incurred both  
42 prior to and subsequent to such assessment  
43 for each such period, and if the director  
44 of the budget determines that such expend-  
45 itures are expected to cause medicaid  
46 spending for such period to exceed the  
47 aggregate limit specified herein for such  
48 period, the state medicaid director, in  
49 consultation with the director of the  
50 budget and the commissioner of health,

3 Such medicaid savings allocation adjustment  
4 shall be designed, to reduce the expendi-

6 herein in compliance with the following  
7 guidelines: (1) reductions shall be made  
8 in compliance with applicable federal law,  
9 including the provisions of the Patient

13 Public Law No. 111-152 (collectively  
14 "Affordable Care Act") and any subsequent  
15 amendments thereto or regulations promul-  
16 gated thereunder; (2) reductions shall be  
17 made in a manner that complies with the  
18 state medicaid plan approved by the feder-  
19 al centers for medicare and medicaid  
20 services, provided, however, that the  
21 commissioner of health is authorized to  
22 submit any state plan amendment or seek

24 authority, to implement the provisions of  
25 the medicaid savings allocation adjustment  
26 that meets the other criteria set forth  
27 herein; (3) reductions shall be made in a  
28 manner that maximizes federal financial  
29 participation, to the extent practicable,

32 expected to become available, in the  
33 discretion of the commissioner, under the  
34 Affordable Care Act; (4) reductions shall  
35 be made uniformly among categories of  
36 services and geographic regions of the  
37 state, to the extent practicable, and  
38 shall be made uniformly within a category  
39 of service, to the extent practicable,  
40 except where the commissioner determines  
41 that there are sufficient grounds for  
42 non-uniformity, including but not limited  
43 to: the extent to which specific catego-  
44 ries of services contributed to department  
45 of health medicaid state funds spending in  
46 excess of the limits specified herein; the

48 underserved communities; or the potential

1 cation adjustment; and (5) reductions  
2 shall be made in a manner that does not  
3 unnecessarily create administrative  
4 burdens to medicaid applicants and recipi-

6 The commissioner shall seek the input of the  
7 legislature, as well as organizations  
8 representing health care providers,  
9 consumers, businesses, workers, health

25 least 30 days before the date on which  
26 implementation is expected to begin.

27 (b) The commissioner may revise the medicaid  
28 savings allocation adjustment subsequent  
29 to the provisions of notice and prior to  
30 implementation but needs to provide a new  
31 notice pursuant to subparagraph (i) of  
32 this paragraph only if the commissioner  
33 determines, in his or her discretion, that  
34 such revisions materially alter the  
35 adjustment.

36 Notwithstanding the provisions of paragraphs  
37 (a) and (b) of this subdivision, the  
38 commissioner need not seek the input  
39 described in paragraph (a) of this subdivi-  
40 sion or provide notice pursuant to para-  
41 graph (b) of this subdivision if, in the  
42 discretion of the commissioner, expedited  
43 development and implementation of a medi-  
44 caid savings allocation adjustment is  
45 necessary due to a public health emergen-  
46 cy.

47 For purposes of this section, a public

4 exposure; or (iii) any other event or  
5 condition determined by the commissioner  
6 to constitute an imminent threat to public  
7 health.

8 Nothing in this paragraph shall be deemed to  
9 prevent all or part of such medicaid  
10 savings allocation adjustment from taking  
11 effect retroactively to the extent permit-  
12 ted by the federal centers for medicare  
13 and medicaid services.

14 In accordance with the medicaid savings

1 costs of the New York state medical indemnity fund, pursuant to  
2 chapter 59 of the laws of 2011, and state costs or savings from the  
3 essential plan program. Such projections may be adjusted by the  
4 director of the budget to account for increased or expedited depart-  
5 ment of health state funds medicaid expenditures as a result of a  
6 natural or other type of disaster, including a governmental declara-  
7 tion of emergency.

8 The director of the budget, in consultation with the commissioner of  
9 health, shall assess on a quarterly basis known and projected medi-  
10 caid expenditures by category of service and by geographic region,  
11 as determined by the commissioner of health, incurred both prior to  
12 and subsequent to such assessment for each such period, and if the  
13 director of the budget determines that such expenditures are  
14 expected to cause medicaid spending for such period to exceed the  
15 aggregate limit specified herein for such period, the state medicaid  
16 director, in consultation with the director of the budget and the  
17 commissioner of health, shall develop a medicaid savings allocation  
18 adjustment to limit such spending to the aggregate limit specified  
19 herein for such period.

