- 6 b) Where applicable, appropriations made by this chapter for expendi-

20 change is clearly indicated by the use of brackets [-] for deletions and
21 underscores for additions, the purposes, amounts, funding source and all
22 other aspects pertinent to each item of appropriation shall be as last

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[-] is old law to be omitted.

LBD12553-08-1

1 For the purpose of complying with the state finance law, the year,
2 chapter and section of the last act reappropriating a former original
3 appropriation or any part thereof is, unless otherwise indicated, chap-
4 ter 53, section 1, of the laws of 2020 and, for the department of
5 health, chapter 50, section 3, of the laws of 2020.

6 d) No moneys appropriated by this chapter shall be available for
7 payment until a certificate of approval has been issued by the director
8 of the budget, who shall file such certificate with the department of
9 audit and control, the chairperson of the senate finance committee and
10 the chairperson of the assembly ways and means committee.

11 e) Notwithstanding any provision of law to the contrary, prior to the
12 expenditure of any funds received by the Federal government in response
13 to the COVID-19 public health emergency pursuant to the authority grant-
14 ed in any appropriation set forth herein, the director of the budget may
15 require that the agency or public authority making such expenditures
16 submit an allocation plan to the director of the budget for approval.
17 Approved allocation plans shall be provided to the president pro tempore
18 of the senate and the speaker of the assembly within 30 days of
19 approval. Such allocation plan must comport with any minimum Federal
20 requirements for the expenditure of such funds.

21 f) Notwithstanding any provision of law to the contrary, for purposes
22 of any appropriation made by this chapter which authorizes spending in
23 an amount net of refunds, rebates, credits, and/or disallowances,
24 "refunds" shall mean funds received to the state resulting from the
25 overpayment of monies, "rebates" shall mean funds received to the state
26 resulting from a return of a full or partial amount previously paid, as
27 for goods or services, serving as a reduction, discount or rebate to the
28 original payment amount, "credit" shall mean monies made available to
29 the state that reduce the amount owed to a third party, including but
30 not limited to billing errors, rebates, and prior overpayments, and
31 "disallowance" shall mean monies made available to the state that were
32 not allowed or accepted officially by the intended recipient, based on a
33 determination the payment is not acceptable and/or valid. When the
34 office of the state comptroller receives any such refunds, rebates,
35 credits, and/or disallowances, he or she shall credit the refunded,
36 rebated, credited, and disallowed amount back to the original appropri-
37 ation and reduce expenditures in the year which such credit is received
38 regardless of the timing of the initial expenditure.

39 g) Notwithstanding any other provision of law to the contrary, if the
40 state or any agency thereof incurs any costs associated with administer-
41 ing the rent regulation program in accordance with subdivision (c) of
42 section 8 of chapter 576 of the laws of 1974, as amended, for a city
43 having a population of one million or more, the director of the budget
44 may direct any other state agency or agencies making payments to such
45 city, or any department, agency, or instrumentality thereof, to perma-
46 nently reduce the amount of any other payment or payments owed to such
47 city or any department, agency, or instrumentality thereof pursuant to
48 any appropriation set forth in this chapter. Provided however, that such
49 reduction shall be in an amount equal to the costs incurred by the state
50 or agency thereof in accordance with subdivision (c) of section 8 of
51 chapter 576 of the laws of 1974 and provided further that such direction
52 shall be made in writing by the director of the budget. If the director
53 of the budget makes such direction pursuant to the authority set forth
54 herein, the impacted city shall not make the payments required by subdivi-
55 sion (c) of section 8 of chapter 576 of the laws of 1974, as amended,
56 and the division of housing and community renewal shall notify such city

1 in writing of what payment or payments will be reduced and the amount of
2 such reduction. To the extent a city of one million or more or any
3 department, agency, or instrumentality thereof is entitled to any cash
4 disbursement authorized by any appropriation contained in this chapter,
5 such entitlement shall be reduced commensurate with reductions in
6 payments made in accordance with this part.

7 h) Notwithstanding any provision of law to the contrary, upon enact-
8 ment of this chapter of the laws of 2021 containing the aid to locali-
9 ties budget bill for the state fiscal year 2021-2022, all appropriations
10 and reappropriations contained in chapter 53 of the laws of 2020, which
11 would otherwise lapse by operation of law on March 31, 2022 are hereby
12 repealed.

13 i) The appropriations contained in this chapter shall be available for
14 the fiscal year beginning on April 1, 2021 except as otherwise noted.

10 payments made to foster parents and for
11 salary and fringe benefit costs and other
12 critical nonpersonal services costs for

16 care provided by congregate care and
17 foster boarding home programs and to
18 foster parents to reflect the cost of
19 living adjustments in the manner specified
20 by the office. Each authorized agency
21 operating a congregate care or foster

23 for which the office sets a maximum state
24 aid rate pursuant to section 398-a of the
25 social services law or section 4003 or
26 4405 of the education law shall submit, at
27 the time and in a manner to be determined
28 by the office, a written certification,
29 attesting that the funds received for the
30 continuation of the cost of living adjust-
31 ment to the maximum state aid rate that
32 became effective April 1, 2008 for that
33 program will be or were used solely in
34 accordance with the requirements of the
35 cost of living adjustment established by
36 the office.

37 Notwithstanding any inconsistent provision

1 Notwithstanding any other provision of

5 cost allocation methodology and net of any
6 retroactive payments for the 12 month
7 period ending June 30, 2020 that are
8 submitted on or before January 2, 2021
9 and, in part, on such other factors as

17 on preventive services provided pursuant
18 to section 409-a of the social services

30 sive of any federal funds made available

7 reimbursing a social services district and
8 a district shall not seek state reimburse-
9 ment for any portion of any state disal-
10 lowance or sanction taken against the
11 social services district, or any federal
12 disallowance attributable to final federal
13 agency decisions or to settlement made, on

16 of the social services district to comply
17 with federal or state requirements,
18 including, but not limited to, failure to
19 document eligibility for federal or state

21 er, if the office determines that any
22 federal disallowance for services provided
23 between January 1, 1999 and May 31, 1999
24 results solely from the late enactment of
25 the state legislation implementing the
26 federal adoption and safe families act,
27 the state shall be solely responsible for
28 the full amount of the disallowance or

31 prospectively and retroactively regardless
32 of whether such sanctions or disallowances
33 are for services provided or claims made
34 prior to or after April 1, 2021.

35 Notwithstanding any other provision of law,
36 any federal disallowance resulting from a
37 federal title IV-E eligibility review or
38 audit that uses extrapolated statistic
39 techniques shall be passed along by the
40 state to any and all social services

44 requirements or have not taken the neces-

46 such requirements including, but not
47 limited to, failing to: assess and fully

claim title IV-E funding only for cases
that meet all of the title IV-E eligibil-
ity criteria; and fully implement the
social services payment system on or
before April 1, 2005 for all direct and
voluntary agency foster care services.

Notwithstanding any law to the contrary, the
office of children and family services
shall impose on social services districts
any federal disallowance issued against
the state as a result of a federal title
IV-E secondary eligibility review regard-
less of the date the children may have
entered foster care, the date the eligi-
bility or payment errors occurred, or the
filing date of any federal claims for
reimbursement; provided, however, that the
state shall be responsible for the disal-
lowed costs and expenditures related to
the placement of children in a facility
operated by the office of children and
family services, which shall be determined
in the same manner as the disallowed costs
and expenditures for social services
districts other than the city of New York.
In order to reimburse the federal govern-
ment for the full amount of any disallow-
ance imposed on the state by the federal
administration for children and families
within the timeframes necessary to avoid
any potential interest payments on such
amount, the office of children and family
services is authorized to immediately
offset funds otherwise due to each
district for a pro rata share of the total
disallowed costs based on the percentage
of applicable federal title IV-E claims
made by that district for the relevant
time period as compared to the total
applicable statewide title IV-E claims.
The amount of the offset against each
district will be adjusted, if necessary,
upon completion of the disallowance allo-
cation process. The final allocation of
the amount of any federal disallowance
resulting from a title IV-E secondary
eligibility review shall be allocated
among the districts so that each district
shall be responsible for the amount
attributable to each of the district's

