IN SENATE

(Prefiled)

January 6, 2021

Introduced by Sen. PERSAUD -- read twice and ordered printed, and when printed to be committed to the Committee on Transportation

AN ACT to amend the transportation law, in relation to requiring certain for-hire vehicles to install and maintain an interior rear-facing video camera

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

- 1 Section 1. Section 140 of the transportation law is amended by adding 2 a new subdivision 11 to read as follows:
- 11. a. All commercial motor vehicles that transport passengers forhire with a seating capacity of six passengers or less except for a
 black car, limousine, or luxury limousine, as such terms are defined in
 section 19-502 of the administrative code of the city of New York, or as
 otherwise defined in local law, shall be required to install and maintain an interior rear-facing video camera. Such video camera shall be
 recording at all times the vehicle is being operated for the purpose of
 for-hire transportation, and at minimum shall:
- 11 (i) capture and record any operator or passenger who enters or exits
 12 the vehicle;
- 13 (ii) store, at a minimum, the sixty most recent hours of operation; 14 and
- (iii) have the ability to transmit data or otherwise provide access to local law enforcement and the local regulatory authority which has licensed the motor vehicle for for-hire transportation services.
- b. The requirement set forth in this subdivision shall not limit the brand or provider of video cameras which can be utilized to comply with
- 20 this subdivision. Rather, any commercial video camera that meets the
- 21 minimum requirements of this subdivision shall be considered as comply-
- 22 <u>ing with this subdivision.</u>

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[-] is old law to be omitted.

c. No law or regulation shall prohibit the installation and use of a 2 front-facing camera as long as the minimum requirements set forth in 3 paragraph a of this subdivision are met. Where such video camera system 4 also has a front-facing video camera, the vehicle owner's motor vehicle insurance provider must have similar access to such data.

- d. The requirement set forth in this subdivision shall supersede any local regulation of video cameras installed in commercial motor vehicles engaged in the for-hire transport of passengers.
- 9 § 2. This act shall take effect on the ninetieth day after it shall 10 have become a law.
