8 trainer's education, experience, and competencies.

9 (b) The work of athletic training is performed under the supervision
10 of a physician pursuant to a standard written protocol for athletic
11 training services. Supervision by a physician shall be continuous but
12 shall not be construed as requiring the physical presence of the super-
13 vising physician at the time and place where such services are
14 performed.

30 pathologies and comorbidities or neurological disease processes with the
31 exception of initial evaluation and triage of emergent neurological
32 conditions such as potential concussions, spinal cord injuries or nerve

51 section shall be construed to prohibit the use of an epinephrine auto-

1 does not so provide, then the supervising physician's decision shall
2 prevail.

43 section.

44 (b) Each licensed athletic trainer shall be exempt from the mandatory
45 continuing education requirement for the triennial registration period
46 during which he or she is first licensed. In accordance with the intent
47 of this section, adjustment to the mandatory continuing education
48 requirement may be granted by the department for reasons of health
49 certified by an appropriate health care professional, for extended
50 active duty with the armed forces of the United States, or for other
51 good cause acceptable to the department which may prevent compliance.

52 (c) A licensed athletic trainer not engaged in practice, as determined
53 by the department, shall be exempt from the mandatory continuing educa-

55 declaring such status. Any licensee who returns to the practice of
56 athletic training during the triennial registration period shall notify

1 the department prior to reentering the profession and shall meet such
2 mandatory education requirements as shall be prescribed by regulations
3 of the commissioner.

4 2. During each triennial registration period, an applicant for regis-

11 tion hours on a prorated basis at the rate of one hour per month for the
12 period beginning January first, two thousand twenty-two and then fifteen
13 hours per year until his or her first registration date thereafter. A
14 licensee who has not satisfied the mandatory continuing education
15 requirements shall not be issued a triennial registration certificate by
16 the department and shall not practice unless and until a conditional
17 registration certificate is issued as provided for in subdivision three
18 of this section. Continuing education hours taken during one triennium
19 shall not be transferred to a subsequent triennium.

20 3. The department, in its discretion, may issue a conditional regis-
21 tration to a licensee who fails to meet the continuing education
22 requirements established in subdivision two of this section but who
23 agrees to make up any deficiencies and complete any additional education
24 which the department may require. The fee for such a conditional regis-
25 tration shall be the same as, and in addition to, the fee for the trien-
26 niel registration. The duration of such conditional registration shall
27 be determined by the department but shall not exceed one year. Any
28 licensee who is notified of the denial of registration for failure to
29 submit evidence, satisfactory to the department, of required continuing
30 education and who practices without such registration may be subject to
31 disciplinary proceedings pursuant to section sixty-five hundred ten of
32 this title.

33 4. For purposes of this section:

34 (a) "acceptable learning activities" shall include, but not be limited
35 to, formal courses of learning which contribute to professional practice
36 in athletic training and/or self-study activities; independent study;
37 formal mentoring activities; publication in professional journals; or
38 lectures, which meet the standards prescribed by regulations of the
39 commissioner; and

40 (b) "formal courses of learning" shall include, but not be limited to,

42 programs and technical sessions offered by national, state and local
43 professional associations and any other organizations acceptable to the
44 department, and any other organized educational and technical programs
45 acceptable to the department. Formal courses shall be taken from a
46 sponsor approved by the department, based upon an application and fee,
47 pursuant to the regulations of the commissioner.

48 5. The department may, in its discretion and as needed to contribute
49 to the health and welfare of the public, require the completion of
50 continuing education credits in specific subjects to fulfill the manda-
51 tory continuing education requirement under this section.

52 6. A licensed athletic trainer shall maintain adequate documentation
53 of completion of acceptable formal continuing education and shall
54 provide such documentation at the request of the department. Failure to
55 provide such documentation upon the request of the department shall be

an act of misconduct subject to disciplinary proceedings pursuant to section sixty-five hundred ten of this title.

7. The mandatory continuing education fee shall be payable on or before the first day of each triennial registration period, and shall be paid in addition to the triennial registration fee required by section eighty-three hundred fifty-five of this article.

§ 8356-b. Special provisions. Any person who is certified as an athletic trainer by the department on the effective date of this section shall have one year from the effective date to apply for and qualify for licensure as an athletic trainer without meeting any additional requirements.

§ 8357. Non-liability of [~~certified~~] licensed athletic trainers for first aid or emergency treatment. Notwithstanding any inconsistent provision of any general, special or local law, any [~~certified~~] licensed athletic trainer who voluntarily and without the expectation of monetary compensation renders first aid or emergency treatment at the scene of an accident or other emergency, outside a hospital, doctor's office or any other place having proper and necessary athletic training equipment, to a person who is unconscious, ill or injured, shall not be liable for damages for injuries alleged to have been sustained by such person or for damages for the death of such person alleged to have occurred by reason of an act or omission in the rendering of such first aid or emergency treatment unless it is established that such injuries were or such death was caused by gross negligence on the part of such athletic trainer. Nothing in this section shall be deemed or construed to relieve a [~~certified~~] licensed athletic trainer from liability for damages for injuries or death caused by an act or omission on the part of an athletic trainer while rendering professional services in the normal and ordinary course of his or her practice.

§ 9. Section 8358 of the education law is renumbered section 8359 and a new section 8358 is added to read as follows:

3. The fee for each limited permit and for each renewal shall be seventy dollars.

4. A limited permit holder shall practice only under the supervision of a physician as determined in accordance with the commissioner's regulations.