1 children or cases that are determined by
2 the federal review to be unallowable. Each
3 district shall also be responsible for a
4 portion of the federal extrapolated disal-
5 lowance amount based on the relative error
6 rate for the district. The city of New
7 York's error rate will be based on the
8 federal sample and federal statistics. For
9 all social services districts other than
10 the city of New York, the error rate will
11 be based on a review conducted by the
12 district of a sample of children and/or
13 cases determined by the office of children
14 and family services and a re-review of a
15 sub-sample by the office of those children
16 and/or cases determined by the office. The
17 office of children and family services
18 will determine what is reasonable in
19 establishing the size of the sample and
20 sub-sample for each district. The office
21 of children and family services shall
22 notify each social services district of
23 the sample of children and/or cases from
24 the federal audit period that the social
25 services district must review. Any child
26 or case from the social services district
27 that was included in the federal sample
28 will automatically be included in the
29 social services district's review sample
30 and the determination made at the federal
31 review regarding that child or case will
32 govern for the purposes of the social
33 services district's review. The social
34 services district must complete and submit
35 the results of its review to the office of
36 children and family services within 60
37 days of receipt of the sample. The error
38 rate for the district will be based on the
39 findings of the district's review and the
40 office of children and family services'
41 re-review. If a social services district
42 does not complete its review within 60
43 days of receiving the sample from the
44 office of children and family services,
45 the office of children and family services
46 shall assign an error rate to the social

1 circumstances that the office of children
2 and family services may consider in order
3 to allocate 100 percent of the federal
4 disallowance. The office of children and
5 family services shall apply each social
6 services district's error rate to the
7 total amount of the district's applicable
8 title IV-E claims including associated
9 administrative expenses. The resulting
10 dollar amounts for all of the social
11 services districts will be summed to
12 derive the total amount of title IV-E
13 claims deemed to be in error statewide. To
14 establish a disallowance percentage for
15 each social services district, the amount
16 of the district's title IV-E claims deemed
17 to be in error will be divided by the
18 amount of statewide title IV-E claims
19 deemed to be in error. The resulting
20 disallowance percentage for each district
21 will be applied to the entire title IV-E
22 extrapolated disallowance calculated by
23 the federal review to determine the amount
24 of the extrapolated disallowance for which
25 the district is responsible. Each district
26 will be credited for the amount already
27 disallowed for any individual children or
28 cases found to be in error during the
29 federal review. The exclusive appeal
30 rights for the review of the amount of the
31 federal disallowance assigned to each
32 social services district shall be pursuant
33 to article 78 of the civil practice law
34 and rules; provided, however, that in any
35 such action all of the social services
36 districts shall be joined as necessary
37 parties and the venue of any such action
38 shall be in Rensselaer county. Any social
39 services district that fails to complete

44 district.

4 Notwithstanding any inconsistent provision of law, the amount appro-
5 priated herein, shall be available under a foster care block grant
6 for state reimbursement of eligible social services district expend-
7 itures for the provision and administration of foster care services
8 including care, maintenance, supervision, and tuition; for super-
9 vision of foster children placed in federally funded job corps
10 programs; for care, maintenance, supervision, and tuition for adju-
11 dicated juvenile delinquents placed in residential programs operated
12 by authorized agencies and in out-of-state residential programs; and
13 for the provision and administration of the kinship guardian assist-
14 ance program including kinship guardianship assistance payments and
15 payments for non-recurring guardianship expenses; except that,
16 reimbursement from the amount appropriated herein shall not be
17 available for tuition expenditures for foster children, including
18 persons in need of supervision and adjudicated juvenile delinquents,
19 made by a social services district located within a city having a
20 population of one million or more.

21 Notwithstanding any other provision of law, a portion of the funds are
22 available to reimburse social services districts for the change in
23 the maximum state aid rates established by the office of children
24 and family services for the 2020-21 rate year pursuant to section
25 398-a of the social services law and sections 4003 and 4405 of the
26 education law to reflect the continuation of the cost of living
27 adjustments that became effective April 1, 2008 for payments made to
28 foster parents and for salary and fringe benefit costs and other
29 critical nonpersonal services costs for foster care programs as
30 determined by the office. Social services districts must adjust the
31 amount of payments made for care provided by congregate care and
32 foster boarding home programs and to foster parents to reflect the
33 cost of living adjustments in the manner specified by the office.
34 Each authorized agency operating a congregate care or foster board-
35 ing home program in New York state for which the office sets a maxi-
36 mum state aid rate pursuant to section 398-a of the social services
37 law or section 4003 or 4405 of the education law shall submit, at
38 the time and in a manner to be determined by the office, a written
39 certification, attesting that the funds received for the continua-
40 tion of the cost of living adjustment to the maximum state aid rate
41 that became effective April 1, 2008 for that program will be or were
42 used solely in accordance with the requirements of the cost of
43 living adjustment established by the office.

44 Notwithstanding any inconsistent provision of law, for the period
45 commencing on April 1, 2020 and ending March 31, 2021 the commis-
46 sioner shall not apply any cost of living adjustment for the purpose
47 of establishing rates of payments, contracts or any other form of
48 reimbursement.

1 otherwise reimbursable by the state from April 1, 2020 through March
2 31, 2021 shall be limited to a district allocation, hereinafter
3 referred to as the district's block grant allocation. Notwithstand-
4 ing any other provision of law, such block grant allocation shall be
5 based, in part, on each district's claims for such costs, adjusted
6 by the applicable cost allocation methodology and net of any retro-
7 active payments for the 12 month period ending June 30, 2019 that
8 are submitted on or before January 2, 2020 and, in part, on such
9 other factors as determined by the office of children and family
10 services and approved by the director of the budget. Any portion of
11 a social services district's allocation from funds appropriated
12 herein not claimed by such district during the state fiscal year may
13 be used by such district for expenditures on preventive services
14 provided pursuant to section 409-a of the social services law, inde-
15 pendent living services and aftercare services provided pursuant to
16 regulations of the department of family assistance, claimed by such
17 district during the next state fiscal year up to the amount remain-
18 ing from the district's foster care block grant allocation, provided
19 however, that any claims for such services during the next state
20 fiscal year in excess of such amount shall be subject to 62 percent
21 state reimbursement exclusive of any federal funds made available
22 for such purposes, in accordance with directives of the department
23 of family assistance and subject to the approval of the director of
24 the budget. Any claims submitted by a social services district for
25 reimbursement for a particular state fiscal year for which the
26 social services district does not receive state or federal
27 reimbursement during that state fiscal year may not be claimed
28 against that district's block grant apportionment for the next state
29 fiscal year.

30 The office of children and family services, with the approval of the
31 director of the budget, may reduce a district's block grant allo-
32 cation by the state share decrease related to federal retroactive
33 reimbursement for such foster care services identified herein. The
34 office, with the approval of the director of the budget, may reduce
35 a district's block grant allocation by the state share of disallow-
36 ances or sanctions taken against the district pursuant to the social
37 services law or federal law.

38 Notwithstanding any other provision of law, the state shall not be
39 responsible for reimbursing a social services district and a
40 district shall not seek state reimbursement for any portion of any
41 state disallowance or sanction taken against the social services
42 district, or any federal disallowance attributable to final federal
43 agency decisions or to settlement made, on or after July 1, 1995,
44 when such disallowance or sanction results from the failure of the
45 social services district to comply with federal or state require-
46 ments, including, but not limited to, failure to document eligibil-
47 ity for federal or state funds in the case record; provided, howev-
48 er, if the office determines that any federal disallowance for
49 services provided between January 1, 1999 and May 31, 1999 results
50 solely from the late enactment of the state legislation implementing
51 the federal adoption and safe families act, the state shall be sole-

ly responsible for the full amount of the disallowance or sanction; provided, further, however, this provision shall be deemed to apply both prospectively and retroactively regardless of whether such sanctions or disallowances are for services provided or claims made prior to or after April 1, 2020.

Notwithstanding any other provision of law, any federal disallowance resulting from a federal title IV-E eligibility review or audit that uses extrapolated statistic techniques shall be passed along by the state to any and all social services districts that the office of children and family services has determined have not complied with the title IV-E eligibility requirements or have not taken the necessary actions to ensure compliance with such requirements including, but not limited to, failing to: assess and fully document all the criteria and have readily available all the necessary documents to establish and continue title IV-E eligibility for all title IV-E eligible children within the required time frames; claim title IV-E funding only for cases that meet all of the title IV-E eligibility criteria; and fully implement the social services payment system on or before April 1, 2005 for all direct and voluntary agency foster care services.

