1 For the purpose of complying with the state finance law, the year,  
2 chapter and section of the last act reappropriating a former original  
3 appropriation or any part thereof is, unless otherwise indicated, chap-  
4 ter 53, section 1, of the laws of 2020 and, for the department of  
5 health, chapter 50, section 3, of the laws of 2020.

6 d) No moneys appropriated by this chapter shall be available for  
7 payment until a certificate of approval has been issued by the director  
8 of the budget, who shall file such certificate with the department of  
9 audit and control, the chairperson of the senate finance committee and  
10 the chairperson of the assembly ways and means committee.

11 e) Notwithstanding any provision of law to the contrary, prior to the  
12 expenditure of any funds received by the Federal government in response  
13 to the COVID-19 public health emergency pursuant to the authority grant-  
14 ed in any appropriation set forth herein, the director of the budget may  
15 require that the agency or public authority making such expenditures  
16 submit an allocation plan to the director of the budget for approval.  
17 Approved allocation plans shall be provided to the president pro tempore  
18 of the senate and the speaker of the assembly within 30 days of  
19 approval. Such allocation plan must comport with any minimum Federal  
20 requirements for the expenditure of such funds.

21 f) Notwithstanding any provision of law to the contrary, for purposes  
22 of any appropriation made by this chapter which authorizes spending in  
23 an amount net of refunds, rebates, credits, and/or disallowances,  
24 "refunds" shall mean funds received to the state resulting from the  
25 overpayment of monies, "rebates" shall mean funds received to the state  
26 resulting from a return of a full or partial amount previously paid, as  
27 for goods or services, serving as a reduction, discount or rebate to the  
28 original payment amount, "credit" shall mean monies made available to  
29 the state that reduce the amount owed to a third party, including but  
30 not limited to billing errors, rebates, and prior overpayments, and  
31 "disallowance" shall mean monies made available to the state that were  
32 not allowed or accepted officially by the intended recipient, based on a  
33 determination the payment is not acceptable and/or valid. When the  
34 office of the state comptroller receives any such refunds, rebates,  
35 credits, and/or disallowances, he or she shall credit the refunded,  
36 rebated, credited, and disallowed amount back to the original appropri-  
37 ation and reduce expenditures in the year which such credit is received  
38 regardless of the timing of the initial expenditure.

39 g) Notwithstanding any other provision of law to the contrary, if the  
40 state or any agency thereof incurs any costs associated with administer-  
41 ing the rent regulation program in accordance with subdivision (c) of  
42 section 8 of chapter 576 of the laws of 1974, as amended, for a city  
43 having a population of one million or more, the director of the budget  
44 may direct any other state agency or agencies making payments to such  
45 city, or any department, agency, or instrumentality thereof, to perma-  
46 nently reduce the amount of any other payment or payments owed to such  
47 city or any department, agency, or instrumentality thereof pursuant to  
48 any appropriation set forth in this chapter. Provided however, that such  
49 reduction shall be in an amount equal to the costs incurred by the state  
50 or agency thereof in accordance with subdivision (c) of section 8 of  
51 chapter 576 of the laws of 1974 and provided further that such direction  
52 shall be made in writing by the director of the budget. If the director  
53 of the budget makes such direction pursuant to the authority set forth  
54 herein, the impacted city shall not make the payments required by subdivi-  
55 sion (c) of section 8 of chapter 576 of the laws of 1974, as amended,  
56 and the division of housing and community renewal shall notify such city

1 in writing of what payment or payments will be reduced and the amount of  
2 such reduction. To the extent a city of one million or more or any  
3 department, agency, or instrumentality thereof is entitled to any cash  
4 disbursement authorized by any appropriation contained in this chapter,  
5 such entitlement shall be reduced commensurate with reductions in  
6 payments made in accordance with this part.

7 h) Notwithstanding any provision of law to the contrary, upon enact-  
8 ment of this chapter of the laws of 2021 containing the aid to locali-  
9 ties budget bill for the state fiscal year 2021-2022, all appropriations  
10 and reappropriations contained in chapter 53 of the laws of 2020, which  
11 would otherwise lapse by operation of law on March 31, 2022 are hereby  
12 repealed.

13 i) The appropriations contained in this chapter shall be available for

1 reimburse social services districts for  
2 the change in the maximum state aid rates  
3 established by the office of children and  
4 family services for the 2021-22 rate year  
5 pursuant to section 398-a of the social  
6 services law and sections 4003 and 4405 of  
7 the education law to reflect the continua-  
8 tion of the cost of living adjustments  
9 that became effective April 1, 2008 for  
10 payments made to foster parents and for  
11 salary and fringe benefit costs and other  
12 critical nonpersonal services costs for  
13 foster care programs as determined by the  
14 office. Social services districts must  
15 adjust the amount of payments made for  
16 care provided by congregate care and  
17 foster boarding home programs and to  
18 foster parents to reflect the cost of  
19 living adjustments in the manner specified  
20 by the office. Each authorized agency  
21 operating a congregate care or foster  
22 boarding home program in New York state  
23 for which the office sets a maximum state  
24 aid rate pursuant to section 398-a of the  
25 social services law or section 4003 or  
26 4405 of the education law shall submit, at  
27 the time and in a manner to be determined  
28 by the office, a written certification,  
29 attesting that the funds received for the  
30 continuation of the cost of living adjust-  
31 ment to the maximum state aid rate that  
32 became effective April 1, 2008 for that  
33 program will be or were used solely in  
34 accordance with the requirements of the  
35 cost of living adjustment established by  
36 the office.

