2 other measure generally used by the health care employer to determine
3 when an employee is minimally supposed to work, consistent with the
4 collective bargaining agreement, if any. Nothing in this section shall
5 be construed to permit an employer to use on-call time as a substitute
6 for mandatory overtime.

7 2. a. Notwithstanding any other provision of law no health care
8 employer shall require a nurse to work more than that nurse's regularly
9 scheduled work hours, except pursuant to subdivision three of this
10 section.

11 b. Nothing in this section shall prohibit a nurse from voluntarily
12 working overtime.

13 3. The limitations provided for in this section shall not apply in the
14 case of:

15 a. a health care disaster, such as a natural or other type of disaster

35 to protect the public health and the quality of patient care, and shall
36 not be construed to diminish or waive any rights of any nurse pursuant
37 to any other law, regulation, or collective bargaining agreement.

38 5. If, after investigation, the commissioner determines that an
39 employer has violated this section, the commissioner shall issue to the
40 employer an order directing compliance therewith, which shall describe
41 particularly the alleged violation. A copy of such order shall be
42 provided to any employee who has filed a complaint and to his or her
43 authorized representative. The commissioner shall assess the employer a
44 civil penalty of not less than one thousand nor more than ten thousand
45 dollars, per violation. The employee shall receive an additional fifteen
46 percent of the overtime payment from the employer for each violation as
47 damages.

48 § 2. This act shall take effect on the sixtieth day after it shall
49 have become a law.