Notwithstanding any law to the contrary, the office of children and family services shall impose on social services districts any federal disallowance issued against the state as a result of a federal title IV-E secondary eligibility review regardless of the date the children may have entered foster care, the date the eligibility or payment errors occurred, or the filing date of any federal claims for reimbursement; provided, however, that the state shall be responsible for the disallowed costs and expenditures related to the placement of children in a facility operated by the office of children and family services, which shall be determined in the same manner as the disallowed costs and expenditures for social services districts other than the city of New York. In order to reimburse the federal government for the full amount of any disallowance imposed on the state by the federal administration for children and families within the timeframes necessary to avoid any potential interest payments on such amount, the office of children and family services is authorized to immediately offset funds otherwise due to each district for a pro rata share of the total disallowed costs based on the percentage of applicable federal title IV-E claims made by that district for the relevant time period as compared to the total applicable statewide title IV-E claims. The amount of the offset against each district will be adjusted, if necessary, upon completion of the disallowance allocation process. The final allocation of the amount of any federal disallowance resulting from a title IV-E secondary eligibility review shall be allocated among the districts so that each district shall be responsible for the amount attributable to each of the district's children or cases that are determined by the federal review to be unallowable. Each district shall also be responsible for a portion of the federal extrapolated disallowance amount based on the relative error rate for the district. The city of New York's error rate will be based on the

OFFICE OF CHILDREN AND FAMILY SERVICES

1 federal sample and federal statistics. For all social services
2 districts other than the city of New York, the error rate will be
3 based on a review conducted by the district of a sample of children
4 and/or cases determined by the office of children and family
5 services and a re-review of a sub-sample by the office of those
6 children and/or cases determined by the office. The office of chil-
7 dren and family services will determine what is reasonable in estab-
8 lishing the size of the sample and sub-sample for each district. The
9 office of children and family services shall notify each social
10 services district of the sample of children and/or cases from the
11 federal audit period that the social services district must review.
12 Any child or case from the social services district that was
13 included in the federal sample will automatically be included in the
14 social services district's review sample and the determination made
15 at the federal review regarding that child or case will govern for
16 the purposes of the social services district's review. The social
17 services district must complete and submit the results of its review
18 to the office of children and family services within 60 days of
19 receipt of the sample. The error rate for the district will be based
20 on the findings of the district's review and the office of children
21 and family services' re-review. If a social services district does
22 not complete its review within 60 days of receiving the sample from
23 the office of children and family services, the office of children
24 and family services shall assign an error rate to the social
25 services district based on the relative percentage of the district's
26 applicable title IV-E claims for the relevant period as compared to
27 applicable statewide title IV-E claims for that period and other
28 circumstances that the office of children and family services may
29 consider in order to allocate 100 percent of the federal disallow-
30 ance. The office of children and family services shall apply each
31 social services district's error rate to the total amount of the
32 district's applicable title IV-E claims including associated admin-
33 istrative expenses. The resulting dollar amounts for all of the
34 social services districts will be summed to derive the total amount
35 of title IV-E claims deemed to be in error statewide. To establish a
36 disallowance percentage for each social services district, the
37 amount of the district's title IV-E claims deemed to be in error
38 will be divided by the amount of statewide title IV-E claims deemed
39 to be in error. The resulting disallowance percentage for each
40 district will be applied to the entire title IV-E extrapolated
41 disallowance calculated by the federal review to determine the
42 amount of the extrapolated disallowance for which the district is
43 responsible. Each district will be credited for the amount already
44 disallowed for any individual children or cases found to be in error
45 during the federal review. The exclusive appeal rights for the
46 review of the amount of the federal disallowance assigned to each
47 social services district shall be pursuant to article 78 of the
48 civil practice law and rules; provided, however, that in any such
49 action all of the social services districts shall be joined as
50 necessary parties and the venue of any such action shall be in Rens-
51 selaer county. Any social services district that fails to complete

2 appeal and shall not be a necessary party to any action brought by
3 another social services district.

4 The money hereby appropriated is to be available for payment of state
5 aid heretofore accrued or hereafter to accrue to municipalities.
6 Subject to the approval of the director of the budget, such funds
7 shall be available to the office net of disallowances, refunds,
8 reimbursements, and credits.

9 Notwithstanding any inconsistent provision of law, the amount herein

11 the office of children and family services and/or the office of
12 temporary and disability assistance and/or suballocated to the
13 office of temporary and disability assistance for the purpose of

16 appropriation or with any other item or items within the amounts

19 director of the budget who shall file such approval with the depart-
20 ment of audit and control and copies thereof with the chairman of

24 authorized by the social services law, or payments of federal funds
25 otherwise due to the local social services districts for programs
26 provided under the federal social security act or the federal food
27 stamp act, funds herein appropriated, in amounts certified by the
28 state comptroller or the state commissioner of health as due from
29 local social services districts each month as their share of
30 payments made pursuant to section 367-b of the social services law
31 may be set aside by the state comptroller in an interest bearing
32 account with such interest accruing to the credit of the locality in
33 order to ensure the orderly and prompt payment of providers under
34 section 367-b of the social services law pursuant to an estimate
35 provided by the commissioner of health of each local social services
36 district's share of payments made pursuant to section 367-b of the
37 social services law.

38 Notwithstanding the provisions of any other law to the contrary, the
39 office of children and family services may, on behalf of social
40 services districts, make payments to foster boarding homes paid
41 directly by social services districts by direct deposit or debit
42 card. Local social services districts shall reimburse the office for
43 the costs of administering such direct deposit or debit card
44 payments.

45 Notwithstanding any inconsistent provision of the social services law
46 or the state finance law, the office of children and family services
47 shall, on a quarterly basis, request that the office of temporary

11 determined by the office of children and family services. Notwith-
12 standing any other provision of law to the contrary, a youth devel-
13 opment program shall mean a program designed to provide community-
14 level services to promote positive youth development but shall not
15 include approved runaway programs or transitional independent living
16 support programs as such terms are defined in section 532-a of the
17 executive law. Each county or a city with a population of one
18 million or more, which shall be known as a municipality, operating a
19 youth development program approved by the office of children and
20 family services shall be eligible for one hundred percent state
21 reimbursement of its qualified expenditures, subject to the amount
22 available under this appropriation and exclusive of any federal
23 funds made available therefor, not to exceed the municipality's
24 distribution of state aid for youth development programs. The amount
25 appropriated herein for youth development programs shall be distrib-
26 uted by the office of children and family services to eligible muni-
27 cipalities that have a comprehensive plan that has been developed in
28 consultation with the applicable municipal youth bureau and approved
29 by the office of children and family services. The distribution of
30 the amount appropriated herein to eligible municipalities by the

33 of budget; such factors shall include the number of youth under the

36 section 54 of the state finance law and may include, but not be
37 limited to, the percentage of youth living in poverty within the
38 municipality or such other factors as provided for in the regu-
39 lations of the office of children and family services. Up to fifteen
40 percent of the youth development funds that a municipality would
41 allocate to an approved local youth bureau pursuant to an approved
42 comprehensive plan may be used for administrative functions
43 performed by such local youth bureau. Notwithstanding any provision
44 of law to the contrary, an approved local youth bureau that is not
45 providing, operating, administering or monitoring youth development
46 programs shall not receive funding under this appropriation. The
47 office shall not reimburse any claims for youth development programs
48 unless they are submitted within twelve months of the calendar quar-
49 ter in which the expenditure was made. The office may require that

2 indemnity fund, pursuant to chapter 59 of
3 the laws of 2011, and state costs or
4 savings from the essential plan program.
5 Such projections may be adjusted by the
6 director of the budget to account for
7 increased or expedited department of
8 health state funds medicaid expenditures
9 as a result of a natural or other type of
10 disaster, including a governmental decla-

12 The director of the budget, in consultation
13 with the commissioner of health, shall
14 assess on a monthly basis known and
15 projected medicaid expenditures by cate-
16 gory of service and by geographic region, as
17 determined by the commissioner of health,
18 incurred both prior to and subsequent to
19 such assessment for each such period, and
20 if the director of the budget determines
21 that such expenditures are expected to
22 cause medicaid spending for such period to
23 exceed the aggregate limit specified here-
24 in for such period, the state medicaid
25 director, in consultation with the direc-
26 tor of the budget and the commissioner of
27 health, shall develop a medicaid savings
28 allocation adjustment to limit such spend-
29 ing to the aggregate limit specified here-
30 in for such period.