37 Notwithstanding any inconsistent provision  
38 of law, for the period commencing on April  
39 1, 2021 and ending March 31, 2022 the  
40 commissioner shall not apply any cost of  
41 living adjustment for the purpose of  
42 establishing rates of payments, contracts  
43 or any other form of reimbursement.

44 Within the amounts appropriated herein,  
45 state reimbursement to each social  
46 services district for services identified  
47 herein that are otherwise reimbursable by  
48 the state from April 1, 2021 through March  
49 31, 2022 shall be limited to a district  
50 allocation, hereinafter referred to as the  
51 district's block grant allocation.

DEPARTMENT OF FAMILY ASSISTANCE  
OFFICE OF CHILDREN AND FAMILY SERVICES

AID TO LOCALITIES 2021-22

1 Notwithstanding any other provision of  
2 law, such block grant allocation shall be  
3 based, in part, on each district's claims  
4 for such costs, adjusted by the applicable  
5 cost allocation methodology and net of any  
6 retroactive payments for the 12 month  
7 period ending June 30, 2020 that are  
8 submitted on or before January 2, 2021  
9 and, in part, on such other factors as  
10 determined by the office of children and  
11 family services and approved by the direc-  
12 tor of the budget. Any portion of a social  
13 services district's allocation from funds  
14 appropriated herein not claimed by such  
15 district during the state fiscal year may  
16 be used by such district for expenditures  
17 on preventive services provided pursuant  
18 to section 409-a of the social services  
19 law, independent living services and  
20 aftercare services provided pursuant to  
21 regulations of the department of family  
22 assistance, claimed by such district  
23 during the next state fiscal year up to  
24 the amount remaining from the district's  
25 foster care block grant allocation,  
26 provided however, that any claims for such  
27 services during the next state fiscal year  
28 in excess of such amount shall be subject  
29 to 62 percent state reimbursement exclu-  
30 sive of any federal funds made available  
31 for such purposes, in accordance with  
32 directives of the department of family  
33 assistance and subject to the approval of  
34 the director of the budget. Any claims  
35 submitted by a social services district  
36 for reimbursement for a particular state  
37 fiscal year for which the social services  
38 district does not receive state or federal  
39 reimbursement during that state fiscal  
40 year may not be claimed against that  
41 district's block grant apportionment for  
42 the next state fiscal year.

43 The office of children and family services,  
44 with the approval of the director of the  
45 budget, may reduce a district's block  
46 grant allocation by the state share  
47 decrease related to federal retroactive  
48 reimbursement for such foster care  
49 services identified herein. The office,

2 disallowances or sanctions taken against  
3 the district pursuant to the social  
4 services law or federal law.

5 Notwithstanding any other provision of law,  
6 the state shall not be responsible for  
7 reimbursing a social services district and  
8 a district shall not seek state reimburse-  
9 ment for any portion of any state disal-  
10 lowance or sanction taken against the  
11 social services district, or any federal  
12 disallowance attributable to final federal  
13 agency decisions or to settlement made, on  
14 or after July 1, 1995, when such disallow-  
15 ance or sanction results from the failure  
16 of the social services district to comply  
17 with federal or state requirements,  
18 including, but not limited to, failure to  
19 document eligibility for federal or state  
20 funds in the case record; provided, howev-  
21 er, if the office determines that any  
22 federal disallowance for services provided  
23 between January 1, 1999 and May 31, 1999  
24 results solely from the late enactment of  
25 the state legislation implementing the  
26 federal adoption and safe families act,  
27 the state shall be solely responsible for  
28 the full amount of the disallowance or  
29 sanction; provided, further, however, this  
30 provision shall be deemed to apply both  
31 prospectively and retroactively regardless  
32 of whether such sanctions or disallowances  
33 are for services provided or claims made  
34 prior to or after April 1, 2021.

35 Notwithstanding any other provision of law,  
36 any federal disallowance resulting from a  
37 federal title IV-E eligibility review or  
38 audit that uses extrapolated statistic  
39 techniques shall be passed along by the  
40 state to any and all social services  
41 districts that the office of children and  
42 family services has determined have not  
43 complied with the title IV-E eligibility  
44 requirements or have not taken the neces-  
45 sary actions to ensure compliance with  
46 such requirements including, but not  
47 limited to, failing to: assess and fully  
48 document all the criteria and have readily  
49 available all the necessary documents to

1 dren within the required time frames;  
2 claim title IV-E funding only for cases  
3 that meet all of the title IV-E eligibil-  
4 ity criteria; and fully implement the  
5 social services payment system on or  
6 before April 1, 2005 for all direct and  
7 voluntary agency foster care services.