20 Such medicaid savings allocation adjustment shall be designed, to  
21 reduce the expenditures authorized by the appropriations herein in  
22 compliance with the following guidelines: (1) reductions shall be  
23 made in compliance with applicable federal law, including the  
24 provisions of the Patient Protection and Affordable Care Act, Public  
25 Law No. 111-148, and the Health Care and Education Reconciliation  
26 Act of 2010, Public Law No. 111-152 (collectively "Affordable Care  
27 Act") and any subsequent amendments thereto or regulations promul-  
28 gated thereunder; (2) reductions shall be made in a manner that  
29 complies with the state medicaid plan approved by the federal  
30 centers for medicare and medicaid services, provided, however, that  
31 the commissioner of health is authorized to submit any state plan  
32 amendment or seek other federal approval, including waiver authori-  
33 ty, to implement the provisions of the medicaid savings allocation  
34 adjustment that meets the other criteria set forth herein; (3)  
35 reductions shall be made in a manner that maximizes federal finan-  
36 cial participation, to the extent practicable, including any federal  
37 financial participation that is available or is reasonably expected  
38 to become available, in the discretion of the commissioner, under  
39 the Affordable Care Act; (4) reductions shall be made uniformly  
40 among categories of services and geographic regions of the state, to  
41 the extent practicable, and shall be made uniformly within a catego-  
42 ry of service, to the extent practicable, except where the commis-  
43 sioner determines that there are sufficient grounds for non-uniform-  
44 ity, including but not limited to: the extent to which specific  
45 categories of services contributed to department of health medicaid

3 The commissioner shall seek the input of the legislature, as well as  
4 organizations representing health care providers, consumers, busi-  
5 nesses, workers, health insurers, and others with relevant exper-  
6 tise, in developing such medicaid savings allocation adjustment, to  
7 the extent that all or part of such adjustment, in the discretion of  
8 the commissioner, is likely to have a material impact on the overall  
9 medicaid program, particular categories of service or particular  
10 geographic regions of the state.

11 (a) The commissioner shall post the medicaid savings allocation  
12 adjustment on the department of health's website and shall provide  
13 written copies of such adjustment to the chairs of the senate  
14 finance and the assembly ways and means committees at least 30 days  
15 before the date on which implementation is expected to begin.

16 (b) The commissioner may revise the medicaid savings allocation  
17 adjustment subsequent to the provisions of notice and prior to  
18 implementation but needs to provide a new notice pursuant to subpar-  
19 agraph (i) of this paragraph only if the commissioner determines, in  
20 his or her discretion, that such revisions materially alter the  
21 adjustment.

22 Notwithstanding the provisions of paragraphs (a) and (b) of this  
23 subdivision, the commissioner need not seek the input described in  
24 paragraph (a) of this subdivision or provide notice pursuant to  
25 paragraph (b) of this subdivision if, in the discretion of the  
26 commissioner, expedited development and implementation of a medicaid  
27 savings allocation adjustment is necessary due to a public health  
28 emergency.

29 For purposes of this section, a public health emergency is defined as:

30 (i) a disaster, natural or otherwise, that significantly increases  
31 the immediate need for health care personnel in an area of the  
32 state; (ii) an event or condition that creates a widespread risk of  
33 exposure to a serious communicable disease, or the potential for  
34 such widespread risk of exposure; or (iii) any other event or condi-  
35 tion determined by the commissioner to constitute an imminent threat  
36 to public health.

37 Nothing in this paragraph shall be deemed to prevent all or part of  
38 such medicaid savings allocation adjustment from taking effect  
39 retroactively to the extent permitted by the federal centers for  
40 medicare and medicaid services.

41 In accordance with the medicaid savings allocation adjustment, the  
42 commissioner of the department of health shall reduce department of  
43 health state funds medicaid spending by the amount of the projected  
44 overspending through, actions including, but not limited to modify-

9 [~~\$49,118,443,000~~] \$49,468,214,000 provided, however, such aggregate  
10 limits may be adjusted by the director of the budget to account for  
11 any changes in the New York state federal medical assistance  
12 percentage amount established pursuant to the federal social securi-  
13 ty act, increases in provider revenues, reductions in local social  
14 services district payments for medical assistance administration,  
15 minimum wage increases and beginning April 1, 2012 the operational  
16 costs of the New York state medical indemnity fund, pursuant to  
17 chapter 59 of the laws of 2011, and state costs or savings from the  
18 essential plan program. Such projections may be adjusted by the  
19 director of the budget to account for increased or expedited depart-  
20 ment of health state funds medicaid expenditures as a result of a  
21 natural or other type of disaster, including a governmental declara-  
22 tion of emergency.

