(e) legal advocacy;
(f) assistance with filing police reports and accessing victim compensation funds;
(g) mental health services;
(h) help with relocation of an individual when safety is threatened; and
(i) transportation aid to and from medical appointments, court dates, and other related events.
4. The services provided by crime victim and trauma survivor recovery centers pursuant to subdivision three of this section shall be provided free of charge and no individual receiving treatment shall be liable for the cost of any such services.
5. Each crime victim and trauma survivor recovery center shall work with community partners to educate the local community in order to be more trauma informed. "Community partners" shall include, but not be limited to, criminal justice organizations, social services organizations and health care organizations.

§ 2. The sum of ten million dollars ($10,000,000) is hereby appropriated to the department of social services out of any moneys in the state treasury in the general fund to the credit of the local assistance account, not otherwise appropriated, and made immediately available, for the purpose of carrying out the provisions of this act. Such moneys shall be payable on the audit and warrant of the comptroller on vouchers certified or approved by the department of social services in the manner prescribed by law.

§ 3. This act shall take effect immediately.
