The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The agriculture and markets law is amended by adding a new  
2 section 123-c to read as follows:

3 § 123-c. Disclosure of dog bites. 1. Definitions. For purposes of this  
4 section:

5 (a) "Animal shelter" means a not-for-profit facility where homeless,  
6 lost, stray, abandoned, seized, surrendered or unwanted animals are  
7 received, harbored, maintained and made available for adoption to the  
8 general public, redemption by their owners or other lawful disposition,  
9 and which is owned, operated, or maintained by a duly incorporated  
10 humane society, animal welfare society, society for the prevention of  
11 cruelty to animals, or other organization devoted to the welfare,  
12 protection or humane treatment of animals.

13 (b) "Animal rescue group" means a duly incorporated not-for-profit  
14 organization that accepts homeless, lost, stray, abandoned, seized,  
15 surrendered or unwanted animals from an animal shelter or other place  
16 and attempts to find homes for, and promote adoption of, such animals by  
17 the general public.

18 2. Every animal shelter or animal rescue group shall be required to  
19 disclose, to the best of their knowledge, whether a dog of the age of

21 The animal shelter or animal rescue group shall, before selling, giving  
22 away, or otherwise releasing the dog from their ownership shall:

LBD01210-01-1

1     (a) disclose in writing to the person to whom the dog is sold, given  
2     away, or transferred that the dog has a known bite history and the  
3     circumstances related to the bite; and

4     (b) obtain a signed acknowledgment from the person to whom the dog is  
5     sold, given away, or transferred that the person has been provided  
6     information about the dog as required by this section. The animal shel-  
7     ter or animal rescue group shall provide the person with a copy of the  
8     signed acknowledgment and retain the original copy in its files.

9     3. The documentation and disclosure requirements of this section are  
10    for the purpose of public safety and the appropriate placement of dogs.  
11    A documented bite history shall not necessarily preclude a dog from  
12    being available for adoption, release, or transfer, notwithstanding any  
13    other law or local ordinance related to biting dogs.

14    § 2. This act shall take effect immediately.
