

# STATE OF NEW YORK

1801

2021-2022 Regular Sessions

## IN SENATE

January 15, 2021

Introduced by Sens. SAVINO, KAPLAN -- read twice and ordered printed,  
and when printed to be committed to the Committee on Internet and  
Technology

AN ACT to amend the state technology law, in relation to blockchain  
technology and smart contracts

The People of the State of New York, represented in Senate and Assem-  
bly, do enact as follows:

1 Section 1. Section 302 of the state technology law is amended by  
2 adding two new subdivisions 6 and 7 to read as follows:

3 6. "Blockchain technology" shall mean distributed ledger technology  
4 that uses a distributed, decentralized, shared and replicated ledger,  
5 which may be public or private, permissioned or permissionless, or driv-  
6 en by tokenized crypto economics or tokenless. The data on the ledger is  
7 protected with cryptography, is immutable and auditable and provides an  
8 uncensored truth.

9 7. "Smart contract" shall mean an event-driven program that runs on a  
10 distributed, decentralized, shared and replicated ledger and that can  
11 take custody over and instruct transfer of assets on that ledger.

12 § 2. The state technology law is amended by adding a new section 310  
13 to read as follows:

14 § 310. Signatures and records secured through blockchain technology  
15 and smart contracts. 1. A signature that is secured through blockchain  
16 technology is considered to be in an electronic form and to be an elec-  
17 tronic signature.

18 2. A record or contract that is secured through blockchain technology  
19 is considered to be in an electronic form and to be an electronic  
20 record.

21 3. Smart contracts may exist in commerce. A contract relating to a  
22 transaction may not be denied legal effect, validity or enforceability  
23 solely because that contract contains a smart contract term.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets  
[-] is old law to be omitted.

LBD03139-01-1

1     4. Notwithstanding any other law, rule or regulation to the contrary,  
2     a person that, in or affecting interstate or foreign commerce, uses  
3     blockchain technology to secure information that the person owns or has  
4     the right to use retains the same rights of ownership or use with  
5     respect to that information as before the person secured the information  
6     using blockchain technology. This subdivision does not apply to the use  
7     of blockchain technology to secure information in connection with a  
8     transaction to the extent that the terms of the transaction expressly  
9     provide for the transfer of rights of ownership or use with respect to  
10    that information.

11     § 3. This act shall take effect immediately.
