1 Section 1. Section 1702 of the education law is amended by adding a 2 new subdivision 4 to read as follows:

3 4. a. Notwithstanding any other provision of law to the contrary, a 4 board of education of a union free school district contained entirely or 5 partially within Rockland county may, by resolution and subject to a б mandatory referendum, establish school election wards for purposes of 7 electing individual trustees. There shall be at least three, but no more 8 than nine, school election wards within a school district. One trustee 9 shall be chosen from each ward by the qualified voters therein. Within such resolution, a board of education may require that a trustee elected 10 11 to represent a ward shall be a resident of such ward. 1	ution. The board of education shall conduct no fewer than three public
2	hearings on such resolution.
3	(ii) Such public hearings shall be conducted not less than thirty nor
4	more than ninety days prior to a vote on the resolution by a majority of
5	the qualified voters of the district. The district clerk shall give
б	notice of the public hearing by publishing a notice five times within
7	fifteen days preceding the hearing, on the district's website and in two
8	newspapers if there shall be two, or in one newspaper if there shall be
9	but one, having general circulation within such district. But if no
10	newspaper shall then have general circulation therein, said notice shall
11	be posted in at least twenty of the most public places in said district
12	fifteen days before the time of the first hearing.
13	(iii) Following such public hearings, a proposition for approval of
14	such resolution and the boundaries of proposed school election wards by
15	a majority of the qualified voters of such district shall be submitted
16	at the next succeeding annual meeting and election. The district clerk
17	shall give notice of such proposition by publishing notice prior to the
18	election, in the same manner and publication as the public hearings, set
19	forth in this section, specifying the time when and place or places
20	where such election will be held, the hours during which the polls will
21	remain open for the purpose of receiving ballots, and setting forth in
22	full the language of the proposition to be approved at such election. In
23	any event, there shall be at least one polling location for every
24	fifteen thousand eligible voters in the district and the hours of the
25	election shall commence no later than six o'clock in the morning and
26	shall end no earlier than nine o'clock in the evening.
27	(iv) At least fifteen days prior to conducting public hearings, the
28	board of education shall define and publish, by resolution, boundaries
29	of each of the proposed school election wards. Should such map be
30	altered as a result of the public hearings, the amended map shall be
31	published pursuant to this paragraph no later than fifteen days before
32	the election. Such wards shall be contiguous and each ward shall contain
33	as nearly as possible the same number of inhabitants. Each ward shall
34	also conform as closely as possible with the attendance zone of the
35	school district, conform as closely as possible with geographic and
36	other physical boundaries, and retain contiguous communities of inter-
37	est.
38	(v) A map of each ward and the boundaries thereof shall be created
39	with the original filed with the district clerk within ten days of the
40	resolution and copies thereof filed in the board of elections of the
41	county. Upon each issuance of a federal decennial census, the board of
42	education shall either: (A) make a written finding that, upon examina-
43	tion of the decennial census, the current school election wards contain
44	nearly as possible the same number of inhabitants and that no discrimi-
45	nation or disenfranchisement would result if the wards remained as
46	established; or (B) the school election wards shall be redefined by
47	resolution of the board of education, after a public hearing thereon,
48	and approval by the qualified voters of the school district. If the
49	qualified voters of the school district shall not approve of the resol-
50	ution, the board of education shall submit a second resolution for
51	approval by the qualified voters of the school district, after a public
52	hearing thereon, within ninety days. If the qualified voters of the
53	school district shall not approve of such resolution for a second time,
54	the board of education shall continue the membership and terms of the
55	current board until the next annual meeting and election at which time
56	the terms of all current trustees shall terminate. At the next annual

