Introduced by M. of A. FORREST, GALLAGHER -- read once and referred to the Committee on Consumer Affairs and Protection

AN ACT to amend the general business law, in relation to requiring serial numbers on all catalytic converters sold in New York state

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. The general business law is amended by adding a new section 392-k to read as follows:

§ 392-k. Catalytic converters; serial numbers. No catalytic converter manufactured or assembled on or after January first, two thousand twenty-three shall be sold or offered for sale as an individual part or as part of a motor vehicle in this state unless it has an identifying serial number that distinguishes that catalytic converter from all other catalytic converters of that same make and model permanently and visibly engraved or stamped in readily legible boldfaced figures at least one-eighth inches in height in such a manner that the serial number cannot be removed without being defaced or destroyed.

§ 2. This act shall take effect immediately.

EXPLANATION--Matter in *italics* (underscored) is new; matter in brackets [-] is old law to be omitted.
