STATE OF NEW YORK

9611--A

IN ASSEMBLY

March 28, 2022

Introduced by M. of A. BURDICK -- read once and referred to the Committee on Transportation -- committee discharged, bill amended, ordered reprinted as amended and recommitted to said committee

AN ACT in relation to authorizing a study pertaining to traffic flow and safety of State Route 35 and State Route 202 from the Hudson River to the border of Connecticut; and providing for the repeal of such provisions upon expiration thereof

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. The department of transportation is hereby authorized and directed to conduct a study pertaining to traffic flow and safety of State Route 35 and State Route 202 from the Hudson River to the border of Connecticut. Such study shall include the bear mountain state parkway in Yorktown located in Westchester county.

1. The department shall study the current conditions and data to ensure the safe and effective traffic flow of State Route 35 and State Route 202.

2. The department of transportation shall report such findings to the governor and the legislature within one year after the effective date of this act.

§ 2. This act shall take effect immediately and shall expire one year after it shall have become a law when upon such date the provisions of this act shall be deemed repealed.

EXPLANATION--Matter in *italics* (underscored) is new; matter in brackets [-] is old law to be omitted.