8 Notwithstanding any law to the contrary, the  
9 office of children and family services  
10 shall impose on social services districts  
11 any federal disallowance issued against  
12 the state as a result of a federal title  
13 IV-E secondary eligibility review regard-  
14 less of the date the children may have  
15 entered foster care, the date the eligi-  
16 bility or payment errors occurred, or the  
17 filing date of any federal claims for  
18 reimbursement; provided, however, that the  
19 state shall be responsible for the disal-  
20 lowed costs and expenditures related to  
21 the placement of children in a facility  
22 operated by the office of children and  
23 family services, which shall be determined  
24 in the same manner as the disallowed costs  
25 and expenditures for social services  
26 districts other than the city of New York.  
27 In order to reimburse the federal govern-  
28 ment for the full amount of any disallow-  
29 ance imposed on the state by the federal  
30 administration for children and families  
31 within the timeframes necessary to avoid  
32 any potential interest payments on such  
33 amount, the office of children and family  
34 services is authorized to immediately  
35 offset funds otherwise due to each  
36 district for a pro rata share of the total  
37 disallowed costs based on the percentage  
38 of applicable federal title IV-E claims  
39 made by that district for the relevant  
40 time period as compared to the total  
41 applicable statewide title IV-E claims.  
42 The amount of the offset against each  
43 district will be adjusted, if necessary,  
44 upon completion of the disallowance allo-  
45 cation process. The final allocation of  
46 the amount of any federal disallowance  
47 resulting from a title IV-E secondary  
48 eligibility review shall be allocated  
49 among the districts so that each district  
50 shall be responsible for the amount  
51 attributable to each of the district's

1 children or cases that are determined by  
2 the federal review to be unallowable. Each  
3 district shall also be responsible for a  
4 portion of the federal extrapolated disal-  
5 lowance amount based on the relative error  
6 rate for the district. The city of New  
7 York's error rate will be based on the  
8 federal sample and federal statistics. For  
9 all social services districts other than  
10 the city of New York, the error rate will  
11 be based on a review conducted by the  
12 district of a sample of children and/or  
13 cases determined by the office of children  
14 and family services and a re-review of a  
15 sub-sample by the office of those children  
16 and/or cases determined by the office. The  
17 office of children and family services  
18 will determine what is reasonable in  
19 establishing the size of the sample and  
20 sub-sample for each district. The office  
21 of children and family services shall  
22 notify each social services district of  
23 the sample of children and/or cases from  
24 the federal audit period that the social  
25 services district must review. Any child  
26 or case from the social services district  
27 that was included in the federal sample  
28 will automatically be included in the  
29 social services district's review sample  
30 and the determination made at the federal  
31 review regarding that child or case will  
32 govern for the purposes of the social  
33 services district's review. The social  
34 services district must complete and submit  
35 the results of its review to the office of  
36 children and family services within 60  
37 days of receipt of the sample. The error  
38 rate for the district will be based on the  
39 findings of the district's review and the  
40 office of children and family services'  
41 re-review. If a social services district  
42 does not complete its review within 60  
43 days of receiving the sample from the  
44 office of children and family services,  
45 the office of children and family services  
46 shall assign an error rate to the social  
47 services district based on the relative  
48 percentage of the district's applicable  
49 title IV-E claims for the relevant period  
50 as compared to applicable statewide title  
51 IV-E claims for that period and other

1 circumstances that the office of children  
2 and family services may consider in order  
3 to allocate 100 percent of the federal  
4 disallowance. The office of children and  
5 family services shall apply each social  
6 services district's error rate to the  
7 total amount of the district's applicable  
8 title IV-E claims including associated  
9 administrative expenses. The resulting  
10 dollar amounts for all of the social  
11 services districts will be summed to  
12 derive the total amount of title IV-E  
13 claims deemed to be in error statewide. To  
14 establish a disallowance percentage for  
15 each social services district, the amount  
16 of the district's title IV-E claims deemed  
17 to be in error will be divided by the  
18 amount of statewide title IV-E claims  
19 deemed to be in error. The resulting  
20 disallowance percentage for each district  
21 will be applied to the entire title IV-E  
22 extrapolated disallowance calculated by  
23 the federal review to determine the amount  
24 of the extrapolated disallowance for which  
25 the district is responsible. Each district  
26 will be credited for the amount already  
27 disallowed for any individual children or  
28 cases found to be in error during the  
29 federal review. The exclusive appeal  
30 rights for the review of the amount of the  
31 federal disallowance assigned to each  
32 social services district shall be pursuant  
33 to article 78 of the civil practice law  
34 and rules; provided, however, that in any  
35 such action all of the social services  
36 districts shall be joined as necessary  
37 parties and the venue of any such action  
38 shall be in Rensselaer county. Any social  
39 services district that fails to complete  
40 its sample review in the required time  
41 frames shall have no right to appeal and  
42 shall not be a necessary party to any  
43 action brought by another social services  
44 district.

2 Local Assistance Account - 10000

3 By chapter 53, section 1, of the laws of 2020:

4 Notwithstanding any inconsistent provision of law, the amount appro-  
5 priated herein, shall be available under a foster care block grant  
6 for state reimbursement of eligible social services district expend-  
7 itures for the provision and administration of foster care services  
8 including care, maintenance, supervision, and tuition; for super-  
9 vision of foster children placed in federally funded job corps  
10 programs; for care, maintenance, supervision, and tuition for adju-  
11 dicated juvenile delinquents placed in residential programs operated  
12 by authorized agencies and in out-of-state residential programs; and  
13 for the provision and administration of the kinship guardian assist-  
14 ance program including kinship guardianship assistance payments and  
15 payments for non-recurring guardianship expenses; except that,  
16 reimbursement from the amount appropriated herein shall not be  
17 available for tuition expenditures for foster children, including  
18 persons in need of supervision and adjudicated juvenile delinquents,  
19 made by a social services district located within a city having a  
20 population of one million or more.

