AN ACT making appropriations for the support of government

### CAPITAL PROJECTS BUDGET

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. a) The several amounts specified in this chapter for capi-  
2 tal projects, or so much thereof as shall be necessary to accomplish the  
3 purpose of the appropriations, are appropriated by comprehensive  
4 construction programs (hereinafter referred to by the abbreviation CCP),  
5 purposes, and projects designated by the appropriations, and authorized  
6 to be made available as hereinafter provided to the respective public  
7 officers; such appropriations shall be deemed to provide all costs  
8 necessary and pertinent to accomplish the intent of the appropriations  
9 and are appropriated in accordance with the provisions of section 93 of  
10 the state finance law.

11 b) Any amounts specified in this chapter for advances for capital  
12 projects, or so much thereof as shall be necessary to accomplish the  
13 purpose of the appropriations, are appropriated by comprehensive  
14 construction programs (hereinafter referred to by the abbreviation CCP),  
15 purposes and projects designated by the appropriations as advances from  
16 the capital projects fund in accordance with the provisions of sections  
17 40-a and 93 of the state finance law, and are authorized to be paid as  
18 hereinafter provided as an advance for a share, part or whole of the  
19 cost for such programs, purposes and projects hereinafter specified.

20 c) The several amounts specified in this chapter as capital projects -  
21 reappropriations, or so much thereof as shall be sufficient to accom-  
22 plish the purpose of the appropriations, as appropriated by comprehen-  
23 sive construction programs (hereinafter referred to by the abbreviation

EXPLANATION--Matter in italics (underscored) is new; matter in brackets  
[-] is old law to be omitted.

LBD12554-06-1

1 CCP), purposes, and projects, being the undisbursed and/or unexpended  
2 balances of the prior year's appropriations, are reappropriated and  
3 unless otherwise amended or repealed in part or total in this chapter  
4 shall continue to be available for the same purposes as the prior appro-  
5 priations or as otherwise amended for the fiscal year beginning April 1,  
6 2021.

7 The capital projects reappropriations contained in this chapter may be  
8 amended by repealing the items set forth in brackets and by adding ther-  
9 eto the underscored material. Certain reappropriations in this chapter  
10 are shown using abbreviated text, with three leader dots (an ellipsis)  
11 followed by three spaces (... ) used to indicate where existing law  
12 that is being continued is not shown. However, unless a change is clear-  
13 ly indicated by the use of brackets [-] for deletions and underscores  
14 for additions, the purpose, amounts, funding source and all other  
15 aspects pertinent to each item of appropriation shall be as last appro-  
16 priated.

17 For the purpose of complying with section 25 of the state finance law,  
18 the year, chapter and section of the last act reappropriating a former  
19 original appropriation or any part thereof is, unless otherwise indi-  
20 cated, chapter 54, section 1, of the laws of 2020.

21 d) No moneys appropriated by this chapter shall be available for  
22 payment until a certificate of approval has been issued by the director  
23 of the budget, who shall file such certificate with the department of  
24 audit and control, the chairperson of the senate finance committee and  
25 the chairperson of the assembly ways and means committee.

26 e) Notwithstanding any provision of law to the contrary, prior to the  
27 expenditure of any funds received by the Federal government in response  
28 to the COVID-19 public health emergency pursuant to the authority grant-  
29 ed in any appropriation set forth herein, the director of the budget may  
30 require that the agency or public authority making such expenditures  
31 submit an allocation plan to the director of the budget for approval.  
32 Approved allocation plans shall be provided to the president pro tempore  
33 of the senate and the speaker of the assembly within 30 days of  
34 approval. Such allocation plan must comport with any minimum Federal  
35 requirements for the expenditure of such funds.

36 f) The appropriations contained in this chapter shall be available for  
37 the fiscal year beginning on April 1, 2021 except as otherwise noted.

1 By chapter 54, section 1, of the laws of 1990, as amended by chapter 54,  
2 section 1, of the laws of 2002:

3 For the state share of the costs of construction of water quality  
4 improvement projects, including the payment of liabilities incurred  
5 prior to April 1, 1990, in accordance with the provisions of title 3  
6 of article 51 of the environmental conservation law as amended, to  
7 provide state matching funds for projects scheduled to receive  
8 construction grants from federal fiscal years 1989 and 1990 funds,  
9 including costs incidental and appurtenant thereto, hereinafter  
10 referred to as "Water Quality Improvement Disbursements."

