3 [~~b~~] (b) For public employees who are not represented by an employee
4 organization, the public employer may opt-in to paid family leave bene-
5 fits within ninety days notice to such public employees. Following opt-
6 in by a public employer for public employees not represented by an
7 employee organization, the public employer may opt-out of paid family
8 leave benefits with twelve months notice to those public employees.

9 (c) (i) Notwithstanding the provisions of this section, every employer
10 shall provide paid family leave benefits to the spouse, domestic part-
11 ner, child, or parent of the employee who is on active duty (or has been

13 forces, national guard or reserves in accordance with the applicable
14 provisions of this article.

15 (ii) A covered servicemember or veteran is an eligible employee's
16 spouse, parent, son, daughter, or next of kin who is a member of the
17 armed forces, national guard or reserves, who is undergoing medical
18 treatment, recuperation, or therapy, is otherwise in outpatient status,
19 or is otherwise on the temporary disability retired list, for a serious
20 injury or illness that was incurred by the member in the line of duty on
21 active duty in the armed forces (or existed before the beginning of the
22 member's active duty and was aggravated by service in the line of duty
23 on active duty in the armed forces); or a veteran who is undergoing
24 medical treatment, recuperation, or therapy for a serious injury or
25 illness and who was a member of the armed forces (including a member of
26 the national guard or reserves) at any time during the period of five
27 years preceding the date on which the veteran undergoes that medical
28 treatment, recuperation, or therapy. Leave is available on an intermit-
29 tent basis, as necessary.

30 (iii) Eligible employees are allowed up to twenty-six weeks of leave
31 in a single twelve-month period per covered servicemember or veteran per
32 injury. The twelve-month period must be measured forward from the start
33 date of the first use of military caregiver leave. Additional periods
34 of up to twenty-six weeks of leave may be taken in subsequent twelve-
35 month periods to care for a different servicemember or veteran or to
36 care for the same servicemember or veteran who has a subsequent serious
37 illness or injury. A husband and wife, who are both employed by the same
38 public employer, are limited to a combined twenty-six weeks of military
39 caregiver leave in a single twelve-month period per servicemember or
40 veteran, per injury.

41 (iv) An employee organization representing such employees may not
42 opt-out of such coverage pursuant to a collective bargaining agreement.
