Section 1. Subdivision 1 of section 396-z of the general business law is amended by adding a new paragraph (m) to read as follows:

(m) "Vehicle cost recovery fee" means the allowable recovery by a rental vehicle company from its renters for actual costs incurred to title, register, plate and inspect rental vehicles in this state pursuant to article fourteen of the vehicle and traffic law, and which shall be determined initially by an annual audit of the preceding year's actual costs conducted by the rental vehicle company; provided however, nothing contained herein shall prohibit a rental vehicle company from adjusting the expense level during a calendar year to more closely reflect actual costs incurred. Each such audit shall be retained for a period of not less than five years, and shall be made available to the department of state, department of motor vehicles, and attorney general upon written request.

§ 2. Paragraphs (a) and (b) of subdivision 10 of section 396-z of the general business law, as amended by chapter 109 of the laws of 2018, are amended to read as follows:
