The People of the State of New York, represented in Senate and Assem-  
bly, do enact as follows:

1 Section 1. This act shall be known and may be cited as the "hit-and-

1 one thousand nor more than two thousand five hundred dollars in addition  
2 to any other penalties provided by law. Any violation of the provisions  
3 of paragraph a of this subdivision, other than for the mere failure of  
4 an operator to exhibit his or her license and insurance identification  
5 card for such vehicle or exchange the information required in such para-  
6 graph, where the personal injury involved (i) results in serious phys-  
7 ical injury, as defined in section 10.00 of the penal law, shall consti-  
8 tute a class ~~[B]~~ D felony, punishable by a fine of not less than one  
9 thousand nor more than five thousand dollars in addition to any other  
10 penalties provided by law, or (ii) results in death shall constitute a  
11 class ~~[D]~~ C felony punishable by a fine of not less than two thousand  
12 nor more than five thousand dollars in addition to any other penalties  
13 provided by law.

14 § 3. The division of criminal justice services shall establish a  
15 public information campaign to instruct the public that leaving the  
16 scene of a collision can result in serious penalties and the penalties  
17 will be significantly increased if a motorist leaves the scene of a  
18 collision that results in serious injury or death. The campaign shall  
19 stress that an intoxicated or impaired motorist that leaves the scene  
20 will not avoid the severity of charges of driving while intoxicated  
21 (DWI) or driving while ability impaired (DWAI). This act makes the  
22 penalties for leaving the scene of a collision that results in serious  
23 injury or death the same whether the individual is intoxicated or sober.  
24 By staying at the scene of a collision and calling 911, the victim has a  
25 greater chance at survival and recovery.

26 § 4. The division of criminal justice services shall establish and  
27 administer a state wide hit-and-run alert system. When a hit-and-run  
28 results in serious physical injury or death within the state, the  
29 responding law enforcement agency shall request a hit-and-run alert from  
30 the division of criminal justice services. This request shall include at  
31 least detailed information on the make, model, color and license plate  
32 number of the vehicle and a driver description, when available. The  
33 division of criminal justice services shall formulate criteria to deter-  
34 mine whether a law enforcement agency's request includes sufficient data  
35 to justify an alert. If the criteria are met, the division of criminal  
36 justice services shall approve and administer the alert. A hit-and-run  
37 alert shall include information on the suspect vehicle and be distrib-  
38 uted electronically by email notification, text message, and/or tele-  
39 phone to every police agency, television and radio station, newspaper,  
40 travel plaza, toll barrier, airport, bus terminal, train station, and  
41 border crossing. The division of criminal justice services can determine  
42 which distribution channels are used to ensure that alerts are effi-  
43 ciently reaching the broadest audience. The alert will continue for a  
44 particular amount of time determined by the division of criminal justice  
45 services.

46 § 5. The sum of one million dollars (\$1,000,000), or so much thereof  
47 as may be necessary, is hereby appropriated to the public information  
48 campaign to instruct the public on leaving the scene of a collision as  
49 established pursuant to section three of this act from any moneys in the  
50 state treasury not otherwise appropriated and made immediately available  
51 to the division of criminal justice services for the purposes of carry-  
52 ing out the provisions of section three of this act. Such moneys shall  
53 be payable on the audit and warrant of the comptroller on vouchers  
54 certified or approved by the commissioner of criminal justice services  
55 in the manner prescribed by law.

1     § 6. This act shall take effect on the one hundred twentieth day after  
2     it shall have become a law. Effective immediately, the addition, amend-  
3     ment and/or repeal of any rule or regulation necessary for the implemen-  
4     tation of this act on its effective date are authorized to be made and  
5     completed on or before such effective date.