11 Notwithstanding the provisions of any general or special law, the  
12 moneys hereby appropriated shall be available for water quality  
13 improvement expenditures for eligible water quality improvement  
14 projects as defined by section 51-0303 of the environmental conser-

13 By chapter 54, section 1, of the laws of 1984, as amended by chapter 55,  
14 section 1, of the laws of 2006:

15 For the state share of the costs of construction of water quality  
16 improvement projects, including the payment of liabilities incurred  
17 prior to April one, nineteen hundred eighty-four, in accordance with  
18 the provisions of title three of article fifty-one of the environ-  
19 mental conservation law as amended, for projects previously appro-  
20 priated and scheduled on or after April one, nineteen hundred seven-  
21 ty-two.

22 Notwithstanding the provisions of any general or special law, the  
23 moneys hereby appropriated shall be available for water quality  
24 improvement expenditures for any project scheduled in appropriation  
25 bills on or after April one, nineteen hundred seventy-two.

26 Notwithstanding the provisions of any general or special law, the  
27 amounts hereby appropriated shall be made available from the Pure  
28 Water Bond Act authorizations and are contingent upon the repeal of  
29 existing authorizations elsewhere in this chapter.

30 Notwithstanding the provisions of any general or special law, the  
31 moneys hereby appropriated shall not be made available until the  
32 director of the division of the budget issues a certificate of  
33 approval of availability with a schedule of approved and previously

modernize obsolete facility physical plants and infrastructure; foster participation in alternative payment arrangements, including but not limited to contracts with managed care plans and accountable care organizations; increase the quality of resident care or experience in residential health care facilities; or improve health information technology infrastructure, including telehealth, to strengthen the acute, post-acute care, primary care, and longterm care continuum. Grants shall not be available to support general operating expenses.

The commissioner and the president of the dormitory authority of the state of New York shall enter into an agreement, subject to the approval of the director of the budget, and subject to section 1680-r of the public authorities law, for the purposes of awarding, distributing, and administering the funds made available pursuant to this appropriation.

In determining awards for eligible applicants under this appropriation, the commissioner of health shall consider criteria including, but not limited to:

- (a) The extent to which the proposed project will contribute to the integration of health care services or the long term sustainability of the applicant or preservation of essential health services in the community or communities served by the applicant;
- (b) The extent to which the proposed project or purpose is aligned with delivery system reform incentive payment ("DSRIP") program goals and objectives;
- (c) The geographic distribution of funds;
- (d) The relationship between the proposed project and identified community need;
- (e) The extent to which the applicant has access to alternative financing;
- (f) The extent to which the proposed project furthers the development of primary care and other outpatient services;
- (g) The extent to which the proposed project benefits medicaid enrollees and uninsured individuals;
- (h) The extent to which the applicant has engaged the community affected by the proposed project and the manner in which community engagement has shaped such project; and
- (i) The extent to which the proposed project addresses potential risk to patient safety and welfare.

Notwithstanding any inconsistent provision of law to the contrary, and upon approval of the director of the budget, the commissioner may award up to \$300,000,000 of the funds made available pursuant to this appropriation for unfunded project applications submitted in response to the request for applications number 17648 issued by the department on January 8, 2018 pursuant to section 2825-e of the public health law.

Authorized amounts to be awarded pursuant to applications submitted in response to the request for application number 17648 shall be awarded no later than September 1, 2019.

22 For payments and grants to support health care facility transformation  
23 statewide for capital, non-operational works. Notwithstanding  
24 section 163 of the state finance law or any other provision of law  
25 to the contrary, this appropriation may be used to fund payments and  
26 or grants made by the commissioner of health in his or her sole  
27 discretion, without a competitive bid or request for proposal proc-  
28 ess, to eligible applicants as determined by the commissioner of  
29 health for purposes in support of essential health care services.  
30 Such purposes may include renovating or replacing inefficient or  
31 outdated facilities as part of a merger, consolidation, acquisition  
32 or other significant corporate restructuring activity that is part  
33 of an overall transformation plan intended to create a financially  
34 sustainable system of care that promotes a patient-centered model of  
35 health care delivery aimed at improving the overall health and well-  
36 being of a community. Eligible applicants shall be those deemed by  
37 the commissioner to be a provider that fulfills or will fulfill a  
38 health care need for acute inpatient, outpatient, primary, home care  
39 or residential health care services in a community. The commissioner  
40 and the president of the dormitory authority of the state of New  
41 York shall enter into an agreement, subject to the approval of the  
42 director of the budget, and subject to section 1680-r of the public  
43 authorities law, for the purposes of awarding, distributing, and  
44 administering the funds made available pursuant to this appropri-  
45 ation. In determining awards for eligible applicants under this  
46 appropriation, the commissioner of health and the president of the  
47 authority shall consider criteria including, but not limited to:

