

STATE OF NEW YORK

9875--A

IN ASSEMBLY

April 19, 2022

Introduced by M. of A. ABBATE, AUBRY -- read once and referred to the Committee on Governmental Employees -- committee discharged, bill amended, ordered reprinted as amended and recommitted to said committee

AN ACT to amend the parks, recreation and historic preservation law, in relation to increasing the mandatory retirement age of New York state regional park police

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Subdivision 4 of section 13.17 of the parks, recreation and
2 historic preservation law, as amended by chapter 662 of the laws of
3 1972, is amended to read as follows:

4 4. Any member appointed on or after April first, nineteen hundred
5 sixty-five shall be separated from such service upon attaining [~~sixty-~~
6 ~~two~~] sixty-five years of age.

7 § 2. This act shall take effect immediately.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would provide that any New York State Park Police Officer shall be separated from such service upon attaining age sixty-five. Currently, State Park Police Officers are separated from service at age sixty-two.

Insofar as this bill affects the New York State and Local Police and Fire Retirement System, if this legislation is enacted during the 2022 legislative session, there could be additional benefits for certain State Park Police Officers who remain employed beyond their current mandatory retirement age. However, if some members delay retirement due to enactment of this bill, we would not anticipate that there would be an increase in the annual contribution rates as a percentage of payroll for New York State.
