

STATE OF NEW YORK

952

2021-2022 Regular Sessions

IN ASSEMBLY

(Prefiled)

January 6, 2021

Introduced by M. of A. LUPARDO -- read once and referred to the Committee on Agriculture

AN ACT in relation to directing the commissioner of agriculture and markets to work with the state's land grant university system to produce a report to provide recommendations on the state's farm and food supply; and to repeal certain provisions of the agriculture and markets law relating thereto

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

- 1 Section 1. Subdivision 51 of section 16 of the agriculture and markets
2 law, as added by a chapter of the laws of 2020 amending the agriculture
3 and markets law relating to establishing a New York food supply working
4 group, as proposed in legislative bills numbers S. 8561-A and A.
5 10607-A, is REPEALED.
- 6 § 2. (a) The commissioner of agriculture and markets, in coordination
7 with the commissioner of economic development, shall work with the
8 state's land grant university system to produce a report to provide
9 advice, guidance, and recommendations on improving the resiliency and
10 self-reliance of the state's farm and food supply and the related supply
11 chain logistics to address food shortages, food waste, and the inability
12 to get New York farm goods to markets that occurred as a result of the
13 COVID-19 pandemic, with the goal of creating permanent solutions beyond
14 the state of emergency to reflect the changing wholesale, retail and
15 consumer marketplace.
- 16 (b) The commissioners shall solicit the input of representatives of
17 the entire food supply chain from different regions of the state,
18 including women, minority, small, and family-owned businesses and farms,
19 of:
- 20 (i) farmers, organic and conventional;

EXPLANATION--Matter in italics (underscored) is new; matter in brackets

25 open to, or accessible to, the public. Such meeting may include, among
26 other things, consideration of the following issues, especially as they
27 relate to state or federal emergencies:
28 (i) the need to strengthen the resiliency and self-reliance of the
29 state's farm and food supply and related supply chain logistics, to
30 prevent food shortages and food waste, and to overcome hurdles involved
31 in getting farm products to markets and consumers; and
32 (ii) the need for changes to, and development of, new state and feder-
33 al laws, rules, policies, and programs to address, and provide incen-
34 tives for, the goal of strengthening and improving the state food supply
35 in a manner that benefits New York farms, food businesses, workers,
36 retailers, restauranteurs, food banks, and consumers.
37 (d) The commissioners shall provide a written report of the findings
38 identifying any proposed recommendations, feasibility and costs associ-
39 ated with such recommendations, and guidance to the governor, the speak-
40 er of the assembly, and the temporary president of the senate on or
41 before December first, two thousand twenty-one, and shall publish such
42 report on the department of agriculture and market's website.
43 § 3. This act shall take effect on the same date and in the same
44 manner as a chapter of the laws of 2020 relating to establishing a New
45 York food supply working group, as proposed in legislative bills numbers
46 S. 8561-A and A. 10607-A, takes effect.