48 (a) the extent to which the proposed capital project will contribute  
49 to the integration of health care services and long term sustaina-  
50 bility of the applicant or preservation of essential health services  
51 in the community or communities served by the applicant;

18 Disbursement of awards made pursuant to this appropriation shall be  
19 conditioned on the awardee achieving certain process and performance  
20 metrics and milestones as determined in the sole discretion of the  
21 commissioner. Such metrics and milestones shall be structured to  
22 ensure that the health care transformation and provider sustainabil-  
23 ity goals of the project are achieved, and such metrics and mile-  
24 stones shall be included in grant disbursement agreements or other  
25 contractual documents as required by the commissioner.

26 The department shall provide a report on a quarterly basis to the  
27 chairs of the senate finance, assembly ways and means, senate health  
28 and assembly health committees. Such reports shall be submitted no  
29 later than sixty days after the close of the quarter, and shall  
30 include, for each award, the name of the applicant, a description of  
31 the project or purpose, the amount of the award, disbursement date,  
32 and status of achievement of process and performance metrics and  
33 milestones pursuant to subdivision 5 of section 2825-b of the public  
34 health law. Within amounts appropriated herein, up to \$5,000,000 may  
35 be made available for the purchase of mammography equipped vehicles,  
36 and a minimum of \$30,000,000 shall be made available for community-

Notwithstanding any other law to the contrary, the amounts appropriated herein may be suballocated to any state department, agency, or public authority for the purposes stated herein. Notwithstanding section 40 of the state finance law or any other law to the contrary, all assistance appropriations made from this account shall remain in full force and effect in accordance, in the aggregate, with the following schedule: not more than \$344,000,000 for the period April 1, 2016, through and past March 31, 2017, and not more than an additional \$246,000,000 for the period April 1, 2017 through and past March 31, 2018 as indicated below:

1. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of \$950,000,000 shall be made available for the purpose of providing capital and operating subsidies for the development of 6,000 or more supportive housing units throughout the state over the next five years, as determined by a competitive selection process. Notwithstanding any provisions of law to the contrary, the commissioner of a state agency or authority holding an empire state supportive housing initiative contract, shall be authorized, subject to the approval of the director of the budget, to continue contracts which were executed on or before March 31, 2021 with entities providing supportive housing services, without any additional requirements that such contracts be subject to competitive bidding, a request for proposal process or other administrative procedures.
2. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of \$472,025,000 shall be made available for the purpose of providing capital subsidies for the new construction or adaptive reuse of rental housing affordable to households that earn up to 60 percent of area median income (AMI) and that advance one or more of the specific housing priorities of the state. Up to 5 percent of the funds allocated herein may be used for administrative purposes.
3. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of \$125,000,000 shall be made available for the purpose of developing or rehabilitating one hundred percent senior rental affordable housing targeted to low-income seniors, aged 60 and above.
4. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of \$45,000,000 for purposes of the rural and urban community investment fund program created pursuant to article XXVII of the private housing finance law.
5. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of \$150,000,000 shall be made available for the purpose of providing capital subsidies for the new construction, adaptive reuse, or reconstruction of rental housing affordable to households that earn between 60 percent and 130 percent of AMI and that advance one or more of the specific housing priorities of the state.
6. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of \$146,000,000 shall be made available for the purpose of substantial

4 another state, federal or local housing agency.

5 7. When combined with other funds made available in the 2016-17 and  
6 2017-18 state fiscal year housing program (ccp), up to a total of  
7 \$75,000,000 shall be made available for the purpose of providing  
8 capital subsidies to preserve and improve Mitchell-Lama properties  
9 in the state.