23 The director of the budget, in consultation with the commissioner of  
24 health, shall assess on a quarterly basis known and projected medi-  
25 caid expenditures by category of service and by geographic region,  
26 as determined by the commissioner of health, incurred both prior to  
27 and subsequent to such assessment for each such period, and if the  
28 director of the budget determines that such expenditures are  
29 expected to cause medicaid spending for such period to exceed the  
30 aggregate limit specified herein for such period, the state medicaid  
31 director, in consultation with the director of the budget and the  
32 commissioner of health, shall develop a medicaid savings allocation  
33 adjustment to limit such spending to the aggregate limit specified  
34 herein for such period.

35 Such medicaid savings allocation adjustment shall be designed, to  
36 reduce the expenditures authorized by the appropriations herein in  
37 compliance with the following guidelines: (1) reductions shall be  
38 made in compliance with applicable federal law, including the  
39 provisions of the Patient Protection and Affordable Care Act, Public  
40 Law No. 111-148, and the Health Care and Education Reconciliation  
41 Act of 2010, Public Law No. 111-152 (collectively "Affordable Care  
42 Act") and any subsequent amendments thereto or regulations promul-  
43 gated thereunder; (2) reductions shall be made in a manner that  
44 complies with the state medicaid plan approved by the federal  
45 centers for medicare and medicaid services, provided, however, that  
46 the commissioner of health is authorized to submit any state plan  
47 amendment or seek other federal approval, including waiver authori-  
48 ty, to implement the provisions of the medicaid savings allocation  
49 adjustment that meets the other criteria set forth herein; (3)  
50 reductions shall be made in a manner that maximizes federal finan-

52 financial participation that is available or is reasonably expected

1 to become available, in the discretion of the commissioner, under  
2 the Affordable Care Act; (4) reductions shall be made uniformly  
3 among categories of services and geographic regions of the state, to  
4 the extent practicable, and shall be made uniformly within a category  
5 of service, to the extent practicable, except where the commissioner  
6 determines that there are sufficient grounds for non-uniformity,  
7 including but not limited to: the extent to which specific  
8 categories of services contributed to department of health medicaid  
9 state funds spending in excess of the limits specified herein; the  
10 need to maintain safety net services in underserved communities; or  
11 the potential benefits of pursuing innovative payment models contemplated  
12 by the Affordable Care Act, in which case such grounds shall  
13 be set forth in the medicaid savings allocation adjustment; and (5)  
14 reductions shall be made in a manner that does not unnecessarily  
15 create administrative burdens to medicaid applicants and recipients  
16 or providers.

17 The commissioner shall seek the input of the legislature, as well as  
18 organizations representing health care providers, consumers, businesses,  
19 workers, health insurers, and others with relevant expertise, in developing  
20 such medicaid savings allocation adjustment, to the extent that all or part  
21 of such adjustment, in the discretion of the commissioner, is likely to  
22 have a material impact on the overall medicaid program, particular  
23 categories of service or particular geographic regions of the state.

25 (a) The commissioner shall post the medicaid savings allocation  
26 adjustment on the department of health's website and shall provide  
27 written copies of such plan to the chairs of the senate finance and  
28 the assembly ways and means committees at least 30 days before the  
29 date on which implementation is expected to begin.

30 (b) The commissioner may revise the medicaid savings allocation  
31 adjustment subsequent to the provisions of notice and prior to  
32 implementation but needs to provide a new notice pursuant to subparagraph  
33 (i) of this paragraph only if the commissioner determines, in his or her  
34 discretion, that such revisions materially alter the plan.  
35

36 Notwithstanding the provisions of paragraphs (a) and (b) of this  
37 subdivision, the commissioner need not seek the input described in  
38 paragraph (a) of this subdivision or provide notice pursuant to  
39 paragraph (b) of this subdivision if, in the discretion of the  
40 commissioner, expedited development and implementation of a medicaid  
41 savings allocation adjustment is necessary due to a public health  
42 emergency.

43 For purposes of this section, a public health emergency is defined as:

44 (i) a disaster, natural or otherwise, that significantly increases  
45 the immediate need for health care personnel in an area of the  
46 state; (ii) an event or condition that creates a widespread risk of  
47 exposure to a serious communicable disease, or the potential for  
48 such widespread risk of exposure; or (iii) any other event or condition  
49 determined by the commissioner to constitute an imminent threat  
50 to public health.

51 Nothing in this paragraph shall be deemed to prevent all or part of  
52 such medicaid savings allocation adjustment from taking effect

20 [~~\$49,118,443,000~~] \$49,468,214,000 provided, however, such aggregate  
21 limits may be adjusted by the director of the budget to account for  
22 any changes in the New York state federal medical assistance  
23 percentage amount established pursuant to the federal social securi-  
24 ty act, increases in provider revenues, reductions in local social  
25 services district payments for medical assistance administration,  
26 minimum wage increases and beginning April 1, 2012 the operational  
27 costs of the New York state medical indemnity fund, pursuant to  
28 chapter 59 of the laws of 2011, and state costs or savings from the  
29 essential plan. Such projections may be adjusted by the director of  
30 the budget to account for increased or expedited department of  
31 health state funds medicaid expenditures as a result of a natural or  
32 other type of disaster, including a governmental declaration of  
33 emergency.

34 The director of the budget, in consultation with the commissioner of  
35 health, shall assess on a quarterly basis known and projected medi-  
36 caid expenditures by category of service and by geographic region,  
37 as determined by the commissioner of health, incurred both prior to  
38 and subsequent to such assessment for each such period, and if the  
39 director of the budget determines that such expenditures are  
40 expected to cause medicaid spending for such period to exceed the  
41 aggregate limit specified herein for such period, the state medicaid  
42 director, in consultation with the director of the budget and the  
43 commissioner of health, shall develop a medicaid savings allocation  
44 adjustment to limit such spending to the aggregate limit specified  
45 herein for such period.

46 Such medicaid savings allocation adjustment shall be designed, to  
47 reduce the expenditures authorized by the appropriations herein in  
48 compliance with the following guidelines: (1) reductions shall be  
49 made in compliance with applicable federal law, including the  
50 provisions of the Patient Protection and Affordable Care Act, Public  
51 Law No. 111-148, and the Health Care and Education Reconciliation  
52 Act of 2010, Public Law No. 111-152 (collectively "Affordable Care

Act") and any subsequent amendments thereto or regulations promulgated thereunder; (2) reductions shall be made in a manner that complies with the state medicaid plan approved by the federal centers for medicare and medicaid services, provided, however, that the commissioner of health is authorized to submit any state plan amendment or seek other federal approval, including waiver authority, to implement the provisions of the medicaid savings allocation adjustment that meets the other criteria set forth herein; (3) reductions shall be made in a manner that maximizes federal financial participation, to the extent practicable, including any federal financial participation that is available or is reasonably expected to become available, in the discretion of the commissioner, under the Affordable Care Act; (4) reductions shall be made uniformly among categories of services and geographic regions of the state, to the extent practicable, and shall be made uniformly within a category of service, to the extent practicable, except where the commissioner determines that there are sufficient grounds for non-uniformity, including but not limited to: the extent to which specific categories of services contributed to department of health medicaid state funds spending in excess of the limits specified herein; the need to maintain safety net services in underserved communities; or the potential benefits of pursuing innovative payment models contemplated by the Affordable Care Act, in which case such grounds shall be set forth in the medicaid savings allocation adjustment; and (5) reductions shall be made in a manner that does not unnecessarily create administrative burdens to medicaid applicants and recipients or providers.

The commissioner shall seek the input of the legislature, as well as organizations representing health care providers, consumers, businesses, workers, health insurers, and others with relevant expertise, in developing such medicaid savings allocation adjustment, to the extent that all or part of such adjustment, in the discretion of the commissioner, is likely to have a material impact on the overall medicaid program, particular categories of service or particular geographic regions of the state.

(a) The commissioner shall post the medicaid savings allocation adjustment on the department of health's website and shall provide written copies of such plan to the chairs of the senate finance and the assembly ways and means committees at least 30 days before the date on which implementation is expected to begin.

(b) The commissioner may revise the medicaid savings allocation adjustment subsequent to the provisions of notice and prior to implementation but needs to provide a new notice pursuant to subparagraph (i) of this paragraph only if the commissioner determines, in his or her discretion, that such revisions materially alter the plan.

Notwithstanding the provisions of paragraphs (a) and (b) of this subdivision, the commissioner need not seek the input described in paragraph (a) of this subdivision or provide notice pursuant to paragraph (b) of this subdivision if, in the discretion of the commissioner, expedited development and implementation of a medicaid

14 medicare and medicaid services.

15 In accordance with the medicaid savings allocation adjustment, the

31 forth: (a) known and projected department of health medicaid expend-

33 that could result in medicaid disbursements for the relevant state  
34 fiscal year to exceed the projected department of health state funds  
35 disbursements in the enacted budget financial plan pursuant to  
36 subdivision 3 of section 23 of the state finance law, including

40 payments; and (b) the actions taken to implement any medicaid  
41 savings allocation adjustment implemented pursuant to subdivision  
42 (4) of this section, including information concerning the impact of  
43 such actions on each category of service and each geographic region  
44 of the state. Each such quarterly report shall be provided to the  
45 chairs of the senate finance and the assembly ways and means commit-