31 Such medicaid savings allocation adjustment
32 shall be designed, to reduce the expendi-
33 tures authorized by the appropriations
34 herein in compliance with the following
35 guidelines: (1) reductions shall be made
36 in compliance with applicable federal law,
37 including the provisions of the Patient
38 Protection and Affordable Care Act, Public
39 Law No. 111-148, and the Health Care and
40 Education Reconciliation Act of 2010,
41 Public Law No. 111-152 (collectively
42 "Affordable Care Act") and any subsequent
43 amendments thereto or regulations promul-
44 gated thereunder; (2) reductions shall be
45 made in a manner that complies with the
46 state medicaid plan approved by the feder-
47 al centers for medicare and medicaid
48 services, provided, however, that the
49 commissioner of health is authorized to
50 submit any state plan amendment or seek
51 other federal approval, including waiver
52 authority, to implement the provisions of

DEPARTMENT OF HEALTH

1 the medicaid savings allocation adjustment
2 that meets the other criteria set forth
3 herein; (3) reductions shall be made in a
4 manner that maximizes federal financial
5 participation, to the extent practicable,
6 including any federal financial partic-
7 ipation that is available or is reasonably
8 expected to become available, in the
9 discretion of the commissioner, under the
10 Affordable Care Act; (4) reductions shall
11 be made uniformly among categories of
12 services and geographic regions of the
13 state, to the extent practicable, and
14 shall be made uniformly within a category
15 of service, to the extent practicable,
16 except where the commissioner determines
17 that there are sufficient grounds for
18 non-uniformity, including but not limited
19 to: the extent to which specific catego-
20 ries of services contributed to department
21 of health medicaid state funds spending in
22 excess of the limits specified herein; the
23 need to maintain safety net services in
24 underserved communities; or the potential
25 benefits of pursuing innovative payment
26 models contemplated by the Affordable Care
27 Act, in which case such grounds shall be
28 set forth in the medicaid savings allo-
29 cation adjustment; and (5) reductions
30 shall be made in a manner that does not
31 unnecessarily create administrative
32 burdens to medicaid applicants and recipi-
33 ents or providers.

34 The commissioner shall seek the input of the
35 legislature, as well as organizations
36 representing health care providers,
37 consumers, businesses, workers, health
38 insurers, and others with relevant exper-
39 tise, in developing such medicaid savings
40 allocation adjustment, to the extent that
41 all or part of such adjustment, in the
42 discretion of the commissioner, is likely
43 to have a material impact on the overall
44 medicaid program, particular categories of
45 service or particular geographic regions
46 of the state.

47 (a) The commissioner shall post the medicaid
48 savings allocation adjustment on the
49 department of health's website and shall
50 provide written copies of such adjustment
51 to the chairs of the senate finance and
52 the assembly ways and means committees at

DEPARTMENT OF HEALTH

1 least 30 days before the date on which
2 implementation is expected to begin.

3 (b) The commissioner may revise the medicaid
4 savings allocation adjustment subsequent
5 to the provisions of notice and prior to
6 implementation but needs to provide a new
7 notice pursuant to subparagraph (i) of
8 this paragraph only if the commissioner
9 determines, in his or her discretion, that
10 such revisions materially alter the
11 adjustment.

12 Notwithstanding the provisions of paragraphs
13 (a) and (b) of this subdivision, the
14 commissioner need not seek the input
15 described in paragraph (a) of this subdivi-
16 sion or provide notice pursuant to para-
17 graph (b) of this subdivision if, in the
18 discretion of the commissioner, expedited
19 development and implementation of a medi-
20 caid savings allocation adjustment is
21 necessary due to a public health emergen-
22 cy.

23 For purposes of this section, a public
24 health emergency is defined as: (i) a
25 disaster, natural or otherwise, that
26 significantly increases the immediate need
27 for health care personnel in an area of
28 the state; (ii) an event or condition that
29 creates a widespread risk of exposure to a
30 serious communicable disease, or the
31 potential for such widespread risk of
32 exposure; or (iii) any other event or
33 condition determined by the commissioner
34 to constitute an imminent threat to public
35 health.

36 Nothing in this paragraph shall be deemed to
37 prevent all or part of such medicaid
38 savings allocation adjustment from taking
39 effect retroactively to the extent permit-
40 ted by the federal centers for medicare
41 and medicaid services.

42 In accordance with the medicaid savings
43 allocation adjustment, the commissioner of
44 the department of health shall reduce
45 department of health state funds medicaid
46 spending by the amount of the projected
47 overspending through, actions including,
48 but not limited to modifying or suspending
49 reimbursement methods, including but not

9 provision of law, rule or regulation to
10 the contrary, including but not limited to
11 sections 2807 and 3614 of the public
12 health law, section 18 of chapter 2 of the
13 laws of 1988, and 18 NYCRR 505.14(h).

14 The department of health shall prepare a
15 monthly report that sets forth: (a) known
16 and projected department of health medi-
17 caid expenditures as described in subdivi-
18 sion (1) of this section, and factors that
19 could result in medicaid disbursements for
20 the relevant state fiscal year to exceed
21 the projected department of health state
22 funds disbursements in the enacted budget
23 financial plan pursuant to subdivision 3
24 of section 23 of the state finance law,
25 including spending increases or decreases
26 due to: enrollment fluctuations, rate
27 changes, utilization changes, MRT invest-
28 ments, and shift of beneficiaries to
29 managed care; and variations in offline
30 medicaid payments; and (b) the actions
31 taken to implement any medicaid savings
32 allocation adjustment implemented pursuant
33 to subdivision (4) of this section,
34 including information concerning the
35 impact of such actions on each category of
36 service and each geographic region of the
37 state. Each such monthly report shall be
38 provided to the chairs of the senate
39 finance and the assembly ways and means
40 committees and shall be posted on the
41 department of health's website in a timely
42 manner.

43 The money hereby appropriated is available

4 indemnity fund, pursuant to chapter 59 of
5 the laws of 2011, and state costs or

7 Such projections may be adjusted by the
8 director of the budget to account for
9 increased or expedited department of
10 health state funds medicaid expenditures
11 as a result of a natural or other type of
12 disaster, including a governmental decla-
13 ration of emergency.

14 The director of the budget, in consultation
15 with the commissioner of health, shall
16 assess on a monthly basis known and
17 projected medicaid expenditures by catego-
18 ry of service and by geographic region, as
19 defined by the commissioner, incurred both
20 prior to and subsequent to such assessment
21 for each such period, and if the director
22 of the budget determines that such expend-
23 itures are expected to cause medicaid
24 spending for such period to exceed the
25 aggregate limit specified herein for such
26 period, the state medicaid director, in
27 consultation with the director of the
28 budget and the commissioner of health,
29 shall develop a medicaid savings allo-

36 herein in compliance with the following
37 guidelines: (1) reductions shall be made
38 in compliance with applicable federal law,
39 including the provisions of the Patient

41 Law No. 111-148, and the Health Care and
42 Education Reconciliation Act of 2010,

47 made in a manner that complies with the
48 state medicaid plan approved by the feder-
49 al centers for medicare and medicaid
50 services, provided, however, that the
51 commissioner of health is authorized to
52 submit any state plan amendment or seek

4 that meets the other criteria set forth
5 herein; (3) reductions shall be made in a
6 manner that maximizes federal financial
7 participation, to the extent practicable,
8 including any federal financial partic-
9 ipation that is available or is reasonably
10 expected to become available, in the
11 discretion of the commissioner, under the
12 Affordable Care Act; (4) reductions shall
13 be made uniformly among categories of
14 services and geographic regions of the
15 state, to the extent practicable, and
16 shall be made uniformly within a category
17 of service, to the extent practicable,
18 except where the commissioner determines
19 that there are sufficient grounds for
20 non-uniformity, including but not limited
21 to: the extent to which specific catego-
22 ries of services contributed to department
23 of health medicaid state funds spending in
24 excess of the limits specified herein; the
25 need to maintain safety net services in
26 underserved communities; or the potential
27 benefits of pursuing innovative payment
28 models contemplated by the Affordable Care
29 Act, in which case such grounds shall be
30 set forth in the medicaid savings allo-
31 cation adjustment; and (5) reductions
32 shall be made in a manner that does not
33 unnecessarily create administrative
34 burdens to medicaid applicants and recipi-
35 ents or providers.