10 8. When combined with other funds made available in the 2016-17 and  
11 2017-18 state fiscal year housing program (ccp), up to a total of  
12 \$125,000,000 shall be made available for the purpose of substantial  
13 or moderate rehabilitation and/or the demolition and replacement  
14 through new construction of site-specific multi-family rental hous-  
15 ing currently owned by public housing authorities outside of New  
16 York city. The distribution of any funds which the division of hous-  
17 ing and community renewal or other appropriate state agencies or  
18 authorities authorizes to be used as part of a federal housing  
19 program, shall require the division of housing and community renewal  
20 to monitor and ensure that any affected public housing tenants are  
21 properly informed regarding participation in the federal housing  
22 program and that appropriate documents related to participation in  
23 such federal housing program are made publicly available and are  
24 posted on each applicable housing authority's website in a timely  
25 manner to properly inform such public housing authority tenants.  
26 The residents of public housing that receives and uses such funds to  
27 participate in such federal program shall be provided a uniform  
28 lease agreement that provides, at a minimum, terms and conditions  
29 consistent with those found in the public housing lease they had  
30 prior to the public housing having received any such funds. Public  
31 housing authorities that receive and use such funds shall be  
32 required to: provide resident education, which shall include compre-  
33 hensive information about any anticipated changes to the public  
34 housing; provide language assistance to residents with limited  
35 English proficiency; recognize the right of residents to form a  
36 resident organization; require resident participation funding  
37 commensurate to the funding that was being allocated to residents  
38 already; develop a set of procedures for resident grievances and  
39 lease termination proceedings that apply to residents following the  
40 use of such funds, which shall be consistent with any existing  
41 procedures, can provide stronger resident protections, and conform  
42 with any other applicable federal rules and/or regulations. In cases  
43 when there is a property manager other than the public housing  
44 authority that receives these funds, then such property manager  
45 shall be required to take actions including, but not limited to,  
46 providing clear and accessible information to residents before,  
47 during, and after becoming the property manager; provide language  
48 assistance to residents with limited English proficiency; and recog-  
49 nize a legitimate resident organization as the residents' represen-  
50 tative, invite such resident organization to all resident engage-  
51 ments, and meet regularly with the resident organization to discuss  
52 emerging property-wide issues.

## CAPITAL PROJECTS - REAPPROPRIATIONS 2021-22

12. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of \$10,000,000 shall be made available for the purpose of stimulating reinvestment in properties located within mixed-used commercial districts located in urban, small town, and rural areas of the state pursuant to article XXVI of the private housing finance law.

13. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of \$200,000,000 shall be made available, pursuant to a plan approved by the director of the budget, in consultation with the New York city housing authority chair and the dormitory authority of the state of New York, for the purpose of capital projects and other improvements related to housing developments owned or operated by the New York city housing authority; provided further to the extent practicable, the New York city housing authority in its administration of such funds shall include employment opportunities for NYCHA tenants consistent with section 3 of the housing and urban development act of 1968.

14. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of \$100,000,000 shall be made available for the preservation, restoration or creation of affordable housing units in a city having a population of one million or more, one hundred percent of which shall be affordable to households that earn up to sixty percent of the area median income adjusted for family size. Priority shall be given to applicants incorporated pursuant to the not-for-profit corporation law, with prior experience in community development projects with at least a fifty-one percent controlling interest in such project. Not-for-profits shall strive to develop projects utilizing state or city-owned land and such utilization shall be prioritized in the agency review of such project (08111707) (30904) ... 541,525,000 ..... (re. \$541,525,000)

By chapter 55, section 1, of the laws of 2016, as amended by chapter 54, section 1, of the laws of 2020:

In support of a comprehensive, statewide multi-year housing program.

The commissioner shall provide, in electronic excel format or as requested by the Legislature, an annual report to the director of the budget, the speaker of the Assembly, and the temporary president of the Senate, on or before July 1 of each year, that summarizes the activities undertaken pursuant to the funding made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp). Such annual report shall be cumulative and shall include an itemized list of each project utilizing funds appropriated by the 2016-17 and 2017-18 state fiscal year housing program (ccp), including a brief description of the project, street address, county, awardee, total budget, amount of capital subsidy appropriated by the housing program (ccp), relevant section of the housing program (ccp), bonded or cash, amount of each additional public funding source, funding program, number of units, area median income requirements if applicable, month and year construction will commence, projected date of occupancy, and project phase (in development, engineering,

2 to be provided until such time as the final disbursement of funds  
3 appropriated in the 2016-17 and 2017-18 state fiscal year housing  
4 program (ccp) has occurred.

