IN ASSEMBLY

March 28, 2022

Introduced by M. of A. ABBATE -- read once and referred to the Committee on Governmental Employees

AN ACT to amend the retirement and social security law, in relation to accidental disability retirement for deputy sheriffs

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Paragraph 3 of subdivision e of section 556 of the retire-
2 ment and social security law, as added by chapter 165 of the laws of
3 1995, is amended to read as follows:

4 3. A pension of two-thirds of his or her final average salary;
5 provided, however, a deputy sheriff shall receive a pension of three-
6 quarters of his or her final average salary if such deputy sheriff is
7 employed by an employer that has elected to provide such benefit to
8 deputy sheriffs. The payment of such pension shall be subject to the
9 provisions of section [~~three-hundred~~] sixty-four of this chapter.

10 § 2. This act shall take effect immediately.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would allow employers to elect to provide improved accidental disability pensions to deputy sheriffs who are covered by the provisions of Article 14-B of the Retirement and Social Security Law. The benefit for an accidental disability would be three-quarters of final average salary minus workers' compensation. The current benefit is two-thirds of final average salary minus workers' compensation.

If this bill is enacted during the 2022 legislative session, we anticipate that there will be an increase in the annual contributions of electing counties of 0.2% of the compensation of their deputy sheriffs for the fiscal year ending March 31, 2023. In future years, this cost will vary as the billing rates and salary of the affected deputy sheriffs change.

In addition to the annual contributions discussed above, there will be an immediate past service cost of approximately 1.0% of the compensation of such deputy sheriffs which will be borne by the electing county as a one-time payment. This estimate is based on the assumption that payment will be made on February 1, 2023.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets [~~-~~] is old law to be omitted.

LBD08520-04-2

These estimated costs are based on 2,790 deputy sheriffs with annual salary of approximately \$251.8 million as of March 31, 2021.
