1 d. A description of the protocol the employer will implement in order 2 to procure the appropriate personal protective equipment for essential employees [and contractors], based upon the various tasks and needs of 3 4 such employees [and contractors] in a quantity sufficient to provide [at 5 **least** two pieces of each type of personal protective equipment to each б essential employee [and contractor] during any given work shift [over at 7 **least six months**]. Such description shall also include a plan for stor-8 age of such equipment to prevent degradation and permit immediate access 9 in the event of an emergency declaration.

10 e. A description of the protocol in the event an employee [or contrac-11 tor] is exposed to a known case of the communicable disease that is the subject of the [public health] state disaster emergency, exhibits symp-12 13 toms of such disease, or tests positive for such disease in order to 14 prevent the spread or contraction of such disease in the workplace. Such 15 protocol shall also detail actions to be taken to immediately and thor-16 oughly disinfect the work area of any employee [or contractor] known or 17 suspected to be infected with the communicable disease as well as any common area surface and shared equipment such employee [or contractor] 18 may have touched, and the employer policy on available leave in the 19 20 event of the need of an employee to receive testing, treatment, 21 isolation, or quarantine. Such protocol shall not involve any action 22 that would violate any existing federal, state, or local law, including 23 regarding sick leave or health information privacy.

f. A protocol for documenting [precise] hours and work locations, including off-site visits, for essential employees [and contractors]. Such protocol shall be designed only to aid in tracking of the disease and to identify the population of exposed employees [and contractors] in order to facilitate the provision of any benefits which may be available to certain employees [and contractors] on that basis.

30 g. A protocol for how the public employer will work with such employ-31 er's locality to identify sites for emergency housing for essential 32 employees in order to further contain the spread of the communicable 33 disease that is the subject of the declared emergency, to the extent 34 applicable to the needs of the workplace.

h. Any other requirements determined by the department of health such
 as contract tracing or testing, social distancing, hand hygiene and
 disinfectant, or mask wearing.

38 4. Once drafted, each public employer shall present the plan described 39 in this section to all applicable duly recognized or certified representatives of the employer's employees, who shall then be granted an oppor-40 41 tunity to review the plan and make recommendations, if any, provided 42 that nothing shall preclude such representatives from making such recom-43 mendations prior to the draft being completed. The employer must consid-44 er and respond to such recommendations in writing within a reasonable 45 timeframe. A copy of the final version of such plan shall then be 46 published in a clear and conspicuous location, and in the employee hand-47 book, to the extent that the employer provides such handbook to its employees, and in a location accessible on either the employer's website 48 or on the internet accessible by employees. No employer shall take 49 50 retaliatory action or otherwise discriminate against any employee for 51 making [suggestions or] recommendations regarding the content of the 52 plan.

53 5. The department shall establish procedures to allow for public 54 employees [or contract workers] to contact and inform the department of 55 any alleged [or believed] violations of any of the provisions described 56 in this section. 6. Nothing in this section shall be deemed to impede, infringe, diminish or impair the rights of a public employee or employer under any law, rule, regulation or collectively negotiated agreement, or the rights and benefits which accrue to employees through collective bargaining agreements, or otherwise diminish the integrity of the existing collective bargaining relationship.

§ 2. Subdivision 6-a of section 27-a of the labor law, 7 as added by 8 section 2 of a chapter of the laws of 2020, amending the labor law 9 relating to requiring public employers to adopt a plan for operations in 10 the event of a declared public health emergency involving a communicable 11 disease; and amending the education law relating to certain protocols for responding to a declared public health emergency involving a commu-12 13 nicable disease, as proposed in legislative bills numbers S. 8617B and 14 A. 10832, is amended to read as follows:

15 6-a. Form of complaints. The department shall establish a dedicated 16 webpage [and hotline] through which any public employee under the juris-17 diction of this section [or contractor as defined by the chapter which added this subdivision] may report alleged or believed violations of any 18 19 state law, regulation, rule or guidance related to occupational health 20 and safety involving a communicable disease, including but not limited 21 the novel coronavirus COVID-19. Such webpage [and hotline] shall to 22 allow individuals to report alleged or believed violations anonymously. § 3. Paragraphs 1 and m of subdivision 2 of section 2801-a of the 23 24 education law, as amended by section 3 of a chapter of the laws of 2020, 25 amending the labor law relating to requiring public employers to adopt a 26 plan for operations in the event of a declared public health emergency 27 involving a communicable disease; and amending the education law relating to certain protocols for responding to a declared public health 28 29 emergency involving a communicable disease, as proposed in legislative 30 bills numbers S. 8617B and A. 10832, is amended to read as follows:

1. the designation of the superintendent, or superintendent's designee, as the district chief emergency officer responsible for coordinating communication between school staff and law enforcement and first responders, and ensuring staff understanding of the district-level safety plan. The chief emergency officer shall also be responsible for ensuring the completion and yearly updating of building-level emergency response plans; [**er**] **and**

m. protocols for responding to a declared [**public health**] **state disas**mergency involving a communicable disease that are substantially consistent with the provisions of section twenty-seven-c of the labor law.

§ 4. Section 4 of a chapter of the laws of 2020, amending the labor law relating to requiring public employers to adopt a plan for operations in the event of a declared public health emergency involving a communicable disease; and amending the education law relating to certain protocols for responding to a declared public health emergency involving a communicable disease, as proposed in legislative bills numbers S. 8617B and A. 10832, is amended to read as follows:

§ 4. This act shall take effect immediately; provided, however that 49 [the] a draft operation [plans in the event of certain declared public 50 51 health emergencies] plan established pursuant to section 27-c of the labor law shall be [finalized and] published, and provided for comments 52 53 to the applicable duly recognized or certified representatives of the 54 employer's employees and to the relevant labor-management committees not later than 150 days from the effective date of this act; and provided 55 56 further the [hotline and] webpage established pursuant to section 27-a

A. 980