21 Notwithstanding any other provision of law, a portion of the funds are  
22 available to reimburse social services districts for the change in  
23 the maximum state aid rates established by the office of children  
24 and family services for the 2020-21 rate year pursuant to section  
25 398-a of the social services law and sections 4003 and 4405 of the  
26 education law to reflect the continuation of the cost of living  
27 adjustments that became effective April 1, 2008 for payments made to  
28 foster parents and for salary and fringe benefit costs and other  
29 critical nonpersonal services costs for foster care programs as  
30 determined by the office. Social services districts must adjust the  
31 amount of payments made for care provided by congregate care and  
32 foster boarding home programs and to foster parents to reflect the  
33 cost of living adjustments in the manner specified by the office.  
34 Each authorized agency operating a congregate care or foster board-  
35 ing home program in New York state for which the office sets a maxi-  
36 mum state aid rate pursuant to section 398-a of the social services  
37 law or section 4003 or 4405 of the education law shall submit, at  
38 the time and in a manner to be determined by the office, a written  
39 certification, attesting that the funds received for the continua-  
40 tion of the cost of living adjustment to the maximum state aid rate  
41 that became effective April 1, 2008 for that program will be or were  
42 used solely in accordance with the requirements of the cost of  
43 living adjustment established by the office.

44 Notwithstanding any inconsistent provision of law, for the period  
45 commencing on April 1, 2020 and ending March 31, 2021 the commis-  
46 sioner shall not apply any cost of living adjustment for the purpose  
47 of establishing rates of payments, contracts or any other form of  
48 reimbursement.

49 Within the amounts appropriated herein, state reimbursement to each  
50 social services district for services identified herein that are

1 otherwise reimbursable by the state from April 1, 2020 through March  
2 31, 2021 shall be limited to a district allocation, hereinafter  
3 referred to as the district's block grant allocation. Notwithstand-  
4 ing any other provision of law, such block grant allocation shall be  
5 based, in part, on each district's claims for such costs, adjusted  
6 by the applicable cost allocation methodology and net of any retro-  
7 active payments for the 12 month period ending June 30, 2019 that  
8 are submitted on or before January 2, 2020 and, in part, on such  
9 other factors as determined by the office of children and family  
10 services and approved by the director of the budget. Any portion of  
11 a social services district's allocation from funds appropriated  
12 herein not claimed by such district during the state fiscal year may  
13 be used by such district for expenditures on preventive services  
14 provided pursuant to section 409-a of the social services law, inde-  
15 pendent living services and aftercare services provided pursuant to  
16 regulations of the department of family assistance, claimed by such  
17 district during the next state fiscal year up to the amount remain-  
18 ing from the district's foster care block grant allocation, provided  
19 however, that any claims for such services during the next state  
20 fiscal year in excess of such amount shall be subject to 62 percent  
21 state reimbursement exclusive of any federal funds made available  
22 for such purposes, in accordance with directives of the department  
23 of family assistance and subject to the approval of the director of  
24 the budget. Any claims submitted by a social services district for  
25 reimbursement for a particular state fiscal year for which the  
26 social services district does not receive state or federal  
27 reimbursement during that state fiscal year may not be claimed  
28 against that district's block grant apportionment for the next state  
29 fiscal year.

30 The office of children and family services, with the approval of the  
31 director of the budget, may reduce a district's block grant allo-  
32 cation by the state share decrease related to federal retroactive  
33 reimbursement for such foster care services identified herein. The  
34 office, with the approval of the director of the budget, may reduce  
35 a district's block grant allocation by the state share of disallow-  
36 ances or sanctions taken against the district pursuant to the social  
37 services law or federal law.

38 Notwithstanding any other provision of law, the state shall not be  
39 responsible for reimbursing a social services district and a  
40 district shall not seek state reimbursement for any portion of any  
41 state disallowance or sanction taken against the social services  
42 district, or any federal disallowance attributable to final federal  
43 agency decisions or to settlement made, on or after July 1, 1995,  
44 when such disallowance or sanction results from the failure of the  
45 social services district to comply with federal or state require-  
46 ments, including, but not limited to, failure to document eligibil-  
47 ity for federal or state funds in the case record; provided, howev-  
48 er, if the office determines that any federal disallowance for  
49 services provided between January 1, 1999 and May 31, 1999 results  
50 solely from the late enactment of the state legislation implementing  
51 the federal adoption and safe families act, the state shall be sole-

ly responsible for the full amount of the disallowance or sanction; provided, further, however, this provision shall be deemed to apply both prospectively and retroactively regardless of whether such sanctions or disallowances are for services provided or claims made prior to or after April 1, 2020.

Notwithstanding any other provision of law, any federal disallowance resulting from a federal title IV-E eligibility review or audit that uses extrapolated statistic techniques shall be passed along by the state to any and all social services districts that the office of children and family services has determined have not complied with the title IV-E eligibility requirements or have not taken the necessary actions to ensure compliance with such requirements including, but not limited to, failing to: assess and fully document all the criteria and have readily available all the necessary documents to establish and continue title IV-E eligibility for all title IV-E eligible children within the required time frames; claim title IV-E funding only for cases that meet all of the title IV-E eligibility criteria; and fully implement the social services payment system on or before April 1, 2005 for all direct and voluntary agency foster care services.