1	meeting and election, trustees shall be elected by a vote of the quali-
2	fied voters of the school district pursuant to article forty-three of
3	this title.
4	(vi) After a school election ward system shall have been established,
5	the term of every existing trustee shall terminate on the thirtieth day
б	of June next succeeding the first annual meeting and election following
7	voter approval of the referendum, at which time the terms for each
8	elected school ward trustee shall commence.
9	c. The term of office of each trustee from a school election ward
10	shall be three, four, or five years, to be determined at the discretion
11	of the board of education by resolution prior to the referendum;
12	provided however that the resolution shall also designate that in the
13	first annual meeting and election after the adoption of a school
14	election ward system, the initial terms shall be divided into terms of
15	three, four, or five years so that as nearly as possible an equal number
16	of trustees shall be elected each year. In each election cycle thereaft-
17	er, the terms of office shall be uniform. In each school election ward,
18	the candidate receiving a plurality of votes in each school election
19	ward shall be declared elected to that position.
20	<u>d. Whenever a vacancy shall occur or exist in the office of a ward</u>
21	trustee of a board of education, such vacancy shall be filled pursuant
22	to this article and part one of article forty-three of this title.
23	e. Except as provided in this subdivision, all provisions of this
24	article, article forty-one, and article forty-three of this title or of
25	any other general law relating to or affecting the election of trustees
26	in a union free school district shall apply to school election wards
27	organized pursuant to this subdivision and to the election of trustees
28	by the qualified voters of a school district as established pursuant to
29	paragraph f and subparagraph (iv) of paragraph b of this subdivision.
30	f. A board of education of a union free school district which has
31	established school election wards pursuant to this subdivision may, by
	resolution and subject to a mandatory referendum, abolish the school

The board of education shall conduct no fewer than three public 9 hearings on such resolution. 10 (ii) Such public hearings shall be conducted not less than thirty nor 11 more than ninety days prior to a vote on the resolution by a majority of the qualified voters of the district. The public hearings shall be held 12 at a school district building or other appropriate building, each within 13 14 a different proposed school election ward. If there is no school district building or other appropriate building within three separate 15 16 proposed school election wards, a meeting shall be held at the school 17 building or other appropriate building closest in proximity to the proposed school election ward or wards containing no school district 18 buildings or other appropriate buildings. If the б qualified voters of the school district shall not approve of the resolution, the board of education shall submit a second resolution for 7 8 approval by the qualified voters of the school district, after a public 9 hearing thereon, within ninety days. If the qualified voters of the 10 school district shall not approve of such resolution for a second time, 11 the board of education shall continue the membership and terms of the current board until the next annual meeting and election at which time 12 13 the terms of all current members shall terminate. At the next annual 14 meeting and election, members shall be elected by a vote of the qualified voters of the school district pursuant to article forty-three of 15 16 this title. 17 (vi) After a school election ward system shall have been established, the term of every existing member shall terminate on the thirtieth day 18 19 of June next succeeding the first annual meeting and election following voter approval of the referendum, at which time the terms for each 20 21 elected school ward member shall commence. c. The term of office of each school board member from a school 22 election ward shall be three, four, or five years, to be determined at 23 the discretion of the board of education by resolution prior to the 24 referendum; provided however that the resolution shall also designate 25 26 that in the first annual meeting and election after the adoption of a 27 school election ward system, the initial terms shall be divided into terms of three, four, or five years so that as nearly as possible an 28 29 equal number of trustees shall be elected each year. Except as provided in this subdivision, all provisions of this 36 article, article forty-one, and article forty-three of this title or of 37 any other general law relating to or affecting the election of school 38 board members in a central school district shall apply to school 39 election wards organized pursuant to this subdivision and to the 40 41 election of members by the qualified voters of a school district as 42 established pursuant to paragraph f and subparagraph (iv) of paragraph b 43 of this subdivision. 44 f. A board of education of a central school district which has estab-45 lished school election wards pursuant to this subdivision may, by resol-46 ution and subject to a mandatory referendum, abolish the school election 47 ward system and return to election of trustees by a vote of the quali-48 fied voters of the school district. Adoption, assessment, public hearing and notice, and voting requirements of such resolution and referendum 49 shall comply with the provisions of subparagraphs (i), (ii), and (iii) 50 51 of paragraph b of this subdivision. g. For the purpose of this subdivision, "contiguous community of 52 53 interest" means a contiguous population which shares common social and 54 economic interests that should be included within a single district for purposes of its effective and fair representation. 55 56 § 3.