36 The commissioner shall seek the input of the
37 legislature, as well as organizations
38 representing health care providers,
39 consumers, businesses, workers, health
40 insurers, and others with relevant exper-
41 tise, in developing such medicaid savings
42 allocation adjustment, to the extent that
43 all or part of such adjustment, in the
44 discretion of the commissioner, is likely
45 to have a material impact on the overall
46 medicaid program, particular categories of
47 service or particular geographic regions
48 of the state.

49 (a) The commissioner shall post the medicaid
50 savings allocation adjustment on the
51 department of health's website and shall

14 Notwithstanding the provisions of paragraphs
15 (a) and (b) of this subdivision, the
16 commissioner need not seek the input
17 described in paragraph (a) of this subdivi-
18 sion or provide notice pursuant to para-
19 graph (b) of this subdivision if, in the
20 discretion of the commissioner, expedited
21 development and implementation of a medi-

23 necessary due to a public health emergen-
24 cy.

25 For purposes of this section, a public

33 potential for such widespread risk of
34 exposure; or (iii) any other event or
35 condition determined by the commissioner
36 to constitute an imminent threat to public
37 health.

38 Nothing in this paragraph shall be deemed to
39 prevent all or part of such medicaid
40 savings allocation adjustment from taking
41 effect retroactively to the extent permit-
42 ted by the federal centers for medicare
43 and medicaid services.

44 In accordance with the medicaid savings

24 the projected department of health state
25 funds disbursements in the enacted budget
26 financial plan pursuant to subdivision 3
27 of section 23 of the state finance law,

36 to subdivision (4) of this section,
37 including information concerning the
38 impact of such actions on each category of
39 service and each geographic region of the
40 state. Each such monthly report shall be

14 funds disbursements in the enacted budget
15 financial plan pursuant to subdivision 3
16 of section 23 of the state finance law,

15 if the director of the budget determines
16 that such expenditures are expected to
17 cause medicaid spending for such period to
18 exceed the aggregate limit specified here-
19 in for such period, the state medicaid
20 director, in consultation with the direc-
21 tor of the budget and the commissioner of
22 health, shall develop a medicaid savings
23 allocation adjustment to limit such spend-
24 ing to the aggregate limit specified here-
25 in for such period.

26 Such medicaid savings allocation adjustment
27 shall be designed, to reduce the expendi-

29 herein in compliance with the following
30 guidelines: (1) reductions shall be made
31 in compliance with applicable federal law,
32 including the provisions of the Patient

7 services and geographic regions of the
8 state, to the extent practicable, and
9 shall be made uniformly within a category
10 of service, to the extent practicable,
11 except where the commissioner determines
12 that there are sufficient grounds for
13 non-uniformity, including but not limited
14 to: the extent to which specific catego-
15 ries of services contributed to department
16 of health medicaid state funds spending in
17 excess of the limits specified herein; the
18 need to maintain safety net services in
19 underserved communities; or the potential
20 benefits of pursuing innovative payment
21 models contemplated by the Affordable Care

1 except where the commissioner determines
2 that there are sufficient grounds for
3 non-uniformity, including but not limited
4 to: the extent to which specific categories of services contributed to department
5 of health medicaid state funds spending in
6 excess of the limits specified herein; the
7 need to maintain safety net services in
8 underserved communities; or the potential
9 benefits of pursuing innovative payment
10 models contemplated by the Affordable Care
11 Act, in which case such grounds shall be
12 set forth in the medicaid savings allocation adjustment; and (5) reductions
13 shall be made in a manner that does not
14 unnecessarily create administrative
15 burdens to medicaid applicants and recipients or providers.

16 The commissioner shall seek the input of the
17 legislature, as well as organizations
18 representing health care providers,
19 consumers, businesses, workers, health
20 insurers, and others with relevant expertise, in developing such medicaid savings
21 allocation adjustment, to the extent that
22 all or part of such adjustment, in the
23 discretion of the commissioner, is likely
24 to have a material impact on the overall
25 medicaid program, particular categories of
26 service or particular geographic regions
27 of the state.

28 (a) The commissioner shall post the medicaid
29 savings allocation adjustment on the
30 department of health's website and shall
31 provide written copies of such plan to the
32 chairs of the senate finance and the
33 assembly ways and means committees at
34 least 30 days before the date on which
35 implementation is expected to begin.

36 (b) The commissioner may revise the medicaid
37 savings allocation adjustment subsequent
38 to the provisions of notice and prior to
39 implementation but needs to provide a new
40 notice pursuant to subparagraph (i) of
41 this paragraph only if the commissioner
42 determines, in his or her discretion, that
43 such revisions materially alter the plan.

44 Notwithstanding the provisions of paragraphs
45 (a) and (b) of this subdivision, the
46 commissioner need not seek the input
47 described in paragraph (a) of this subdivision or provide notice pursuant to para-

AID TO LOCALITIES 2021-22

graph (b) of this subdivision if, in the discretion of the commissioner, expedited development and implementation of a medicaid savings allocation adjustment is necessary due to a public health emergency.

For purposes of this section, a public health emergency is defined as: (i) a disaster, natural or otherwise, that significantly increases the immediate need for health care personnel in an area of the state; (ii) an event or condition that creates a widespread risk of exposure to a serious communicable disease, or the potential for such widespread risk of exposure; or (iii) any other event or condition determined by the commissioner to constitute an imminent threat to public health.

Nothing in this paragraph shall be deemed to prevent all or part of such medicaid savings allocation adjustment from taking effect retroactively to the extent permitted by the federal centers for medicare and medicaid services.

In accordance with the medicaid savings allocation adjustment, the commissioner of the department of health shall reduce department of health state funds medicaid spending by the amount of the projected overspending through, actions including, but not limited to modifying or suspending reimbursement methods, including but not limited to all fees, premium levels and rates of payment, notwithstanding any provision of law that sets a specific amount or methodology for any such payments or rates of payment; modifying medicaid program benefits; seeking all necessary federal approvals, including, but not limited to waivers, waiver amendments; and suspending time frames for notice, approval or certification of rate requirements, notwithstanding any provision of law, rule or regulation to the contrary, including but not limited to sections 2807 and 3614 of the public health law, section 18 of chapter 2 of the laws of 1988, and 18 NYCRR 505.14(h).

The department of health shall prepare a monthly report that sets forth: (a) known and projected department of health medi-

2 sion (1) of this section, and factors that
3 could result in medicaid disbursements for
4 the relevant state fiscal year to exceed
5 the projected department of health state
6 funds disbursements in the enacted budget
7 financial plan pursuant to subdivision 3
8 of section 23 of the state finance law,
9 including spending increases or decreases
10 due to: enrollment fluctuations, rate
11 changes, utilization changes, MRT invest-
12 ments, and shift of beneficiaries to
13 managed care; and variations in offline
14 medicaid payments; and (b) the actions
15 taken to implement any medicaid savings
16 allocation adjustment implemented pursuant
17 to subdivision (4) of this section,
18 including information concerning the
19 impact of such actions on each category of
20 service and each geographic region of the
21 state. Each such monthly report shall be
22 provided to the chairs of the senate
23 finance and the assembly ways and means
24 committees and shall be posted on the
25 department of health's website in a timely
26 manner.

27 Notwithstanding any provision of law to the
28 contrary, the director of the budget, in
29 consultation with the commissioner of
30 health, may use a payment reduction plan
31 to make across-the-board reductions to the

35 fiscal year 2022-2023 and to limit such
36 spending to the aggregate limit specified
37 herein, or reduce the aggregate limit
38 specified herein to provide a reduction to
39 the state's financial plan. Reductions
40 shall be made in a manner that complies
41 with the state medicaid plan approved by
42 the federal centers for medicare and medi-
43 caid services, provided, however, that the
44 commissioner of health is authorized to
45 submit any state plan amendment or seek
46 other federal approval to implement the
47 provisions of the medicaid payment
48 reduction adjustment.

1 social security act, increases in provider revenues, reductions in
2 local social services district payments for medical assistance
3 administration, minimum wage increases, and beginning April 1, 2012
4 the operational costs of the New York state medical indemnity fund,
5 pursuant to chapter 59 of the laws of 2011, and state costs or
6 savings from the essential plan program. Such projections may be
7 adjusted by the director of the budget to account for increased or
8 expedited department of health state funds medicaid expenditures as
9 a result of a natural or other type of disaster, including a govern-
10 mental declaration of emergency.

