9192

IN ASSEMBLY

February 9, 2022

- Introduced by M. of A. PALMESANO -- read once and referred to the Committee on Environmental Conservation
- AN ACT to amend the environmental conservation law, in relation to educating the public about the health and environmental impacts of lithium-ion batteries for electric vehicles, and the manufacturing thereof

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1	Section 1. Paragraph b of subdivision 2 of section 19-0301 of the
2	environmental conservation law is amended to read as follows:
3	b. Encourage voluntary cooperation by all persons in controlling air.
4	water and soil pollution and air, water and soil contamination, includ-
5	ing, but not limited to, educating the public about the health and envi-
б	ronmental impacts of lithium-ion battery use and manufacture, such as
7	toxicity and contamination resultant from battery leakage or deteri-
8	oration, environmental impacts of lithium-ion battery casualties and
9	disposal and health risks associated with exposure to lithium-ion
10	battery components. The department shall also consider the environ-
11	mental, health and safety factors associated with extreme-heat lithium
12	battery fires, and effects on the equipment, health and safety of first
13	responders in the event of an extreme-heat battery casualty. Such educa-
14	tion shall, at a minimum, include developing and distributing educa-
15	tional materials and posting such information on the department's
16	website.

17 § 2. This act shall take effect immediately.

EXPLANATION--Matter in **italics** (underscored) is new; matter in brackets [-] is old law to be omitted.