Notwithstanding any law to the contrary, the office of children and family services shall impose on social services districts any federal disallowance issued against the state as a result of a federal title IV-E secondary eligibility review regardless of the date the children may have entered foster care, the date the eligibility or payment errors occurred, or the filing date of any federal claims for reimbursement; provided, however, that the state shall be responsible for the disallowed costs and expenditures related to the placement of children in a facility operated by the office of children and family services, which shall be determined in the same manner as the disallowed costs and expenditures for social services districts other than the city of New York. In order to reimburse the federal government for the full amount of any disallowance imposed on the state by the federal administration for children and families within the timeframes necessary to avoid any potential interest payments on such amount, the office of children and family services is authorized to immediately offset funds otherwise due to each district for a pro rata share of the total disallowed costs based on the percentage of applicable federal title IV-E claims made by that district for the relevant time period as compared to the total applicable statewide title IV-E claims. The amount of the offset against each district will be adjusted, if necessary, upon completion of the disallowance allocation process. The final allocation of the amount of any federal disallowance resulting from a title IV-E secondary eligibility review shall be allocated among the districts so that each district shall be responsible for the amount attributable to each of the district's children or cases that are determined by the federal review to be unallowable. Each district shall also be responsible for a portion of the federal extrapolated disallowance amount based on the relative error rate for the district. The city of New York's error rate will be based on the

OFFICE OF CHILDREN AND FAMILY SERVICES

1 federal sample and federal statistics. For all social services  
2 districts other than the city of New York, the error rate will be  
3 based on a review conducted by the district of a sample of children  
4 and/or cases determined by the office of children and family  
5 services and a re-review of a sub-sample by the office of those  
6 children and/or cases determined by the office. The office of chil-  
7 dren and family services will determine what is reasonable in estab-  
8 lishing the size of the sample and sub-sample for each district. The  
9 office of children and family services shall notify each social  
10 services district of the sample of children and/or cases from the  
11 federal audit period that the social services district must review.  
12 Any child or case from the social services district that was  
13 included in the federal sample will automatically be included in the  
14 social services district's review sample and the determination made  
15 at the federal review regarding that child or case will govern for  
16 the purposes of the social services district's review. The social  
17 services district must complete and submit the results of its review  
18 to the office of children and family services within 60 days of  
19 receipt of the sample. The error rate for the district will be based  
20 on the findings of the district's review and the office of children  
21 and family services' re-review. If a social services district does  
22 not complete its review within 60 days of receiving the sample from  
23 the office of children and family services, the office of children  
24 and family services shall assign an error rate to the social  
25 services district based on the relative percentage of the district's  
26 applicable title IV-E claims for the relevant period as compared to  
27 applicable statewide title IV-E claims for that period and other  
28 circumstances that the office of children and family services may  
29 consider in order to allocate 100 percent of the federal disallow-  
30 ance. The office of children and family services shall apply each  
31 social services district's error rate to the total amount of the  
32 district's applicable title IV-E claims including associated admin-  
33 istrative expenses. The resulting dollar amounts for all of the  
34 social services districts will be summed to derive the total amount  
35 of title IV-E claims deemed to be in error statewide. To establish a  
36 disallowance percentage for each social services district, the  
37 amount of the district's title IV-E claims deemed to be in error  
38 will be divided by the amount of statewide title IV-E claims deemed  
39 to be in error. The resulting disallowance percentage for each  
40 district will be applied to the entire title IV-E extrapolated  
41 disallowance calculated by the federal review to determine the  
42 amount of the extrapolated disallowance for which the district is  
43 responsible. Each district will be credited for the amount already  
44 disallowed for any individual children or cases found to be in error  
45 during the federal review. The exclusive appeal rights for the  
46 review of the amount of the federal disallowance assigned to each  
47 social services district shall be pursuant to article 78 of the  
48 civil practice law and rules; provided, however, that in any such  
49 action all of the social services districts shall be joined as  
50 necessary parties and the venue of any such action shall be in Rens-  
51 selaer county. Any social services district that fails to complete

3 another social services district.

4 The money hereby appropriated is to be available for payment of state  
5 aid heretofore accrued or hereafter to accrue to municipalities.  
6 Subject to the approval of the director of the budget, such funds  
7 shall be available to the office net of disallowances, refunds,  
8 reimbursements, and credits.

9 Notwithstanding any inconsistent provision of law, the amount herein  
10 appropriated may be transferred to any other appropriation within  
11 the office of children and family services and/or the office of  
12 temporary and disability assistance and/or suballocated to the  
13 office of temporary and disability assistance for the purpose of  
14 paying local social services districts' costs of the above program  
15 and may be increased or decreased by interchange with any other  
16 appropriation or with any other item or items within the amounts  
17 appropriated within the office of children and family services  
18 general fund - local assistance account with the approval of the  
19 director of the budget who shall file such approval with the depart-  
20 ment of audit and control and copies thereof with the chairman of  
21 the senate finance committee and the chairman of the assembly ways  
22 and means committee.

23 Notwithstanding any inconsistent provision of law, in lieu of payments  
24 authorized by the social services law, or payments of federal funds  
25 otherwise due to the local social services districts for programs  
26 provided under the federal social security act or the federal food

28 state comptroller or the state commissioner of health as due from  
29 local social services districts each month as their share of

35 provided by the commissioner of health of each local social services  
36 district's share of payments made pursuant to section 367-b of the  
37 social services law.

39 office of children and family services may, on behalf of social  
40 services districts, make payments to foster boarding homes paid  
41 directly by social services districts by direct deposit or debit  
42 card. Local social services districts shall reimburse the office for  
43 the costs of administering such direct deposit or debit card  
44 payments.

45 Notwithstanding any inconsistent provision of the social services law  
46 or the state finance law, the office of children and family services

3 of eligible social services district expenditures that are claimed  
4 by March 31, 2015 for those community preventive services provided

7 social services district can demonstrate had been approved by the  
8 office of children and family services on or before October 1, 2008;

8 for the provision and administration of eligible supervision and  
9 treatment services for juveniles programs during the period of April  
10 1, 2014 through March 31, 2015 that have been approved by the office  
11 of children and family services pursuant to a plan approved by the  
12 director of the budget; provided, however, if a municipality is  
13 unable to use or claim all of its allocation for such program period  
14 within the required time frames, the municipality may apply to the  
15 office of children and family services for a waiver to permit the  
16 municipality to continue to have the funds available to it for an  
17 additional one-year program period upon a showing and certification  
18 by the municipality that such funds will be used only to reimburse  
19 the municipality for eligible expenditures for eligible services  
20 provided during the period of April 1, 2014 through March 31, 2015  
21 for which the municipality was unable to claim within the required

23 will occur during the period April 1, 2015 through March 31, 2016.  
24 Any funds that are remaining after all such waivers have been  
25 approved may be used to provide additional reimbursement to those  
26 counties that chose to transfer funds from their detention block  
27 grants into their supervision and treatment services for juveniles  
28 programs for the April 1, 2014 through March 31, 2015 program period  
29 proportionately to the amount each such district transferred.

35 to the office of children and family services for a waiver of the  
36 local share requirement for the program funds for state fiscal year  
37 2014-15 upon a showing that the municipality has fiscal issues that  
38 significantly impact its ability to provide the required local share  
39 and that providing the program funds to the municipality without a  
40 local share will enable the municipality to implement services  
41 designed to decrease the use of detention or residential care for  
42 such youth.  
43 Within the amounts appropriated herein, state reimbursement shall be  
44 limited to the amount of such municipality's distribution. The  
45 office of children and family services shall not reimburse any

33 local youth bureau. Notwithstanding any provision of law to the  
34 contrary, an approved local youth bureau that is not providing,

25 condition determined by the commissioner  
26 to constitute an imminent threat to public

30 savings allocation adjustment from taking  
31 effect retroactively to the extent permit-  
32 ted by the federal centers for medicare  
33 and medicaid services.

34 In accordance with the medicaid savings

15 if the director of the budget determines  
16 that such expenditures are expected to  
17 cause medicaid spending for such period to  
18 exceed the aggregate limit specified here-  
19 in for such period, the state medicaid  
20 director, in consultation with the direc-

6 Notwithstanding the provisions of paragraphs  
7 (a) and (b) of this subdivision, the  
8 commissioner need not seek the input  
9 described in paragraph (a) of this subdivi-

2 determined by the commissioner of health,  
3 incurred both prior to and subsequent to  
4 such assessment for each such period, and  
5 if the director of the budget determines  
6 that such expenditures are expected to  
7 cause medicaid spending for such period to  
8 exceed the aggregate limit specified here-  
9 in for such period, the state medicaid  
10 director, in consultation with the direc-  
11 tor of the budget and the commissioner of  
12 health, shall develop a medicaid savings  
13 allocation adjustment to limit such spend-  
14 ing to the aggregate limit specified here-  
15 in for such period.

16 Such medicaid savings allocation adjustment  
17 shall be designed, to reduce the expendi-  
18 tures authorized by the appropriations  
19 herein in compliance with the following  
20 guidelines: (1) reductions shall be made  
21 in compliance with applicable federal law,  
22 including the provisions of the Patient

24 Law No. 111-148, and the Health Care and  
25 Education Reconciliation Act of 2010,  
26 Public Law No. 111-152 (collectively  
27 "Affordable Care Act") and any subsequent  
28 amendments thereto or regulations promul-  
29 gated thereunder; (2) reductions shall be  
30 made in a manner that complies with the  
31 state medicaid plan approved by the feder-  
32 al centers for medicare and medicaid  
33 services, provided, however, that the  
34 commissioner of health is authorized to  
35 submit any state plan amendment or seek  
36 other federal approval, including waiver  
37 authority, to implement the provisions of  
38 the medicaid savings allocation adjustment  
39 that meets the other criteria set forth  
40 herein; (3) reductions shall be made in a  
41 manner that maximizes federal financial  
42 participation, to the extent practicable,  
43 including any federal financial partic-  
44 ipation that is available or is reasonably  
45 expected to become available, in the  
46 discretion of the commissioner, under the  
47 Affordable Care Act; (4) reductions shall  
48 be made uniformly among categories of  
49 services and geographic regions of the  
50 state, to the extent practicable, and

1 except where the commissioner determines  
2 that there are sufficient grounds for  
3 non-uniformity, including but not limited  
4 to: the extent to which specific categories of services contributed to department  
5 of health medicaid state funds spending in  
6 excess of the limits specified herein; the  
7 need to maintain safety net services in  
8 underserved communities; or the potential  
9 benefits of pursuing innovative payment  
10 models contemplated by the Affordable Care  
11 Act, in which case such grounds shall be  
12 set forth in the medicaid savings allocation adjustment; and (5) reductions  
13 shall be made in a manner that does not  
14 unnecessarily create administrative  
15 burdens to medicaid applicants and recipients or providers.

16 The commissioner shall seek the input of the  
17 legislature, as well as organizations  
18 representing health care providers,  
19 consumers, businesses, workers, health  
20 insurers, and others with relevant expertise, in developing such medicaid savings  
21 allocation adjustment, to the extent that  
22 all or part of such adjustment, in the  
23 discretion of the commissioner, is likely  
24 to have a material impact on the overall  
25 medicaid program, particular categories of  
26 service or particular geographic regions  
27 of the state.

