The public owner shall pay in full, upon requisition from the contractor, for all materials pertinent to the project which have been delivered to the site or 7 off-site by the contractor and/or subcontractor and suitably stored and secured as required by the public owner and the contractor [provided, 9 the public owner may limit such payment to materials in short and/or 10 critical supply and materials specially fabricated for the project each 11 as defined in the contract]. When the work or major portions thereof as contemplated by the terms of the contract are substantially completed, 12 the contractor shall submit to the public owner and/or [his] its agent a 13 14 requisition for payment of the remaining amount of the contract balance. 15 Upon receipt of such requisition the public owner shall approve and 16 promptly pay the remaining amount of the contract balance less two times 17 the value of any remaining items to be completed and an amount necessary to satisfy any claims, liens or judgments against the contractor which 18 have not been suitably discharged. As the remaining items of work are 19 20 satisfactorily completed or corrected, the public owner shall promptly 21 pay, upon receipt of a requisition, for these remaining items less an amount necessary to satisfy any claims, liens or judgments against the 22 23 contractor which have not been suitably discharged. Any claims, liens 24 and judgments referred to in this section shall pertain to the project 25 and shall be filed in accordance with the terms of the applicable 26 contract and/or applicable laws.

Failure by the contractor to pay any subcontractor or materialman within seven calendar days of the receipt of any 39 payment from the public owner shall result in the commencement and 40 accrual of interest on amounts due to such subcontractor or materialman 41 42 for the period beginning on the day immediately following the expiration 43 such seven calendar day period and ending on the date on which 44 payment is made by the contractor to such subcontractor or materialman. 45 Such interest payment shall be the sole responsibility of the contrac-46 tor, and shall be paid at the rate of interest in effect on the date 47 payment is made by the contractor. Notwithstanding any other provision of law to the contrary, interest shall be computed at the rate established in paragraph (b) of subdivision one of section seven hundred 49 fifty-six-b of the general business law. The contractor shall retain not 50 51 more than five per centum of each payment to the subcontractor [and/or materialman] except that the contractor may retain in excess of five per 52 53 centum but not more than ten per centum of each payment to the subcon-54 tractor provided that prior to entering into a subcontract with the 55 contractor, the subcontractor is unable or unwilling to provide a 56 performance bond and a labor and material bond, both in the full amount

However, except in the case of a materialman who is also contracted to install a 7 product he/she delivered, the contractor shall retain nothing from those payments representing proceeds owed the subcontractor and/or materialman 9 from the public owner's payments to the contractor for the remaining 10 amounts of the contract balance as provided in subdivision one of this 11 section. If the contractor has failed to submit a requisition for the remaining amounts of the contract balance within ninety 12 payment of 13 days of substantial completion as provided in subdivision one of this 14 section, then any clause in the subcontract between the contractor and 15 the subcontractor or materialman which states that payment by the 16 contractor to such subcontractor or materialman is contingent upon 17 payment by the owner to the contractor shall be deemed invalid. Within seven calendar days of the receipt of payment from the contractor, the 18 subcontractor and/or materialman shall pay each of [his] its subcontrac-19 20 tors and materialmen in the same manner as the contractor has paid the 21 subcontractor, including interest as herein provided above. Nothing provided herein shall create any obligation on the part of the public 22 owner to pay or to see to the payment of any moneys to any subcontractor 23 24 or materialman from any contractor nor shall anything provided herein 25 serve to create any relationship in contract or otherwise, implied or 26 expressed, between the subcontractor or materialman and the public 27 owner. 28

(a) The contractor shall periodically, in accordance with the terms of the contract, submit to the public owner and/or [his] its agent a requisition for a progress payment for the work performed and/or materials furnished to the date of the requisition less any amount previously paid to the contractor. The public owner shall in accordance with the terms the contract approve and promptly pay the requisition for the progress payment less an amount necessary to satisfy any claims, liens judgments against the contractor which have not been suitably discharged and less any retained amount as hereafter described. The public owner shall retain not more than five per centum of each progress payment, not including any payment for materials pertinent to the project which have been delivered, accepted and are covered by a manufacturer's warranty, and/or are graded to meet industry standards, to the contractor except that the public owner may retain in excess of five per centum but not more than ten per centum of each progress payment, not including any payment for materials pertinent to the project which have been delivered, accepted and are covered by a manufacturer's warranty, and/or are graded to meet industry standards, to the contractor provided that there are no requirements by the public owner for the contractor to provide a performance bond and a labor and material bond both in the full amount of the contract. The public owner shall pay in full, upon requisition from the contractor, for all materials pertinent to the project which have been delivered to the site or off-site by the contractor and/or subcontractor and suitably stored and