5 Notwithstanding any other law to the contrary, the amounts appropri-  
6 ated herein may be suballocated to any state department, agency, or  
7 public authority for the purposes stated herein. Notwithstanding  
8 section 40 of the state finance law or any other law to the contra-  
9 ry, all assistance appropriations made from this account shall  
10 remain in full force and effect in accordance, in the aggregate,  
11 with the following schedule: not more than \$303,384,000 for the  
12 period April 1, 2017 through and past March 31, 2018, not more than  
13 an additional \$354,715,000 for the period April 1, 2018 through and  
14 past March 31, 2019, not more than an additional \$359,565,000 for  
15 the period April 1, 2019 through and past March 31, 2020, and not  
16 more than an additional \$365,811,000 for the period April 1, 2020  
17 through and past March 31, 2021 as indicated below:

- 18 1. When combined with other funds made available in the 2016-17 and  
19 2017-18 state fiscal year housing program (ccp), up to a total of  
20 \$950,000,000 shall be made available for the purpose of providing  
21 capital and operating subsidies for the development of 6,000 or more  
22 supportive housing units throughout the state over the next five  
23 years, as determined by a competitive selection process.
- 24 2. When combined with other funds made available in the 2016-17 and  
25 2017-18 state fiscal year housing program (ccp), up to a total of  
26 \$472,025,000 shall be made available for the purpose of providing  
27 capital subsidies for the new construction or adaptive reuse of  
28 rental housing affordable to households that earn up to 60 percent  
29 of area median income (AMI) and that advance one or more of the  
30 specific housing priorities of the state. Up to 5 percent of the  
31 funds allocated herein may be used for administrative purposes.
- 32 3. When combined with other funds made available in the 2016-17 and  
33 2017-18 state fiscal year housing program (ccp), up to a total of  
34 \$125,000,000 shall be made available for the purpose of developing  
35 or rehabilitating one hundred percent senior rental affordable hous-  
36 ing targeted to low-income seniors, aged 60 and above.
- 37 4. When combined with other funds made available in the 2016-17 and  
38 2017-18 state fiscal year housing program (ccp), up to a total of  
39 \$45,000,000 for purposes of the rural and urban community investment  
40 fund program created pursuant to article XXVII of the private hous-  
41 ing finance law.
- 42 5. When combined with other funds made available in the 2016-17 and  
43 2017-18 state fiscal year housing program (ccp), up to a total of  
44 \$150,000,000 shall be made available for the purpose of providing  
45 capital subsidies for the new construction, adaptive reuse, or  
46 reconstruction of rental housing affordable to households that earn  
47 between 60 percent and 130 percent of AMI and that advance one or  
48 more of the specific housing priorities of the state.
- 49 6. When combined with other funds made available in the 2016-17 and  
50 2017-18 state fiscal year housing program (ccp), up to a total of  
51 \$146,000,000 shall be made available for the purpose of substantial

1 housing currently under a regulatory agreement or extended use  
2 agreement with the division of housing and community renewal or  
3 another state, federal or local housing agency.

4 7. When combined with other funds made available in the 2016-17 and  
5 2017-18 state fiscal year housing program (ccp), up to a total of  
6 \$75,000,000 shall be made available for the purpose of providing  
7 capital subsidies to preserve and improve Mitchell-Lama properties  
8 in the state.