11 The director of the budget, in consultation with the commissioner of
12 health, shall assess on a monthly basis known and projected medicaid
13 expenditures by category of service and by geographic region, as
14 determined by the commissioner of health, incurred both prior to and
15 subsequent to such assessment for each such period, and if the
16 director of the budget determines that such expenditures are
17 expected to cause medicaid spending for such period to exceed the
18 aggregate limit specified herein for such period, the state medicaid
19 director, in consultation with the director of the budget and the
20 commissioner of health, shall develop a medicaid savings allocation
21 adjustment to limit such spending to the aggregate limit specified
22 herein for such period.

23 Such medicaid savings allocation adjustment shall be designed, to
24 reduce the expenditures authorized by the appropriations herein in
25 compliance with the following guidelines: (1) reductions shall be
26 made in compliance with applicable federal law, including the
27 provisions of the Patient Protection and Affordable Care Act, Public
28 Law No. 111-148, and the Health Care and Education Reconciliation
29 Act of 2010, Public Law No. 111-152 (collectively "Affordable Care
30 Act") and any subsequent amendments thereto or regulations promul-
31 gated thereunder; (2) reductions shall be made in a manner that
32 complies with the state medicaid plan approved by the federal
33 centers for medicare and medicaid services, provided, however, that
34 the commissioner of health is authorized to submit any state plan
35 amendment or seek other federal approval, including waiver authori-
36 ty, to implement the provisions of the medicaid savings allocation
37 adjustment that meets the other criteria set forth herein; (3)
38 reductions shall be made in a manner that maximizes federal finan-
39 cial participation, to the extent practicable, including any federal
40 financial participation that is available or is reasonably expected
41 to become available, in the discretion of the commissioner, under
42 the Affordable Care Act; (4) reductions shall be made uniformly
43 among categories of services and geographic regions of the state, to
44 the extent practicable, and shall be made uniformly within a catego-
45 ry of service, to the extent practicable, except where the commis-
46 sioner determines that there are sufficient grounds for non-uniform-
47 ity, including but not limited to: the extent to which specific
48 categories of services contributed to department of health medicaid
49 state funds spending in excess of the limits specified herein; the
50 need to maintain safety net services in underserved communities; or
51 the potential benefits of pursuing innovative payment models contem-
52 plated by the Affordable Care Act, in which case such grounds shall

1 be set forth in the medicaid savings allocation adjustment; and (5)
2 reductions shall be made in a manner that does not unnecessarily
3 create administrative burdens to medicaid applicants and recipients
4 or providers.

5 The commissioner shall seek the input of the legislature, as well as
6 organizations representing health care providers, consumers, busi-
7 nesses, workers, health insurers, and others with relevant exper-
8 tise, in developing such medicaid savings allocation adjustment, to
9 the extent that all or part of such adjustment, in the discretion of
10 the commissioner, is likely to have a material impact on the overall
11 medicaid program, particular categories of service or particular
12 geographic regions of the state.

13 (a) The commissioner shall post the medicaid savings allocation
14 adjustment on the department of health's website and shall provide
15 written copies of such adjustment to the chairs of the senate
16 finance and the assembly ways and means committees at least 30 days
17 before the date on which implementation is expected to begin.

18 (b) The commissioner may revise the medicaid savings allocation
19 adjustment subsequent to the provisions of notice and prior to
20 implementation but needs to provide a new notice pursuant to subpar-
21 agraph (i) of this paragraph only if the commissioner determines, in
22 his or her discretion, that such revisions materially alter the
23 adjustment.

24 Notwithstanding the provisions of paragraphs (a) and (b) of this
25 subdivision, the commissioner need not seek the input described in
26 paragraph (a) of this subdivision or provide notice pursuant to
27 paragraph (b) of this subdivision if, in the discretion of the
28 commissioner, expedited development and implementation of a medicaid
29 savings allocation adjustment is necessary due to a public health
30 emergency.

31 For purposes of this section, a public health emergency is defined as:

32 (i) a disaster, natural or otherwise, that significantly increases
33 the immediate need for health care personnel in an area of the
34 state; (ii) an event or condition that creates a widespread risk of
35 exposure to a serious communicable disease, or the potential for
36 such widespread risk of exposure; or (iii) any other event or condi-
37 tion determined by the commissioner to constitute an imminent threat
38 to public health.

39 Nothing in this paragraph shall be deemed to prevent all or part of
40 such medicaid savings allocation adjustment from taking effect
41 retroactively to the extent permitted by the federal centers for
42 medicare and medicaid services.

43 In accordance with the medicaid savings allocation adjustment, the
44 commissioner of the department of health shall reduce department of
45 health state funds medicaid spending by the amount of the projected
46 overspending through, actions including, but not limited to modify-
47 ing or suspending reimbursement methods, including but not limited
48 to all fees, premium levels and rates of payment, notwithstanding
49 any provision of law that sets a specific amount or methodology for
50 any such payments or rates of payment; modifying medicaid program
51 benefits; seeking all necessary federal approvals, including, but
52 not limited to waivers, waiver amendments; and suspending time

19 ~~[\$48,205,265,000]~~ \$47,138,099,000. Provided, however, such aggre-
20 gate limits may be adjusted by the director of the budget to account
21 for any changes in the New York state federal medical assistance
22 percentage amount established pursuant to the federal social securi-
23 ty act, increases in provider revenues, reductions in local social
24 services district payments for medical assistance administration,
25 minimum wage increases, and beginning April 1, 2012 the operational
26 costs of the New York state medical indemnity fund, pursuant to
27 chapter 59 of the laws of 2011, and state costs or savings from the
28 essential plan program. Such projections may be adjusted by the
29 director of the budget to account for increased or expedited depart-
30 ment of health state funds medicaid expenditures as a result of a
31 natural or other type of disaster, including a governmental declara-
32 tion of emergency.

33 The director of the budget, in consultation with the commissioner of
34 health, shall assess on a monthly basis known and projected medicaid
35 expenditures by category of service and by geographic region, as
36 defined by the commissioner, incurred both prior to and subsequent
37 to such assessment for each such period, and if the director of the
38 budget determines that such expenditures are expected to cause medi-
39 caid spending for such period to exceed the aggregate limit speci-
40 fied herein for such period, the state medicaid director, in consul-
41 tation with the director of the budget and the commissioner of
42 health, shall develop a medicaid savings allocation adjustment to

1 gated thereunder; (2) reductions shall be made in a manner that
2 complies with the state medicaid plan approved by the federal
3 centers for medicare and medicaid services, provided, however, that
4 the commissioner of health is authorized to submit any state plan
5 amendment or seek other federal approval, including waiver authori-
6 ty, to implement the provisions of the medicaid savings allocation
7 adjustment that meets the other criteria set forth herein; (3)
8 reductions shall be made in a manner that maximizes federal finan-
9 cial participation, to the extent practicable, including any federal
10 financial participation that is available or is reasonably expected
11 to become available, in the discretion of the commissioner, under
12 the Affordable Care Act; (4) reductions shall be made uniformly
13 among categories of services and geographic regions of the state, to
14 the extent practicable, and shall be made uniformly within a catego-
15 ry of service, to the extent practicable, except where the commis-
16 sioner determines that there are sufficient grounds for non-uniform-
17 ity, including but not limited to: the extent to which specific
18 categories of services contributed to department of health medicaid
19 state funds spending in excess of the limits specified herein; the
20 need to maintain safety net services in underserved communities; or
21 the potential benefits of pursuing innovative payment models contem-
22 plated by the Affordable Care Act, in which case such grounds shall
23 be set forth in the medicaid savings allocation adjustment; and (5)
24 reductions shall be made in a manner that does not unnecessarily
25 create administrative burdens to medicaid applicants and recipients
26 or providers.

27 The commissioner shall seek the input of the legislature, as well as
28 organizations representing health care providers, consumers, busi-
29 nesses, workers, health insurers, and others with relevant exper-
30 tise, in developing such medicaid savings allocation adjustment, to
31 the extent that all or part of such adjustment, in the discretion of
32 the commissioner, is likely to have a material impact on the overall
33 medicaid program, particular categories of service or particular
34 geographic regions of the state.

35 (a) The commissioner shall post the medicaid savings allocation
36 adjustment on the department of health's website and shall provide
37 written copies of such adjustment to the chairs of the senate
38 finance and the assembly ways and means committees at least 30 days
39 before the date on which implementation is expected to begin.