When the work or major portions thereof as contemplated by the terms of the contract are substantially completed, the contractor shall submit to the public owner and/or [his agent a 7 requisition for payment of the remaining amount of the contract balance. Upon receipt of such requisition the public owner shall approve and 9 promptly pay the remaining amount of the contract balance less two times 10 the value of any remaining items to be completed and an amount necessary 11 to satisfy any claims, liens or judgments against the contractor which have not been suitably discharged. As the remaining items of work are 12 13 satisfactorily completed or corrected, the public owner shall promptly 14 pay, upon receipt of a requisition, for these items less an amount 15 necessary to satisfy any claims, liens or judgments against the contrac-16 tor which have not been suitably discharged. Any claims, liens and judg-17 ments referred to in this section shall pertain to the project and shall 18 be filed in accordance with the terms of the applicable contract and/or 19 applicable laws. Where the public owner is other than the city of New 20 York, the term "promptly pay" shall mean payment within thirty days, 21 excluding legal holidays, of receipt of the requisition unless such requisition is not approvable in accordance with the terms of the 22 contract. Notwithstanding the foregoing, where the public owner is other 23 24 than the city of New York and is a municipal corporation which requires 25 an elected official to approve progress payments, "promptly pay" shall 26 mean payment within forty-five days, excluding legal holidays, of 27 receipt of the requisition unless such requisition is not approvable in 28 accordance with the terms of the contract. 29

Payment by contractors to subcontractors. Within seven calendar days of the receipt of any payment from the public owner, the contractor shall pay each of [his] its subcontractors and materialmen the proceeds from the payment representing the value of the work performed and/or materials furnished by the subcontractor and/or materialman and reflecting the percentage of the subcontractor's work completed or the materialman's material supplied in the requisition approved by the owner and based upon the actual value of the subcontract or purchase order less an amount necessary to satisfy any claims, liens or judgments against the subcontractor or materialman which have not been suitably discharged and, with regard to subcontractors, less any retained amount hereafter described. Failure by the contractor to make any payment, including any remaining amounts of the contract balance as hereinafter described, to any subcontractor or materialman within seven calendar days of the receipt of any payment from the public owner shall result in the commencement and accrual of interest on amounts due to such subconor materialman for the period beginning on the day immediately following the expiration of such seven calendar day period and ending on the date on which payment is made by the contractor to such subcontractor or materialman. Such interest shall be the sole responsibility of the contractor, and shall be paid at the rate of interest in effect on date payment is made by the contractor. Notwithstanding any other provision of law to the contrary, interest shall be computed at the rate established in paragraph (b) of subdivision one of section seven hundred fifty-six-b of the general business law. The contractor shall pay in full, upon payment by the public owner, for all materials pertinent to the project which have been delivered to and accepted at 7 the site or off-site by a materialman and are covered by a manufacturer's warranty, and/or are graded to meet industry standards. If the contractor has failed to submit a requisition for 15 payment of the remaining amounts of the contract balance within ninety 16 days of substantial completion as provided in subdivision one of this 17 section, then any clause in the subcontract between the contractor and the subcontractor or materialman which states that payment by the contractor to such subcontractor or materialman is contingent upon 18 19 20 payment by the owner to the contractor shall be deemed invalid. Within seven calendar days of the receipt of payment from the contractor, the subcontractor and/or materialman shall pay each of [his] its subcontrac-22 tors and materialmen in the same manner as the contractor has paid the 23 subcontractor, including interest as herein provided above. 24 25 provided herein shall create any obligation on the part of the public owner to pay or to see to the payment of any moneys to any subcontractor 27 or materialman from any contractor nor shall anything provided herein 28 serve to create any relationship in contract or otherwise, implied or expressed, between the subcontractor or materialman and the public 29 30 owner.

Retainage shall be released by the owner to the contractor no later than thirty days after the final approval of the work under a construction contract. In the event that an owner fails to release retainage as required by this article, or the contractor or subcontractor fails to release a proportionate amount of retainage to the relevant parties after receipt of retainage from the owner, the owner, contractor, or subcontractor, as the case may be, shall be subject to the payment of interest at the rate of one percent per month on the date retention was due and owing.
- 2. Notwithstanding the provisions of subdivision one of this section, no portion of any payment due and owing to a material supplier for materials which have been delivered, accepted and are covered by a manufacturer's warranty, and/or graded to meet industry standards shall be retained by an owner, contractor or subcontractor.
- 51 § 4. This act shall take effect on the thirtieth day after it shall 52 have become a law and shall apply to materials delivered and accepted on 53 or after such effective date.
