## IN ASSEMBLY

January 31, 2022

Introduced by M. of A. SOLAGES -- read once and referred to the Committee on Governmental Operations

AN ACT to amend the executive law, in relation to establishing application processing and review requirements for reprieves, commutations and pardons

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Short title. This act shall be known and may be cited as 2 the "Clemency Justice Act of 2022".

§ 2. Legislative findings and intent. The legislature hereby finds 3 that families and communities are frequently torn apart due to the 4 United States' overzealous legal system and immigration system, and that 5 one of the predominant tools to mitigate this issue, executive clemency, 6 7 is grossly underused. Between 2017-2020, the governor's office received 6,405 clemency applications while only granting 81 pardons and 14 commu-8 9 tations. The legislature further finds that the clemency process is 10 convoluted, unequal, and difficult to navigate with no way for appli-11 cants to check the status of their application or expedite it in case of 12 an emergency. Meanwhile, an estimated 9,000 people, of which the over-13 whelming majority are people of color, are serving life sentences while 14 an unprecedented pandemic ravages prisons and detention centers. A 15 simpler, more holistic approach to granting clemency would begin to 16 address the systemic injustices of the immigration and criminal legal 17 systems.

18 § 3. The executive law is amended by adding a new section 15-a to read 19 as follows:

S 15-a. Process and requirements for considering applications and requests for reprieves, commutations and pardons. 1. Upon receipt of an application for a reprieve, commutation or pardon, the governor shall provide to the applicant:

24 a. a written notification that the application has been received;

25 <u>b. a receipt number that the applicant can then use to check on his or</u> 26 <u>her application status</u>;

EXPLANATION--Matter in <u>italics</u> (underscored) is new; matter in brackets [-] is old law to be omitted.

1	c. quidelines for supplementing the application with additional or
2	updated information; and
3	d. an electronic or written notification when a decision is made on
4	the application.
5	2. a. The application for a reprieve, commutation or pardon shall
6	include a section allowing applicants to describe an urgent need for the
7	reprieve, commutation or pardon. For the purposes of this section, an
8	"urgent need" shall include, but not be limited to, a pending deporta-
9	tion proceeding or final deportation order, humanitarian concerns,
10	health issues and the aging status of the applicant.
11	b. Applicants are permitted to update an application to indicate
12	urgent need due to changed circumstances following the initial
13	submission of the application.
14	3. The governor shall issue a decision on applications indicating
15	urgent need within ninety days from the date the application is
16	received. All other applications shall be granted or denied, or contin-
17	ued within one year from the date that the application is received. All
18	applicants shall receive written notification of any such action taken
19	on the application. Continued applications shall be left open to allow
20	applicants to submit further supporting materials according to guide-
21	lines provided to the applicant by the governor.
22	§ 4. Section 17 of the executive law, as added by chapter 545 of the
23	laws of 1971, is amended to read as follows:
