AN ACT to amend the education law, in relation to increasing the amount of the salary paid to any career and technical education teacher, supervisor or other employee of a program of the board of cooperative educational services that is considered to be an approved expense for purposes of state allocation

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Paragraph b of subdivision 5 of section 1950 of the education law, as amended by chapter 296 of the laws of 2016, is amended to read as follows:

b. The cost of services herein referred to shall be the amount allocated to each component school district by the board of cooperative educational services to defray expenses of such board, including approved expenses from the testing of potable water systems of occupied school buildings under the board's jurisdiction as required pursuant to section eleven hundred ten of the public health law, except that that part of the salary paid any teacher, supervisor or other employee of the board of cooperative educational services which is in excess of thirty thousand dollars shall not be such an approved expense, and except also that administrative and clerical expenses shall not exceed ten percent of the total expenses for purposes of this computation. **Provided however, that beginning in the two thousand twenty-two--two thousand twenty-three school year, that part of the salary paid to any career and technical education teacher, supervisor or other employee of a program of the board of cooperative educational services which is in excess of thirty-six thousand dollars shall not be such an approved expense; beginning in the two thousand twenty-three--two thousand twenty-four school year, that part of the salary paid to any career and technical education teacher, supervisor or other employee of a board of cooperative educational services which is in excess of forty-two thousand dollars shall not be such an approved expense; beginning in the two thousand twenty-four--two thousand twenty-five school year, that part of**

the salary paid any career and technical education teacher, supervisor or other employee of the board of cooperative educational services which is in excess of forty-eight thousand dollars shall not be such an approved expense; beginning in the two thousand twenty-five--two thousand twenty-six school year, that part of the salary paid any career and technical education teacher, supervisor or other employee of the board of cooperative educational services which is in excess of fifty-four thousand dollars shall not be such an approved expense and provided further beginning in the two thousand twenty-six--two thousand twenty-seven school year and thereafter, the actual salary or the average statewide salary as established by the commissioner, whichever is less, shall be paid for any career and technical education teacher, supervisor or other employee of the board of cooperative educational services; provided further that beginning in the two thousand twenty-two--two thousand twenty-three school year and every year thereafter, the cost of services provided by any career and technical education teacher, supervisor or other employee of the board of cooperative educational services that is certified by the commissioner to be of sufficient rigor to meet national standards shall be one hundred percent of such salary or the average statewide salary, whichever is less as determined by the commissioner. Any gifts, donations or interest earned by the board of cooperative educational services or on behalf of the board of cooperative educational services by the dormitory authority or any other source shall not be deducted in determining the cost of services allocated to each component school district. Any payments made to a component school district by the board of cooperative educational services pursuant to subdivision eleven of section six-p of the general municipal law attributable to an approved cost of service computed pursuant to this subdivision shall be deducted from the cost of services allocated to such component school district. The expense of transportation provided by the board of cooperative educational services pursuant to paragraph q of subdivision four of this section shall be eligible for aid apportioned pursuant to subdivision seven of section thirty-six hundred two of this chapter and no board of cooperative educational services transportation expense shall be an approved cost of services for the computation of aid under this subdivision. Transportation expense pursuant to paragraph q of subdivision four of this section shall be included in the computation of the ten percent limitation on administrative and clerical expenses.

§ 2. This act shall take effect immediately.
