Introduced by M. of A. ABBATE -- read once and referred to the Committee on Governmental Employees

AN ACT to amend the workers' compensation law, in relation to presumptive evidence for individuals who participated in the World Trade Center rescue, recovery and clean-up operations

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Section 161 of the workers' compensation law is amended by  
2 adding a new subdivision 5 to read as follows:

3 5. "Centers for Disease Control and Prevention World Trade Center  
4 Health Program Certification" shall be deemed to be presumptive medical  
5 evidence of a causally related diagnosis for an individual covered under  
6 this section.

7 § 2. The workers' compensation law is amended by adding a new section  
8 169 to read as follows:

9 § 169. Presumptive evidence. Notwithstanding the provisions of any  
10 general, special or local law or administrative code to the contrary,  
11 any condition of impairment of health or death of an individual who  
12 files a workers' compensation claim under this article or a dependent of  
13 a decedent who files a workers' compensation claim under this article  
14 shall be presumptive evidence that such condition of impairment of  
15 health or death was incurred as a result of such individual's partic-  
16 ipation in the World Trade Center rescue, recovery and clean-up oper-  
17 ations. Provided further, the board shall accept the certifications of  
18 the Centers for Disease Control and Prevention World Trade Center Health  
19 Program as presumptive evidence of causation of certified illnesses  
20 pursuant to 42 USC 300mm.

21 § 3. This act shall take effect immediately.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets  
[-] is old law to be omitted.