9 8. When combined with other funds made available in the 2016-17 and  
10 2017-18 state fiscal year housing program (ccp), up to a total of  
11 \$125,000,000 shall be made available for the purpose of substantial  
12 or moderate rehabilitation and/or the demolition and replacement  
13 through new construction of site-specific multi-family rental hous-  
14 ing currently owned by public housing authorities outside of New  
15 York city. The distribution of any funds which the division of hous-  
16 ing and community renewal or other appropriate state agencies or  
17 authorities authorizes to be used as part of a federal housing  
18 program, shall require the division of housing and community renewal  
19 to monitor and ensure that any affected public housing tenants are  
20 properly informed regarding participation in the federal housing  
21 program and that appropriate documents related to participation in  
22 such federal housing program are made publicly available and are  
23 posted on each applicable housing authority's website in a timely  
24 manner to properly inform such public housing authority tenants.  
25 The residents of public housing that receives and uses such funds to  
26 participate in such federal program shall be provided a uniform  
27 lease agreement that provides, at a minimum, terms and conditions  
28 consistent with those found in the public housing lease they had  
29 prior to the public housing having received any such funds. Public  
30 housing authorities that receive and use such funds shall be  
31 required to: provide resident education, which shall include compre-  
32 hensive information about any anticipated changes to the public  
33 housing; provide language assistance to residents with limited  
34 English proficiency; recognize the right of residents to form a  
35 resident organization; require resident participation funding  
36 commensurate to the funding that was being allocated to residents  
37 already; develop a set of procedures for resident grievances and  
38 lease termination proceedings that apply to residents following the  
39 use of such funds, which shall be consistent with any existing  
40 procedures, can provide stronger resident protections, and conform  
41 with any other applicable federal rules and/or regulations. In cases  
42 when there is a property manager other than the public housing  
43 authority that receives these funds, then such property manager  
44 shall be required to take actions including, but not limited to,  
45 providing clear and accessible information to residents before,  
46 during, and after becoming the property manager; provide language  
47 assistance to residents with limited English proficiency; and recog-  
48 nize a legitimate resident organization as the residents' represen-  
49 tative, invite such resident organization to all resident engage-  
50 ments, and meet regularly with the resident organization to discuss  
51 emerging property-wide issues.

Aviation Purpose

By chapter 54, section 1, of the laws of 1991:

For state aid to municipal corporations, private airports as authorized by section 14-h of the transportation law and for payment of the state share of federally aided projects at Stewart and Republic Airports, for the acquisition, construction, reconstruction, and improvement of airport or aviation capital projects, including the acquisition of real property, pursuant to the transportation capital facilities development act of 1967 notwithstanding any inconsistent provisions of law, in accordance with the schedule set forth below. The moneys hereby appropriated are to be made available for payment of state aid to municipal corporations, private airports as authorized by section 14-h of the transportation law and for payment of the state share of federally aided projects at Stewart and Republic Airports, including payment of liabilities incurred prior to April 1, 1991, as defined in the transportation capital facilities development act of 1967. The items shown in the project schedule below shall be for projects with a common purpose and may be interchanged without limitation subject to the approval of the director of the division of the budget.

Prior to requesting approval of a certificate of approval of availability for the moneys hereby appropriated, the commissioner of transportation shall certify that each airport or aviation project progressed under the program categories listed in the schedule below has received federal approval and the federally authorized level of financial assistance.

No funds shall be allocated for projects at Stewart Airport that are directly related to a private facility until the commissioner of transportation enters into a written agreement, subject to the approval of the director of the budget, with such private entity providing that such entity is committed to locate its facilities at Stewart airport and has arranged financing for the costs of construction of such facilities.

Funds shall not be allocated for projects at Stewart airport from this appropriation for infrastructure improvements or other development

1 purposes not directly related to a private facility until the  
 2 commissioner of transportation has provided the director of the  
 3 budget with the following projections to support any such allocation  
 4 of funds: (a) effect on Stewart airport net operating revenues; (b)  
 5 effect on new jobs for the state of New York; and (c) effect on net  
 6 revenues of amortization of state capital expenditures. It is  
 7 acknowledged that funds provided herein pursuant to the transporta-  
 8 tion capital facilities development act of 1967 are made available  
 9 by repealing a portion of an appropriation for the payment of the  
 10 state's share to the Niagara frontier transportation authority for  
 11 construction, reconstruction, and improvement of airport or aviation  
 12 capital projects at Buffalo international airport. It is the intent  
 13 of the legislature that the repeal of such funds appropriated to the  
 14 Niagara frontier transportation authority does not void the state's  
 15 commitment to provide alternative state share funding sources to the  
 16 authority to complete the airport or aviation capital projects at  
 17 Buffalo international airport as originally provided by chapter 54,  
 18 section 1, of the laws of 1982, as amended by chapter 54, section 3,  
 19 of the laws of 1988. It is further the intent of the legislature  
 20 that such alternative state share funding be provided to the author-  
 21 ity no later than March 31, 1993 (17439114) (53271) .....

tenance services provided by private firms; and including but not limited to the preparation of designs, plans, specifications and estimates; construction management and supervision, and appraisals, surveys, testing and environmental impact statements for transportation projects. Project costs funded from this appropriation may include but shall not be limited to construction, reconstruction, reconditioning and preservation, and preventive maintenance. Up to \$5,000,000 of this appropriation may be used for traffic maintenance and traffic protection services provided by the division of state police.

