Introduced by Sen. STEWART-COUSINS -- read twice and ordered printed, and when printed to be committed to the Committee on Housing, Construction and Community Development

AN ACT to amend the executive law, in relation to establishing and maintaining an emergency evacuation plan for individuals with disabilities

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. The executive law is amended by adding two new sections 2 378-a and 378-b to read as follows:

3 § 378-a. Standards for emergency planning and preparedness. 1. The 4 state fire prevention and building code council shall update chapter four of the New York state fire code, titled "Emergency planning and preparedness", to ensure emergency evacuation drills, fire safety and emergency evacuation plans, employee training and response procedures, 8 hazard communication, and use and occupancy-related standards address 9 the needs of individuals with disabilities. The process of updating 10 chapter four of the New York state fire code as it pertains to the needs of persons with disabilities shall be done in consultation with the 11 independent agency as described in subdivision (b) of section five 12 13 <u>hundred fifty-eight of this chapter.</u>

- 14 2. The state fire prevention and building code council shall promul-15 gate regulations to require the following elements to be included in each emergency evacuation plan: 16
  - (a) procedures for evacuating individuals with disabilities;
- 17 (b) a list of individuals with disabilities who have notified the 18 19 owner that they are disabled and would require assistance in the event 20 of an emergency. The list shall include the floor and room number that 21 the individual with a disability occupies within the building. Such list 22 shall only be maintained for the purpose of an emergency evacuation, and 23 shall not be disseminated for any other purpose;

EXPLANATION -- Matter in italics (underscored) is new; matter in brackets [-] is old law to be omitted.

- (c) a notification mechanism to the occupants that a list of persons with disabilities in need of assistance in case of an emergency exists and is maintained by the owner and the method by which occupants can 3 place their name on such list;
  - (d) the location and type of evacuation assistance devices or assistive technologies that are available within the building; and
  - (e) areas of rescue. These areas shall be identified by signs that state "Area of Rescue Assistance" and display the international symbol of accessibility. Lettering must be permanent and comply with federal Americans with Disabilities Act quidelines.
  - § 378-b. Emergency evacuation plan. 1. Notwithstanding any provision of law to the contrary, it shall be the duty of every owner of a highrise building, as defined in section four hundred three of the building code of New York state, to establish and maintain an emergency evacuation plan as provided for in regulations issued pursuant to section three hundred seventy-eight-a of this article.
  - 2. Such owner shall make the plan available in a large-print document (18-point font size or larger) and Braille (Grade II) upon request to:
    - (a) local law enforcement and fire safety personnel; and
    - (b) employees, tenants, or guests located in the high-rise building.
    - 3. A copy of such plan shall be maintained at all times in a place easily accessible by law enforcement and/or fire safety personnel, including but not limited to the management office, the security desk, in the vicinity of the firefighter's elevator recall key, the life safety panel, or the fire pump room. In the absence of any of the locations listed in this subdivision, a copy of such plan shall be posted in the front entry of the building.
  - 4. On an annual basis, every high-rise building owner shall update such emergency evacuation plan and provide occupants with a notice detailing the provisions of the emergency evacuation plan.
- 31 5. A copy of such plan shall be filed with the department of state 32 within one year of the effective date of this section, and an updated 33 emergency evacuation plan shall be filed with the department of state 34 annually thereafter.
- 35 6. Owners located in municipalities with a population of over one million are exempt from developing such plan if such municipalities have 36 ordinances, rules, codes or regulations that establish emergency evacu-37 ation procedures specifically for people with disabilities in high-rise 38 39 buildings.
- 7. Knowing failure to comply with any provision within this section 40 shall be punishable by a civil penalty of up to five hundred dollars. 41
- 42 § 2. This act shall take effect on the ninetieth day after it shall 43 have become a law; provided, however, that high-rise building owners 44 shall have one year from the effective date of this act to establish an emergency evacuation plan.
