24 requirement may be granted by the department for reasons of health  
25 certified by an appropriate health care professional, for extended  
26 active duty with the armed forces of the United States, or for other

28 (c) A licensed athletic trainer not engaged in practice, as determined  
29 by the department, shall be exempt from the mandatory continuing educa-

51 may not be transferred to a subsequent triennium.

53 tration to a licensee who fails to meet the continuing education  
54 requirements established in subdivision two of this section but who  
55 agrees to make up any deficiencies and complete any additional education  
56 which the department may require. The fee for such a conditional regis-

1 tration shall be the same as, and in addition to, the fee for the trien-  
2 ennial registration. The duration of such conditional registration shall  
3 be determined by the department but shall not exceed one year. Any  
4 licensee who is notified of the denial of registration for failure to  
5 submit evidence, satisfactory to the department, of required continuing  
6 education and who practices without such registration may be subject to  
7 disciplinary proceedings pursuant to section sixty-five hundred ten of

21 acceptable to the department. Formal courses shall be taken from a  
22 sponsor approved by the department, based upon an application and fee,  
23 pursuant to the regulations of the commissioner.

24 5. The department may, in its discretion and as needed to contribute  
25 to the health and welfare of the public, require the completion of  
26 continuing education credits in specific subjects to fulfill this manda-  
27 tory continuing education requirement.

28 6. A licensed athletic trainer shall maintain adequate documentation  
29 of completion of acceptable formal continuing education and shall  
30 provide such documentation at the request of the department. Failure to  
31 provide such documentation upon the request of the department shall be  
32 an act of misconduct subject to disciplinary proceedings pursuant to  
33 section sixty-five hundred ten of this title.

34 7. The mandatory continuing education fee shall be payable on or

56 gency treatment unless it is established that such injuries were or such

1 death was caused by gross negligence on the part of such athletic train-