With the approval of the director of the budget, the commissioner of transportation is authorized to enter into agreements with any municipality to finance local bridge projects through state nonfederally aided highway funds appropriated herein when the use of federal aid funds for such local bridge projects would not be cost effective and the federal aid and state matching funds saved as a result of the use of non-federal aid funds for local bridge projects are made available for bridge projects on the state highway system. The total amount of non-federally aided highway funds made available for local bridge projects from this appropriation shall not exceed \$2,500,000 in state fiscal year 2020-21. Provided, however, that no obligations against, or spending from this appropriation shall be authorized unless the director of the division of the budget certifies that such obligations or spending can be accommodated within the State's multi-year financial plan without adversely affecting the funding available for (a) capital projects currently authorized that are deemed essential to the health and safety of the public, or (b) essential governmental services. Provided, however, that during state fiscal year 2020-21, the department of transportation shall, ten calendar days prior to the start of each quarter or as soon as practicable thereafter, provide to the director of the budget, the secretary of the senate finance committee, and the secretary of the assembly ways and means committee, a schedule of planned highway and bridge capital project lettings to take place during such quarter; and provided, further, that the projects to be let by the department may differ from the schedules so provided due to emergencies, environmental concerns, federal mandates, unforeseen conditions, design changes or other factors (53164).

 Program Improvement/Change Purpose

The sum of \$10,000,000 is hereby appropriated for payments and grants, including up to \$400,000 in costs associated with program administration to eligible nonprofit arts and cultural organizations for the arts and cultural facilities improvement program. Such program shall provide for targeted investment for capital projects in such eligible arts or cultural facilities to improve the quality, efficiency, and accessibility of arts and cultural organizations that benefit New Yorkers. Provided that such investments may include, but are not limited to: renovations or expansions of space that is open to the public; modifications to provide for sustainable, energy efficient spaces that would result in overall energy and cost savings; technology and other equipment that will benefit the public; capital costs associated health and safety protocol compliance; and accessibility renovations.

Funding from this appropriation shall be made available through a competitive process to be determined exclusively by the New York state council on the arts. The determination of this competitive process and guidelines shall be limited to the New York state council on the arts in consultation with the dormitory authority of the state of New York. The guidelines for the program and competitive process shall ensure that such funding is made available for uses throughout the state and takes into account regional distribution, supports a range of grant awards including