40 (b) The commissioner may revise the medicaid savings allocation
41 adjustment subsequent to the provisions of notice and prior to
42 implementation but needs to provide a new notice pursuant to subpar-
43 agraph (i) of this paragraph only if the commissioner determines, in
44 his or her discretion, that such revisions materially alter the
45 adjustment.

46 Notwithstanding the provisions of paragraphs (a) and (b) of this
47 subdivision, the commissioner need not seek the input described in
48 paragraph (a) of this subdivision or provide notice pursuant to
49 paragraph (b) of this subdivision if, in the discretion of the
50 commissioner, expedited development and implementation of a medicaid
51 savings allocation adjustment is necessary due to a public health
52 emergency.

DEPARTMENT OF HEALTH

AID TO LOCALITIES - REAPPROPRIATIONS 2021-22

5 exposure to a serious communicable disease, or the potential for
6 such widespread risk of exposure; or (iii) any other event or condi-
7 tion determined by the commissioner to constitute an imminent threat
8 to public health.

9 Nothing in this paragraph shall be deemed to prevent all or part of
10 such medicaid savings allocation adjustment from taking effect
11 retroactively to the extent permitted by the federal centers for
12 medicare and medicaid services.

13 In accordance with the medicaid savings allocation adjustment, the
14 commissioner of the department of health shall reduce department of

20 any such payments or rates of payment; modifying or discontinuing
21 medicaid program benefits; seeking all necessary federal approvals,
22 including, but not limited to waivers, waiver amendments; and
23 suspending time frames for notice, approval or certification of rate

26 and 3614 of the public health law, section 18 of chapter 2 of the
27 laws of 1988, and 18 NYCRR 505.14(h).

28 The department of health shall prepare a monthly report that sets
29 forth: (a) known and projected department of health medicaid expend-
30 itures as described in subdivision (1) of this section, and factors
31 that could result in medicaid disbursements for the relevant state
32 fiscal year to exceed the projected department of health state funds
33 disbursements in the enacted budget financial plan pursuant to
34 subdivision 3 of section 23 of the state finance law, including
35 spending increases or decreases due to: enrollment fluctuations,
36 rate changes, utilization changes, MRT investments, and shift of
37 beneficiaries to managed care; and variations in offline medicaid
38 payments; and (b) the actions taken to implement any medicaid
39 savings allocation adjustment implemented pursuant to subdivision
40 (4) of this section, including information concerning the impact of
41 such actions on each category of service and each geographic region
42 of the state. Each such monthly report shall be provided to the
43 chairs of the senate finance and the assembly ways and means commit-
44 tees and shall be posted on the department of health's website in a
45 timely manner.

46 The money hereby appropriated is to be available for payment of aid
47 heretofore accrued or hereafter accrued to municipalities, and to
48 providers of medical services pursuant to section 367-b of the
49 social services law, and for payment of state aid to municipalities
50 and to providers of family care where payment systems through the

1 percentage amount established pursuant to the federal social securi-
2 ty act, increases in provider revenues, reductions in local social
3 services district payments for medical assistance administration,
4 minimum wage increases and beginning April 1, 2012 the operational
5 costs of the New York state medical indemnity fund, pursuant to
6 chapter 59 of the laws of 2011, and state costs or savings from the
7 essential plan program. Such projections may be adjusted by the
8 director of the budget to account for increased or expedited depart-
9 ment of health state funds medicaid expenditures as a result of a
10 natural or other type of disaster, including a governmental declara-
11 tion of emergency.

12 The director of the budget, in consultation with the commissioner of
13 health, shall assess on a monthly basis known and projected medicaid
14 expenditures by category of service and by geographic region, as
15 determined by the commissioner of health, incurred both prior to and
16 subsequent to such assessment for each such period, and if the
17 director of the budget determines that such expenditures are
18 expected to cause medicaid spending for such period to exceed the
19 aggregate limit specified herein for such period, the state medicaid
20 director, in consultation with the director of the budget and the
21 commissioner of health, shall develop a medicaid savings allocation
22 adjustment to limit such spending to the aggregate limit specified
23 herein for such period.

24 Such medicaid savings allocation adjustment shall be designed, to
25 reduce the expenditures authorized by the appropriations herein in
26 compliance with the following guidelines: (1) reductions shall be
27 made in compliance with applicable federal law, including the
28 provisions of the Patient Protection and Affordable Care Act, Public
29 Law No. 111-148, and the Health Care and Education Reconciliation
30 Act of 2010, Public Law No. 111-152 (collectively "Affordable Care
31 Act") and any subsequent amendments thereto or regulations promul-
32 gated thereunder; (2) reductions shall be made in a manner that
33 complies with the state medicaid plan approved by the federal
34 centers for medicare and medicaid services, provided, however, that
35 the commissioner of health is authorized to submit any state plan
36 amendment or seek other federal approval, including waiver authori-
37 ty, to implement the provisions of the medicaid savings allocation
38 adjustment that meets the other criteria set forth herein; (3)
39 reductions shall be made in a manner that maximizes federal finan-
40 cial participation, to the extent practicable, including any federal
41 financial participation that is available or is reasonably expected
42 to become available, in the discretion of the commissioner, under
43 the Affordable Care Act; (4) reductions shall be made uniformly
44 among categories of services and geographic regions of the state, to
45 the extent practicable, and shall be made uniformly within a catego-
46 ry of service, to the extent practicable, except where the commis-
47 sioner determines that there are sufficient grounds for non-uniform-
48 ity, including but not limited to: the extent to which specific
49 categories of services contributed to department of health medicaid
50 state funds spending in excess of the limits specified herein; the
51 need to maintain safety net services in underserved communities; or

1 plated by the Affordable Care Act, in which case such grounds shall
2 be set forth in the medicaid savings allocation adjustment; and (5)
3 reductions shall be made in a manner that does not unnecessarily
4 create administrative burdens to medicaid applicants and recipients
5 or providers.

6 The commissioner shall seek the input of the legislature, as well as
7 organizations representing health care providers, consumers, busi-
8 nesses, workers, health insurers, and others with relevant exper-
9 tise, in developing such medicaid savings allocation adjustment, to
10 the extent that all or part of such adjustment, in the discretion of
11 the commissioner, is likely to have a material impact on the overall
12 medicaid program, particular categories of service or particular
13 geographic regions of the state.

14 (a) The commissioner shall post the medicaid savings allocation
15 adjustment on the department of health's website and shall provide
16 written copies of such plan to the chairs of the senate finance and
17 the assembly ways and means committees at least 30 days before the
18 date on which implementation is expected to begin.

19 (b) The commissioner may revise the medicaid savings allocation
20 adjustment subsequent to the provisions of notice and prior to
21 implementation but needs to provide a new notice pursuant to subpar-
22 agraph (i) of this paragraph only if the commissioner determines, in
23 his or her discretion, that such revisions materially alter the
24 plan.

25 Notwithstanding the provisions of paragraphs (a) and (b) of this
26 subdivision, the commissioner need not seek the input described in
27 paragraph (a) of this subdivision or provide notice pursuant to
28 paragraph (b) of this subdivision if, in the discretion of the
29 commissioner, expedited development and implementation of a medicaid
30 savings allocation adjustment is necessary due to a public health
31 emergency.

32 For purposes of this section, a public health emergency is defined as:

33 (i) a disaster, natural or otherwise, that significantly increases
34 the immediate need for health care personnel in an area of the
35 state; (ii) an event or condition that creates a widespread risk of
36 exposure to a serious communicable disease, or the potential for
37 such widespread risk of exposure; or (iii) any other event or condi-
38 tion determined by the commissioner to constitute an imminent threat
39 to public health.

40 Nothing in this paragraph shall be deemed to prevent all or part of
41 such medicaid savings allocation adjustment from taking effect
42 retroactively to the extent permitted by the federal centers for
43 medicare and medicaid services.

44 In accordance with the medicaid savings allocation adjustment, the
45 commissioner of the department of health shall reduce department of
46 health state funds medicaid spending by the amount of the projected
47 overspending through, actions including, but not limited to modify-
48 ing or suspending reimbursement methods, including but not limited
49 to all fees, premium levels and rates of payment, notwithstanding
50 any provision of law that sets a specific amount or methodology for
51 any such payments or rates of payment; modifying medicaid program
52 benefits; seeking all necessary federal approvals, including, but

5 public health law, section 18 of chapter 2 of the laws of 1988, and
6 18 NYCRR 505.14(h).

