

STATE OF NEW YORK

9753--A

IN ASSEMBLY

March 28, 2022

Introduced by M. of A. GUNTHER -- read once and referred to the Committee on Higher Education -- committee discharged, bill amended, ordered reprinted as amended and recommitted to said committee

AN ACT to amend the education law, in relation to requiring the state university of New York and the city university of New York to adopt certain provisions related to student mental health

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The education law is amended by adding a new section 362 to
2 read as follows:

3 § 362. Student mental health. 1. The university shall create and
4 administer, at the start of a student's freshman and junior year, a
5 mental health survey. Such survey shall include, but not be limited to,
6 questions regarding a student's mental health and general well-being.
7 Participation in such survey shall be optional to each student, and the
8 results of such survey from participating students shall be sent to the
9 chancellor of the university, appropriate staff including but not limit-
10 ed to the president of each state-operated institution of the universi-
11 ty, any oversight council as mandated pursuant to section three hundred
12 fifty-six of this article and any licensed mental health practitioners
13 employed by any of the state-operated institutions of the university.

14 2. There shall be a five member committee established within the
15 university that shall be responsible for engaging with and disseminating
16 mental health resources to faculty, staff and students. Such committee
17 shall be composed of a group of individuals chosen by the chancellor of
18 the university in conjunction with the presidents of each state-operated
19 institution of the university. Such committee shall also be responsible
20 for making recommendations to the regents of the university regarding
21 how often and in what manner faculty of the university shall provide
22 mental health wellness days and excused absences from class for
23 students.

24 3. All faculty and other staff of the university shall be required on
25 an annual basis to undergo mental health training with a focus on iden-
26 tifying or recognizing signs of mental distress among students. The

1 chancellor of the university, in conjunction with the commissioner,
2 shall prescribe the form and manner in which such training shall be
3 provided.

4 4. The university shall also take the following actions regarding
5 student mental health:

6 (a) review enrollment and re-enrollment policies of the university and
7 create specific provisions for students that may require extended mental
8 health leave;

9 (b) create opportunities for telehealth and virtual counseling
10 options;

11 (c) require a mental health seminar to be included in all orientation
12 programs for newly enrolled students; and

13 (d) institute other programs to address and improve student mental
14 health.

15 § 2. The education law is amended by adding a new section 6235 to read
16 as follows:

17 § 6235. Student mental health. 1. The city university shall create and
18 administer, at the start of a student's freshman and junior year a
19 mental health survey. Such survey shall include, but not be limited to,
20 questions regarding a student's mental health and general well-being.
21 Participation in such survey shall be optional to each student, and the
22 results of such survey from participating students shall be sent to the
23 chancellor of the city university, appropriate staff including but not
24 limited to the president of each senior and community college of the
25 city university, any oversight council of the city university and any
26 licensed mental health practitioners employed by any of the senior or
27 community colleges within the city university.

28 2. There shall be a five member committee established within the city
29 university that shall be responsible for engaging with and disseminating
30 mental health resources to faculty, staff and students. Such committee
31 shall be composed of a group of individuals chosen by the chancellor of
32 the city university in conjunction with the presidents of each city-op-
33 erated institution of the university. Such committee shall also be
34 responsible for making recommendations to the board of trustees regard-
35 ing how often and in what manner faculty of the city university shall
36 provide mental health wellness days and excused absences from class for
37 students.

38 3. All faculty and other staff of the city university shall be
39 required on an annual basis to undergo mental health training with a
40 focus on identifying or recognizing signs of mental distress among
41 students. The chancellor of the city university, in conjunction with the
42 commissioner, shall prescribe the form and manner in which such training
43 shall be provided.

44 4. The city university shall also take the following actions regarding
45 student mental health:

46 (a) review enrollment and re-enrollment policies of the city universi-
47 ty and create specific provisions for students that may require extended
48 mental health leave;

49 (b) create opportunities for telehealth and virtual counseling
50 options;

51 (c) require a mental health seminar to be included in all orientation
52 programs for newly enrolled students; and

53 (d) institute other programs to address and improve student mental
54 health.

55 § 3. This act shall take effect immediately.
