

STATE OF NEW YORK

2220

2021-2022 Regular Sessions

IN SENATE

January 20, 2021

Introduced by Sen. SEPULVEDA -- read twice and ordered printed, and when printed to be committed to the Committee on Energy and Telecommunications

AN ACT to amend the public authorities law, in relation to requiring at least one electric charging station for every one hundred fifty thousand New York state residents

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Subdivision 9-a of section 1005 of the public authorities
2 law, as added by section 1 of part KK of chapter 58 of the laws of 2019,
3 is amended to read as follows:

4 9-a. [~~As deemed feasible and advisable by the trustees, to~~] To design,
5 finance, develop, construct, install, lease, operate and maintain elec-
6 tric vehicle charging stations throughout the state for use by the
7 public, with at least one charging station for every one hundred fifty
8 thousand New York state residents. The construction and development of
9 such electric vehicle charging stations shall comply with the provisions
10 of article eight of the labor law, including the payment of a wage of
11 not less than the prevailing wage in the locality where such electric
12 vehicle charging station is located. The authority shall annually post
13 on their website a report on those activities undertaken pursuant to
14 this subdivision, including but not limited to: the total number of
15 electric vehicle charging stations in operation pursuant to such author-
16 ization, the locations of such charging stations, and the total costs to
17 the authority associated with such activities.

18 § 2. This act shall take effect immediately.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[-] is old law to be omitted.