7 The department of health shall prepare a monthly report that sets
8 forth: (a) known and projected department of health medicaid expend-
9 itures as described in subdivision (1) of this section, and factors
10 that could result in medicaid disbursements for the relevant state
11 fiscal year to exceed the projected department of health state funds
12 disbursements in the enacted budget financial plan pursuant to
13 subdivision 3 of section 23 of the state finance law, including
14 spending increases or decreases due to: enrollment fluctuations,
15 rate changes, utilization changes, MRT investments, and shift of
16 beneficiaries to managed care; and variations in offline medicaid
17 payments; and (b) the actions taken to implement any medicaid
18 savings allocation adjustment implemented pursuant to subdivision
19 (4) of this section, including information concerning the impact of
20 such actions on each category of service and each geographic region
21 of the state. Each such monthly report shall be provided to the
22 chairs of the senate finance and the assembly ways and means commit-
23 tees and shall be posted on the department of health's website in a
24 timely manner.

25 Notwithstanding any provision of law to the contrary, the director of
26 the budget, in consultation with the commissioner of health, may use
27 a payment reduction plan to make across-the-board reductions to the
28 department of health state funds medicaid spending by \$373,000,000
29 for state fiscal year 2020-2021 and [~~\$175,000,000~~] \$467,000,000 in
30 state fiscal year 2021-2022 to limit such spending to the aggregate
31 limit specified herein, or reduce the aggregate limit specified

33 Reductions shall be made in a manner that complies with the state
34 medicaid plan approved by the federal centers for medicare and medi-
35 caid services, provided, however, that the commissioner of health is
36 authorized to submit any state plan amendment or seek other federal
37 approval to implement the provisions of the medicaid payment
38 reduction adjustment.

39 For the purpose of making payments to providers of medical care pursu-
40 ant to section 367-b of the social services law, and for payment of
41 state aid to municipalities where payment systems through fiscal
42 intermediaries are not operational, to reimburse such providers for
43 costs attributable to the provision of care to patients eligible for
44 medical assistance. Payments from this appropriation to general
45 hospitals related to indigent care pursuant to article 28 of the

14 limits may be adjusted by the director of the budget to account for
15 any changes in the New York state federal medical assistance
16 percentage amount established pursuant to the federal social securi-
17 ty act, increases in provider revenues, reductions in local social
18 services district payments for medical assistance administration,
19 minimum wage increases and beginning April 1, 2012 the operational
20 costs of the New York state medical indemnity fund, pursuant to
21 chapter 59 of the laws of 2011, and state costs or savings from the
22 essential plan. Such projections may be adjusted by the director of
23 the budget to account for increased or expedited department of
24 health state funds medicaid expenditures as a result of a natural or
25 other type of disaster, including a governmental declaration of
26 emergency.

27 The director of the budget, in consultation with the commissioner of
28 health, shall assess on monthly basis known and projected medicaid
29 expenditures by category of service and by geographic region, as
30 determined by the commissioner of health, incurred both prior to and
31 subsequent to such assessment for each such period, and if the
32 director of the budget determines that such expenditures are
33 expected to cause medicaid spending for such period to exceed the
34 aggregate limit specified herein for such period, the state medicaid
35 director, in consultation with the director of the budget and the
36 commissioner of health, shall develop a medicaid savings allocation
37 adjustment to limit such spending to the aggregate limit specified
38 herein for such period.

39 Such medicaid savings allocation adjustment shall be designed, to

41 compliance with the following guidelines: (1) reductions shall be
42 made in compliance with applicable federal law, including the
43 provisions of the Patient Protection and Affordable Care Act, Public
44 Law No. 111-148, and the Health Care and Education Reconciliation
45 Act of 2010, Public Law No. 111-152 (collectively "Affordable Care

1 adjustment that meets the other criteria set forth herein; (3)
2 reductions shall be made in a manner that maximizes federal finan-
3 cial participation, to the extent practicable, including any federal
4 financial participation that is available or is reasonably expected
5 to become available, in the discretion of the commissioner, under
6 the Affordable Care Act; (4) reductions shall be made uniformly
7 among categories of services and geographic regions of the state, to
8 the extent practicable, and shall be made uniformly within a catego-
9 ry of service, to the extent practicable, except where the commis-
10 sioner determines that there are sufficient grounds for non-uniform-
11 ity, including but not limited to: the extent to which specific
12 categories of services contributed to department of health medicaid
13 state funds spending in excess of the limits specified herein; the
14 need to maintain safety net services in underserved communities; or
15 the potential benefits of pursuing innovative payment models contem-
16 plated by the Affordable Care Act, in which case such grounds shall
17 be set forth in the medicaid savings allocation adjustment; and (5)
18 reductions shall be made in a manner that does not unnecessarily
19 create administrative burdens to medicaid applicants and recipients
20 or providers.

21 The commissioner shall seek the input of the legislature, as well as
22 organizations representing health care providers, consumers, busi-
23 nesses, workers, health insurers, and others with relevant exper-
24 tise, in developing such medicaid savings allocation adjustment, to
25 the extent that all or part of such adjustment, in the discretion of

27 medicaid program, particular categories of service or particular
28 geographic regions of the state.

29 (a) The commissioner shall post the medicaid savings allocation
30 adjustment on the department of health's website and shall provide

33 date on which implementation is expected to begin.

34 (b) The commissioner may revise the medicaid savings allocation
35 adjustment subsequent to the provisions of notice and prior to
36 implementation but needs to provide a new notice pursuant to subpar-
37 agraph (i) of this paragraph only if the commissioner determines, in
38 his or her discretion, that such revisions materially alter the
39 plan.

40 Notwithstanding the provisions of paragraphs (a) and (b) of this
41 subdivision, the commissioner need not seek the input described in
42 paragraph (a) of this subdivision or provide notice pursuant to
43 para- graph (b) of this subdivision if, in the discretion of the
44 commissioner, expedited development and implementation of a medicaid
45 savings allocation adjustment is necessary due to a public health
46 emergency.

47 For purposes of this section, a public health emergency is defined as:

48 (i) a disaster, natural or otherwise, that significantly increases
49 the immediate need for health care personnel in an area of the
50 state; (ii) an event or condition that creates a widespread risk of

Nothing in this paragraph shall be deemed to prevent all or part of such medicaid savings allocation adjustment from taking effect retroactively to the extent permitted by the federal centers for medicare and medicaid services.

In accordance with the medicaid savings allocation adjustment, the commissioner of the department of health shall reduce department of health state funds medicaid spending by the amount of the projected overspending through, actions including, but not limited to modifying or suspending reimbursement methods, including but not limited to all fees, premium levels and rates of payment, notwithstanding any provision of law that sets a specific amount or methodology for any such payments or rates of payment; modifying medicaid program benefits; seeking all necessary federal approvals, including, but not limited to waivers, waiver amendments; and suspending time frames for notice, approval or certification of rate requirements, notwithstanding any provision of law, rule or regulation to the contrary, including but not limited to sections 2807 and 3614 of the public health law, section 18 of chapter 2 of the laws of 1988, and 18 NYCRR 505.14(h).

The department of health shall prepare a monthly report that sets forth: (a) known and projected department of health medicaid expenditures as described in subdivision (1) of this section, and factors that could result in medicaid disbursements for the relevant state fiscal year to exceed the projected department of health state funds disbursements in the enacted budget financial plan pursuant to subdivision 3 of section 23 of the state finance law, including spending increases or decreases due to: enrollment fluctuations, rate changes, utilization changes, MRT investments, and shift of beneficiaries to managed care; and variations in offline medicaid payments; and (b) the actions taken to implement any medicaid savings allocation adjustment implemented pursuant to subdivision (4) of this section, including information concerning the impact of such actions on each category of service and each geographic region of the state. Each such monthly report shall be provided to the chairs of the senate finance and the assembly ways and means committees and shall be posted on the department of health's website in a timely manner.

Notwithstanding any provision of law to the contrary, the director of the budget, in consultation with the commissioner of health, may use a payment reduction plan to make across-the-board reductions to the department of health state funds medicaid spending by \$373,000,000 for state fiscal year 2020-2021 and [~~\$175,000,000~~] \$467,000,000 in state fiscal year 2021-2022 and to limit such spending to the aggregate limit specified herein, or reduce the aggregate limit specified herein to provide a reduction to the state's financial plan.