The sum of \$100,000,000 is hereby appropriated for payments and grants to eligible nonprofit human services organizations for the nonprofit infrastructure capital investment program. Such program shall provide for targeted investment for capital projects in such eligible nonprofit human services organizations to improve the quality, efficiency, and accessibility of nonprofit human services organizations that serve New Yorkers. Provided that such investments include, but are not limited to: technology upgrades related to improving electronic records, data analysis, or confidentiality; renovations or expansions of space used for direct program services; modifications to provide for sustainable, energy efficient spaces that would result in overall energy and cost savings; and accessibility renovations. Provided further that such eligible nonprofit human services organizations are those which provide direct services to New Yorkers through state contracts, state authorized payments, and/or state payment rates. Provided further that nothing herein shall preclude a nonprofit human services organization that is otherwise eligible and that is located in publicly owned property from receiving a grant as long as such purpose and project would be otherwise eligible and such grant is not used for building or property maintenance or improvements, structural maintenance or improvements, or building systems maintenance or improvements. 1 each such local task force. Provided further that, except in munici-  
2 palities where a state-funded antipoverty task force or initiative  
3 already exists and is receiving or has received funding, each such  
4 taskforce shall make efforts to be comprised of, but not limited to,  
5 the following members: representatives from municipal, county,  
6 and/or state government; individuals who have lived in or currently  
7 live in households in poverty; individuals and advocates represent-  
8 ing local not-for-profit and community organizations; represen-  
9 tatives from local school districts; and representatives from local  
10 social services districts. Of the funds appropriated herein, the  
11 amount available for each local anti-poverty task force shall be  
12 determined based on the number of people in each municipality, or a  
13 borough, who are living in poverty as determined by the U.S. Census  
14 Bureau's 2010-14 American Community Survey Five-year Estimate  
15 provided that each local anti-poverty task force shall be eligible  
16 to receive funding in the following amounts: municipalities with  
17 fewer than 5,000 individuals in poverty shall each be eligible to  
18 receive \$500,000; municipalities with between 5,000 and 10,000 indi-  
19 viduals in poverty shall each be eligible to receive \$1,000,000;  
20 municipalities with between 10,000 and 40,000 individuals in poverty  
21 shall each be eligible to receive \$1,500,000; and municipalities, or  
22 a borough, with more than 40,000 individuals in poverty shall each  
23 be eligible to receive \$2,750,000. Funds appropriated herein shall  
24 be available to support the work of each anti-poverty task force and  
25 such work shall be divided into two phases. During the first phase,  
26 the mayor of the municipality, or in the case of the Bronx, the  
27 borough president, will select a not-for-profit organization that  
28 has demonstrated successful performance working with community  
29 stakeholders and achieving objectives specified herein, to coordi-  
30 nate the local antipoverty task force. The not-for-profit organiza-  
31 tion serving as coordinator will assemble the antipoverty task force  
32 using the criteria outlined above. Provided further that, with  
33 guidance and oversight of the commissioner of the office of tempo-  
34 rary and disability assistance, each local anti-poverty task force  
35 shall use data to identify high need issues and neighborhoods within  
36 the municipality, or in the case of the Bronx, the borough; identify  
37 problems that are common in neighborhoods throughout the munici-  
38 pality, or in the case of the Bronx, the borough; receive input from  
39 local residents; use data and resident input to select one or more  
40 focus areas related to either one or more issues or one or more  
41 neighborhoods; and develop a plan for how funding will be targeted  
42 toward the identified issues or neighborhoods. Such focus areas may  
43 include, but are not limited to childhood poverty and homelessness.  
44 Activities included in such plan may include, but are not limited  
45 to: providing public assistance recipients opportunities to partic-  
46 ipate in enhanced work activities that either provide recognized  
47 credentialing or enhanced career readiness or job training for  
48 better linkage to potential employment; assisting families in pover-  
49 ty through services provided to parents and children; and addressing  
50 chronic homelessness or housing insecurity. Such plan must include

measurable objectives and a timeframe for completion and shall be submitted for approval to the commissioner of the office of temporary and disability assistance. Of the total amount made available to each anti-poverty task force, the lesser of \$300,000 or 20 percent of the total award may be used to carry out planning and administration, provided however, that the amount used for planning and administration may exceed such limitation if such amount is approved by the commissioner of the office of temporary and disability assistance as part of the plan required herein. Upon receiving approval from the commissioner of the office of temporary and disability assistance, each such anti-poverty task force shall commence the second phase of its work, which will support the implementation of the plan developed during the first phase. Funding appropriated herein shall be made available to the not-for-profit organization serving as coordinator and its use shall be restricted to purposes or initiatives that do not necessitate ongoing state financial support. Such anti-poverty task forces shall be encouraged to secure match funding from private sector and foundation sources to supplement the funds appropriated herein and provided further that any funding provided from this appropriation shall not be used to supplant funding for programs already in existence. Such funds may be made available pursuant to a plan approved by the director of the budget (931A16SP) (79994) ... 25,000,000 ..... (re. \$5,572,000)

Notwithstanding any inconsistent provision of law, in support of a comprehensive statewide multi-year housing program to prevent and address homelessness across the State, funds appropriated herein may be used in conjunction with other resources made available as part of the state fiscal year 2016-17 and 2017-18 local assistance, capital and state operations budget to support various programs to support homeless individuals and youth or individuals and youth at risk of becoming homeless, including but not limited to, a statewide multiagency supportive housing program to provide housing and support services for vulnerable New Yorkers including but not limited to seniors, veterans, victims of domestic violence, formerly incarcerated individuals, individuals diagnosed with HIV/AIDS and homeless individuals with copresenting health conditions, eligible services to runaway and homeless youth, and for services to meet the emergency needs of homeless individuals and families (931116SP) (79993) ... 50,000,000 ..... (re. \$17,244,000)

Municipal consolidation competition, for payments for capital and other expenses related to the implementation of: consolidations, dissolutions, mergers, or other permanent changes in governing structures; shared services, cooperation agreements, or other efficiencies; or other actions that reduce operational costs or property tax burdens on a permanent basis, as selected through a competitive application process developed by the secretary of state (931016SP) (79991) ... 20,000,000 .....