28 (a) The commissioner shall post the medicaid  
29 savings allocation adjustment on the  
30 department of health's website and shall  
31 provide written copies of such plan to the  
32 chairs of the senate finance and the  
33 assembly ways and means committees at  
34 least 30 days before the date on which  
35 implementation is expected to begin.

36 (b) The commissioner may revise the medicaid  
37 savings allocation adjustment subsequent  
38 to the provisions of notice and prior to  
39 implementation but needs to provide a new  
40 notice pursuant to subparagraph (i) of  
41 this paragraph only if the commissioner  
42 determines, in his or her discretion, that  
43 such revisions materially alter the plan.

44 Notwithstanding the provisions of paragraphs  
45 (a) and (b) of this subdivision, the  
46 commissioner need not seek the input  
47 described in paragraph (a) of this subdivision or provide notice pursuant to para-

For purposes of this section, a public health emergency is defined as: (i) a disaster, natural or otherwise, that significantly increases the immediate need for health care personnel in an area of the state; (ii) an event or condition that creates a widespread risk of exposure to a serious communicable disease, or the potential for such widespread risk of exposure; or (iii) any other event or condition determined by the commissioner to constitute an imminent threat to public health.

Nothing in this paragraph shall be deemed to prevent all or part of such medicaid savings allocation adjustment from taking effect retroactively to the extent permitted by the federal centers for medicare and medicaid services.

In accordance with the medicaid savings allocation adjustment, the commissioner of the department of health shall reduce department of health state funds medicaid spending by the amount of the projected overspending through, actions including, but not limited to modifying or suspending reimbursement methods, including but not limited to all fees, premium levels and rates of payment, notwithstanding any provision of law that sets a specific amount or methodology for any such payments or rates of payment; modifying medicaid program benefits; seeking all necessary federal approvals, including, but not limited to waivers, waiver amendments; and suspending time frames for notice, approval or certification of rate requirements, notwithstanding any provision of law, rule or regulation to the contrary, including but not limited to sections 2807 and 3614 of the public health law, section 18 of chapter 2 of the laws of 1988, and 18 NYCRR 505.14(h).

1 social security act, increases in provider revenues, reductions in  
2 local social services district payments for medical assistance  
3 administration, minimum wage increases, and beginning April 1, 2012  
4 the operational costs of the New York state medical indemnity fund,  
5 pursuant to chapter 59 of the laws of 2011, and state costs or  
6 savings from the essential plan program. Such projections may be  
7 adjusted by the director of the budget to account for increased or  
8 expedited department of health state funds medicaid expenditures as  
9 a result of a natural or other type of disaster, including a govern-  
10 mental declaration of emergency.

11 The director of the budget, in consultation with the commissioner of  
12 health, shall assess on a monthly basis known and projected medicaid  
13 expenditures by category of service and by geographic region, as  
14 determined by the commissioner of health, incurred both prior to and  
15 subsequent to such assessment for each such period, and if the  
16 director of the budget determines that such expenditures are  
17 expected to cause medicaid spending for such period to exceed the  
18 aggregate limit specified herein for such period, the state medicaid  
19 director, in consultation with the director of the budget and the  
20 commissioner of health, shall develop a medicaid savings allocation  
21 adjustment to limit such spending to the aggregate limit specified  
22 herein for such period.

23 Such medicaid savings allocation adjustment shall be designed, to  
24 reduce the expenditures authorized by the appropriations herein in  
25 compliance with the following guidelines: (1) reductions shall be  
26 made in compliance with applicable federal law, including the  
27 provisions of the Patient Protection and Affordable Care Act, Public  
28 Law No. 111-148, and the Health Care and Education Reconciliation  
29 Act of 2010, Public Law No. 111-152 (collectively "Affordable Care  
30 Act") and any subsequent amendments thereto or regulations promul-  
31 gated thereunder; (2) reductions shall be made in a manner that  
32 complies with the state medicaid plan approved by the federal  
33 centers for medicare and medicaid services, provided, however, that  
34 the commissioner of health is authorized to submit any state plan  
35 amendment or seek other federal approval, including waiver authori-  
36 ty, to implement the provisions of the medicaid savings allocation  
37 adjustment that meets the other criteria set forth herein; (3)  
38 reductions shall be made in a manner that maximizes federal finan-  
39 cial participation, to the extent practicable, including any federal  
40 financial participation that is available or is reasonably expected  
41 to become available, in the discretion of the commissioner, under  
42 the Affordable Care Act; (4) reductions shall be made uniformly  
43 among categories of services and geographic regions of the state, to  
44 the extent practicable, and shall be made uniformly within a catego-  
45 ry of service, to the extent practicable, except where the commis-  
46 sioner determines that there are sufficient grounds for non-uniform-  
47 ity, including but not limited to: the extent to which specific  
48 categories of services contributed to department of health medicaid  
49 state funds spending in excess of the limits specified herein; the  
50 need to maintain safety net services in underserved communities; or

1 be set forth in the medicaid savings allocation adjustment; and (5)  
2 reductions shall be made in a manner that does not unnecessarily  
3 create administrative burdens to medicaid applicants and recipients  
4 or providers.

5 The commissioner shall seek the input of the legislature, as well as  
6 organizations representing health care providers, consumers, busi-  
7 nesses, workers, health insurers, and others with relevant exper-  
8 tise, in developing such medicaid savings allocation adjustment, to  
9 the extent that all or part of such adjustment, in the discretion of  
10 the commissioner, is likely to have a material impact on the overall  
11 medicaid program, particular categories of service or particular  
12 geographic regions of the state.

