Introduced by M. of A. CLARK -- read once and referred to the Committee on Higher Education

AN ACT to amend the education law, in relation to removing limits on the duration of treatment by a licensed physical therapist when a patient does not have a referral

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Subdivision d of section 6731 of the education law, as
2 amended by chapter 389 of the laws of 2007, is amended to read as
3 follows:

4 d. Such treatment may be rendered by a licensed physical therapist
5 [~~for ten visits or thirty days, whichever shall occur first,~~] without a
6 referral from a physician, dentist, podiatrist, nurse practitioner or
7 licensed midwife provided that:

8 (1) [~~The licensed physical therapist has practiced physical therapy on~~
9 ~~a full-time basis equivalent to not less than three years.~~] The physical
10 therapist will refer the patient to the appropriate licensed profes-
11 sional if symptoms are present of which physical therapy is contraindi-
12 cated or which symptoms are indicative of conditions for which treatment
13 is outside the scope of the practice of physical therapy;

14 (2) If the patient has a primary care licensed provider or other
15 treating physician, the physical therapist provides ongoing communi-
16 cation with that professional during the course of treatment; and

17 (3) Each physical therapist licensed pursuant to this article shall
18 provide written notice to each patient receiving treatment absent a
19 referral from a physician, dentist, podiatrist, nurse practitioner or
20 licensed midwife that physical therapy may not be covered by the
21 patient's health care plan or insurer without such a referral and that
22 such treatment may be a covered expense if rendered pursuant to a refer-
23 ral. The physical therapist shall keep on file with the patient's
24 records a form attesting to the patient's notice of such advice. Such
25 form shall be in duplicate, with one copy to be retained by the patient,
26 signed and dated by both the physical therapist and the patient in such