13 (a) The commissioner shall post the medicaid savings allocation  
14 adjustment on the department of health's website and shall provide  
15 written copies of such adjustment to the chairs of the senate  
16 finance and the assembly ways and means committees at least 30 days  
17 before the date on which implementation is expected to begin.

18 (b) The commissioner may revise the medicaid savings allocation  
19 adjustment subsequent to the provisions of notice and prior to  
20 implementation but needs to provide a new notice pursuant to subpar-  
21 agraph (i) of this paragraph only if the commissioner determines, in  
22 his or her discretion, that such revisions materially alter the  
23 adjustment.

24 Notwithstanding the provisions of paragraphs (a) and (b) of this  
25 subdivision, the commissioner need not seek the input described in  
26 paragraph (a) of this subdivision or provide notice pursuant to  
27 paragraph (b) of this subdivision if, in the discretion of the  
28 commissioner, expedited development and implementation of a medicaid  
29 savings allocation adjustment is necessary due to a public health  
30 emergency.

31 For purposes of this section, a public health emergency is defined as:

32 (i) a disaster, natural or otherwise, that significantly increases  
33 the immediate need for health care personnel in an area of the  
34 state; (ii) an event or condition that creates a widespread risk of  
35 exposure to a serious communicable disease, or the potential for  
36 such widespread risk of exposure; or (iii) any other event or condi-  
37 tion determined by the commissioner to constitute an imminent threat  
38 to public health.

39 Nothing in this paragraph shall be deemed to prevent all or part of  
40 such medicaid savings allocation adjustment from taking effect  
41 retroactively to the extent permitted by the federal centers for  
42 medicare and medicaid services.

43 In accordance with the medicaid savings allocation adjustment, the  
44 commissioner of the department of health shall reduce department of  
45 health state funds medicaid spending by the amount of the projected  
46 overspending through, actions including, but not limited to modify-  
47 ing or suspending reimbursement methods, including but not limited  
48 to all fees, premium levels and rates of payment, notwithstanding  
49 any provision of law that sets a specific amount or methodology for  
50 any such payments or rates of payment; modifying medicaid program

10 financial participation that is available or is reasonably expected  
11 to become available, in the discretion of the commissioner, under  
12 the Affordable Care Act; (4) reductions shall be made uniformly  
13 among categories of services and geographic regions of the state, to  
14 the extent practicable, and shall be made uniformly within a catego-  
15 ry of service, to the extent practicable, except where the commis-  
16 sioner determines that there are sufficient grounds for non-uniform-  
17 ity, including but not limited to: the extent to which specific  
18 categories of services contributed to department of health medicaid  
19 state funds spending in excess of the limits specified herein; the  
20 need to maintain safety net services in underserved communities; or  
21 the potential benefits of pursuing innovative payment models contem-  
22 plated by the Affordable Care Act, in which case such grounds shall  
23 be set forth in the medicaid savings allocation adjustment; and (5)  
24 reductions shall be made in a manner that does not unnecessarily

27 The commissioner shall seek the input of the legislature, as well as

35 (a) The commissioner shall post the medicaid savings allocation  
36 adjustment on the department of health's website and shall provide

44 his or her discretion, that such revisions materially alter the  
45 adjustment.

46 Notwithstanding the provisions of paragraphs (a) and (b) of this  
47 subdivision, the commissioner need not seek the input described in  
48 paragraph (a) of this subdivision or provide notice pursuant to

5 costs of the New York state medical indemnity fund, pursuant to  
6 chapter 59 of the laws of 2011, and state costs or savings from the  
7 essential plan program. Such projections may be adjusted by the  
8 director of the budget to account for increased or expedited depart-  
9 ment of health state funds medicaid expenditures as a result of a  
10 natural or other type of disaster, including a governmental declara-  
11 tion of emergency.

12 The director of the budget, in consultation with the commissioner of  
13 health, shall assess on a monthly basis known and projected medicaid  
14 expenditures by category of service and by geographic region, as  
15 determined by the commissioner of health, incurred both prior to and

17 director of the budget determines that such expenditures are  
18 expected to cause medicaid spending for such period to exceed the

3       reductions shall be made in a manner that does not unnecessarily  
4       create administrative burdens to medicaid applicants and recipients  
5       or providers.

6       The commissioner shall seek the input of the legislature, as well as  
7       organizations representing health care providers, consumers, busi-  
8       nesses, workers, health insurers, and others with relevant exper-

11      the commissioner, is likely to have a material impact on the overall  
12      medicaid program, particular categories of service or particular  
13      geographic regions of the state.

14      (a) The commissioner shall post the medicaid savings allocation

24      plan.

25      Notwithstanding the provisions of paragraphs (a) and (b) of this  
26      subdivision, the commissioner need not seek the input described in  
27      paragraph (a) of this subdivision or provide notice pursuant to  
28      paragraph (b) of this subdivision if, in the discretion of the  
29      commissioner, expedited development and implementation of a medicaid  
30      savings allocation adjustment is necessary due to a public health  
31      emergency.

32      For purposes of this section, a public health emergency is defined as:

33      (i) a disaster, natural or otherwise, that significantly increases  
34      the immediate need for health care personnel in an area of the  
35      state; (ii) an event or condition that creates a widespread risk of

37      such widespread risk of exposure; or (iii) any other event or condi-  
38      tion determined by the commissioner to constitute an imminent threat  
39      to public health.

40      Nothing in this paragraph shall be deemed to prevent all or part of

24 timely manner.
